Self-Portrait in a Convex Mirror John Ashbery, 1990-01-01 John Ashbery's most renowned collection of poetry. Winner of The Pulitzer Prize, the National Book Award, and the National Book Critics Circle Award. First released in 1975, *Self-Portrait in a Convex Mirror* is today regarded as one of the most important collections of poetry published in the last fifty years. Not only in the title poem, which the critic John Russell called one of the finest long poems of our period, but throughout the entire volume, Ashbery reaffirms the poetic power that made him an outstanding figure in contemporary literature. These are poems of breathtaking freshness and adventure in which dazzling orchestrations of language open up whole areas of consciousness no other American poet has ever begun to explore. *The New York Times*

An uber homage to primary texts and the brilliant white gay male poets who write them. **John Ashbery and American Poetry** David Herd, 2024-07-30. David Herd sets out to provide readers with a new critical language through which they can appreciate the beauty and complexity of Ashbery's writing. Presenting the poet in all his forms: avant-garde, nostalgic, sublime, and camp, the book argues that the perpetual inventiveness of Ashbery's work has always been underpinned by the poet's desire to write the poem fit to cope with its occasion. Tracing Ashbery's development in the light of this idea and from its origins in the dazzling artistic environment of 1950s New York, the book evaluates his poetry against the aesthetic, literary, and historical backgrounds that have informed it.
