Selfdiscipline Teach Your Children The Values Of:

Teaching Your Children Values Richard Eyre,Linda Eyre,2010-05-11 One of the greatest gifts you can give your children is a strong sense of personal values Helping your children develop values such as honesty self reliance and dependability is as important a part of their education as teaching them to read or how to cross the street safely The values you teach your children are their best protection from the influences of peer pressure and the temptations of consumer culture With their own values clearly defined your children can make their own decisions rather than imitate their friends or the latest fashions In *Teaching Your Children Values* Linda and Richard Eyre present a practical proven month by month program of games family ctivities and value building ecercises for kids of all ages Ten Golden Rules for Living in This Crazy, Mixed-Up World Donna Fargo,2006 Written as a guide for how to maintain a healthy happy lifestyle in today s fast paced and ever changing times this book sets the tone for enjoying life s blessings Grammy Award winning singer songwriter Donna Fargo inspires readers to embrace their uniqueness and appreciate the positive difference they can make every day in their own lives and in the lives of others **How to Behave So Your Children Will, Too!** Sal Severe,2003-07-29 In this eye opening resource Dr Sal Severe taps his twenty five years of experience as a school psychologist and parenting workshop leader to show that a child s behavior is often a reflection of the parent s behavior and by making changes themselves parents can achieve dramatic results in their children Instead of focusing on what children do wrong Dr Severe teaches parents to emphasize the positive to be consistent and to be more patient He shows parents how to teach their children to behave listen and be more cooperative and how moms and dads can manage their own anger and prevent arguments and power struggles Packed with concrete strategies for dealing with homework hassles ending tantrums and other common problems Dr Severe s empathetic common sense book will be welcome everywhere Teaching Self-Discipline to Children Barbara C. Vasiloff,2003-07 Barbara Vasiloff identifies fifteen self discipline skills and relates each skill to a topic educators most often have difficulty with for example how to teach children to listen how to help them to follow instructions how to help them to ask effective questions and more A must have resource for all religious educators **Support Groups For Children** Kathleen O'Rourke,John C. Worzbyt,2013-08-21 Designed for use with children in grades K 6 this book provides a review of support groups their nature and value the tripartite model of children s needs behaviours they need to learn and environmental conditions that support learning the Keystone Learning Model which encompasses the tripartite model strengths and decision making and nuts and bolts suggestions for creating and managing child support groups The book also addresses various support groups chapter by chapter and homework ideas are provided with each chapter **How to Talk to Your Child About Sex** Linda Eyre,Richard Eyre,2007-04-01 Linda and Richard Eyre stress that it s never too soon or too late to start discussing sex and values with your children and they ve got proven strategies to make it easier For parents who want to go beyond the birds and the bees talk *How to Talk to Your Child About Sex* provides thoughtful clear specific

guidance on when and most important how to help children begin to learn and understand sex love and commitment from the most positive viewpoint possible Preliminary as needed talks with three to eight year olds The age eight Big Talk Follow up talks with eight to thirteen year olds Behavior discussions and guidelines with eleven to sixteen year olds Discussions of perspective and personal standards with fifteen to nineteen year olds **Discipline Without Distress** Judy

Arnall,2012-09-21 Discipline that you and your child will feel good about Spanking and time outs do NOT work At last a positive discipline book that is full of practical tips strategies skills and ideas for parents of babies through teenagers and tells you EXACTLY what to do in the moment for every type of behaviour from whining to web surfing Includes 50 pages of handy charts of the most common behaviour problems and the tools to handle them respectfully Parents and children today face very different challenges from the previous generation Today s children play not only in the sandbox down the street but also in the world wide web which is too big and complex for parents to control and supervise As young as aged four your child can contact the world and the world can contact them A strong bond between you and your child is critical in order for your child to regard you as their trusted advisor Traditional discipline methods no longer work with today s children and they destroy your ability to influence your increasingly vulnerable children who need you as their lifeline You need new discipline tools *Woman's World* ,1927 **Helping Your Child Become a Responsible Citizen** ,2006 **AD / HD For Dummies**

Family Whispering Melinda Blau, Tracy Hogg, 2014-02-18 From the famous Baby Whisperer comes this warm accessible and highly practical guide Gretchen Rubin 1 New York Times bestselling author to help families of all sizes and backgrounds live love and thrive Parenting is something you do Family is something you are Tracy Hogg Before her untimely death in 2004 Tracy aka the Baby Whisperer and her longtime collaborator journalist Melinda Blau conceived a fourth book that would apply the commonsense principles of baby whispering to the whole family This ground breaking book explains why family is defined by much more than the relationship between parent and child By widening the lens to focus on the family as an entity Blau uses the Baby Whisperer philosophy to illuminate how the multiple bonds and interactions that unfold within a household of adults and children coalesce to form a larger family dynamic By taking this wider perspective she enables you to see everyday challenges such as sibling rivalry communication and time management with fresh eyes Informed both by research and stories of real families this new book is filled with the handy tips and memorable acronyms that Baby Whisperer fans have come to expect The advice is simple practical and often counterintuitive asking kids to help more around the home can make them happier setbacks can often make a family closer The hopeful message is that with insight awareness and family think we can actually design our families to be happier and more productive improving the daily lives of parents and kids and thereby benefiting society as a whole in the process

Raising a Child with Soul Slovie Jungreis-Wolff, 2025-08-22 With the seemingly insurmountable pressures placed on families today many parents lack the spiritual foundation and practical knowledge to chart a clear cut course in child rearing Parents question whether nurturing their children s souls is even possible in the fast paced materialistic culture in which we live Utilizing the insight that springs from her knowledge of Torah wisdom her personal experiences and the experiences of those she has counseled Slovie Jungreis Wolff a longtime parenting coach and advisor to young couples and families teaches in detail how to approach the

entire gamut of issues with a special emphasis on strengthening the child's morality and character. Parents will learn how to instill simchas hachayim, true joy in their children. Value chessed, kindness in a self-absorbed world. Create a mikdash me'at, a home filled with calm and reflection. Teach children gratitude and appreciation. And much more. From discipline to sibling rivalry to effective communication skills. *Raising a Child with Soul* offers unique concepts and pragmatic ideas that can be understood and applied to both Jewish and non-Jewish households. Scouting, 1998-05. Published by the Boy Scouts of America for all BSA registered adult volunteers and professionals. Scouting magazine offers editorial content that is a mixture of information, instruction, and inspiration designed to strengthen readers' abilities to better perform their leadership roles in Scouting and also to assist them as parents in strengthening families. **So How Do I Parent THIS Child?** Bill Hendricks, Bev Hendricks Godby, 2021-09-07. Parents don't determine who their kids become. They steward them into who they're meant to be. One of the most common myths in parenting books you see it everywhere is that parents are responsible for who their children turn out to be. Proper input yields proper output, or so the thinking goes. But that mindset works with machinery, not people. The truth is your child has a unique set of traits, their giftedness that only they possess. The parent's job isn't to crank out a product but to point an individual human being toward a healthy, flourishing life. In *So How Do I Parent THIS Child?*, brother and sister duo Bill Hendricks and Bev Hendricks Godby team up to help you understand the difference between producing a product and parenting a person. They take you through all the stages of child rearing, from diapers to driver's licenses to diplomas, to give you a comprehensive look at how identifying giftedness and helping your children discover it for themselves makes all the difference. As a parent, you've got a lot of challenges ahead. But with intentionality and an individualized approach, you'll see your kids grow up to become the mature and confident adults that they're intended to be. **Raise Your Kids to Succeed** Chris Palmer, 2017-10-04. *Raise Your Kids to Succeed: What Every Parent Should Know* describes what parents can do to be effective and help their children succeed both in school and in life. Part I opens with some big foundational questions, including the need for parents to realize their own importance. It goes on to discuss how to create a family mission statement, the importance of creating family traditions and rituals, and the pivotal need to model good behavior. Part II starts by exploring ways to let your kids know the importance you attach to education. It stresses the importance of really listening to your kids, reading to them, getting outside with them to enjoy nature, and teaching them life skills. Part III explores ways for you to be present at your child's school and to be an advocate for your child. It also focuses on the issue of bullying and how to counter a toxic, sexualized, and violent culture. *Raise Your Kids to Succeed* will help your children succeed and reach all of the dreams that you have for them and more important, the ones they have for themselves. 10 Days to a Less Defiant Child, second edition Jeffrey Bernstein, 2015-07-14. The popular, powerful guide to help parents regain control over a defiant child or teenager. Occasional clashes between parents and children are not uncommon, but when defiant behavior, including tantrums, resistance to chores, and negativity becomes chronic, it causes big

problems within the family In 10 Days to a Less Defiant Child family and child psychologist Dr Jeffrey Bernstein shares a groundbreaking ten day program to help parents understand their child s behavior and regain control of their household In this updated edition parents will learn how to face new challenges including defiance resulting from excessive technology use even to the point of addiction and the stress of modern family life Dr Bernstein explains what causes defiance in kids and why it s so destructive to the family then offers parents a step by step guide on how to reduce conflict and end upsetting behaviors
