

## 32 / Religious Inquiries 7

crucially important to study ethical egoism. Since Rand provides strong arguments in favor of ethical egoism and presents most of her philosophical viewpoints in the form of novels—a psychologically influential and attractive medium—it is truly essential to study her theory of egoism in the field of ethics.

This article primarily tries to examine the extent to which Rand's ethical egoism can be defended. There is no doubt that her theory has a number of strengths, but do these strengths overcome its weaknesses? And if ethical egoism is refuted, then what is an appropriate alternative to this theory? Rand shoots serious criticisms at ethical altruism, which need to be considered. It seems that even by refuting ethical egoism, it is not easy to prove ethical altruism. Therefore, if ethical egoism is rejected, a suitable alternative needs to be presented.

To provide answers for the above investigation, we will provide a brief review of Rand's ethical egoism before studying and criticizing her theory.

### 1. Rand's Biography and Works

Ayn Rand was born on February 2<sup>nd</sup>, 1905 in Russia and passed away on March 6<sup>th</sup>, 1982. Her full name is Alissa Zinovievna Rosenbaum and Ayn Rand is its abbreviated form (Badrwar and Long 2012). Rand was a philosopher who wrote screenplays, plays, and novels, along with philosophical and academic works. She also published articles in the fields of politics, economics, and ethics in newspapers such as *The New York Times* (Burns 2009, 4-5).

It is important to take into account that a great deal of Rand's philosophy is based on her own experiences. Living in Russia and witnessing the revolution, as well as her immigrating to the US, greatly influenced her thoughts (Burns 2009, 33).

Rand's works have received a lot of attention and have become among best-selling literary works. Every year one hundred thousand copies of her works are sold; that is, more than twenty-five million copies thus far. Her unique interpretation of man and her philosophy for life have changed the lives of thousands of her readers and inspired philosophical movements that have influenced American culture. Rand has also influenced many other philosophers, economists, psychologists, and historians.

Besides her academic works, Rand wrote novels in which she implicitly expressed her philosophical and ethical ideas. Using the medium of the novel, which is more attractive than academic texts and is better understood by the readers, is an important strength for her ethical thought. High sales of Rand's novels throughout the world, and particularly in the US, is significant. In 2008, eight hundred thousand copies of her novels *Atlas Shrugged*, *We: The Living*, *Fountainhead*,

# Selflove And Selfrespect A Philosophical Study Of Egoism

**Richmond Campbell,Lanning Sowden**

## **Selflove And Selfrespect A Philosophical Study Of Egoism:**

*Self-love and Self-respect* Richmond Campbell,1979      *Dignity, Character and Self-Respect* Robin S. Dillon,2013-01-11

This is the first anthology to bring together a selection of the most important contemporary philosophical essays on the nature and moral significance of self respect Representing a diversity of views the essays illustrate the complexity of self respect and explore its connections to such topics as personhood dignity rights character autonomy integrity identity shame justice oppression and empowerment The book demonstrates that self respect is a formidable concern which goes to the very heart of both moral theory and moral life Contributors Bernard Boxill Stephen L Darwall John Deigh Robin S Dillon Thomas E Hill Jr Aurel Kolnai Stephen J Massey Diana T Meyers Michelle M Moody Adams John Rawls Gabriele Taylor Elizabeth Telfer Laurence L Thomas      **Self-love, Egoism and the Selfish Hypothesis** Christian Maurer,2019-03-21 Do people only act

out of self interest Or is there a less pessimistic explanation for human behaviour Maurer delves into early Enlightenment debates on self love from both famous and lesser known A01s including Lord Shaftesbury Bernard Mandeville Francis Hutcheson Joseph Butler Archibald Campbell David Hume and Adam Smith      **A Question of Values** ,2021-11-22 This volume contains ten chapters each of which takes up a different question in contemporary moral or political philosophy The volume has three parts meta ethics issues in freedom and autonomy and contemporary political philosophy In the meta ethical section the chapters address issues concerning acts and their value the plausibility of aggregation and counting with respect to the value of human lives and the role of moral character in causing and explaining moral behavior In the second section the chapters take up questions about the connection between moral imagination and a plausible account of integrity the connection between autonomy and rights to property and the difficulties facing internalist accounts of autonomy In the final section the chapters address issues concerning feminist critiques of Rawlsian liberalism the limits of liberalism and communitarianism the importance of understanding Rawls s social contract as a contract for institutions and the morality of nationalist movements These chapters reflect a cross section of the issues concerning value that are of contemporary scholarly interest in Canada and the United States      *Illusions of Paradox* Richmond Campbell,1998 Modern epistemology

has run into several paradoxes in its efforts to explain how knowledge acquisition can be both socially based and thus apparently context relative and still able to determine objective facts about the world In this important book Richmond Campbell attempts to dispel some of these paradoxes to show how they are ultimately just illusions of paradox by developing ideas central to two of the most promising currents in epistemology feminist epistemology and naturalized epistemology Campbell s aim is to construct a coherent theory of knowing that is feminist and naturalized *Illusions of Paradox* will be valuable for students and scholars of epistemology and women s studies      *Liberty, Games and Contracts* Malcolm Murray,2016-05-06 Jan Narveson is one of the most significant contemporary defenders of the libertarian political position Unlike other libertarians who typically defend their view with reference to natural rights or an appeal to utilitarianism

Narveson's main contribution has been to offer a philosophical defence of libertarianism based on a Hobbesian individualist contractarian ethic. Critiques of Narveson's contractarian libertarianism fall into three categories: those that reject contractarian moral theory; those that reject any link between contractarianism and libertarianism; and those that accuse libertarians of conflating liberty with property. In this book, Malcolm Murray brings together the most significant of Narveson's critics and presents their work alongside replies by Jan Narveson.

*Self-Interest* Kelly Rogers, 2014-02-04

Self-Interest discusses the reconciliation of inevitable self-concern with its manifest potential for harm. This anthology brings together the efforts of twenty-three renowned philosophers to address the matter of how to bring about such a reconciliation. The drive for self-preservation as observed by Aquinas is the first law of nature. With this self-love, however, comes the threat of the excessive love of self. Self-Interest brings into discussion the reconciliation of necessary self-concern with its manifest potential for harm. This anthology brings together the work of twenty-three important philosophers to address the question of how to bring about such a reconciliation. Contributors include Democritus, Plato, Aristotle, Augustine of Hippo, Aquinas, Hobbes, Nicole, Mandeville, Butler, Hutcheson, Hume, Smith, Kant, Bentham, Mill, James, Nietzsche, Dewey, Rand, and Gauthier.

**Self and Others** Jan Österberg, 2012-12-06

1 The Aim of This Essay

Ethical Egoism, the doctrine that roughly speaking one should promote one's own good, has been a live issue since the very beginnings of moral philosophy. Historically, it is the most widely held normative theory, and next to Utilitarianism, it is the most intensely debated one. What is at stake in this debate is a fundamental question of ethics: Is there any reason, except self-interest, for considering the interests of other people? The ethical egoist answers No to this question, thus rejecting the received conception of morality. Is Ethical Egoism an acceptable position? There are many forms of Ethical Egoism, and each may be interpreted in several different ways. So the relevant question is rather: Is there an acceptable version of Ethical Egoism? It is the main aim of this essay to answer this question. This Egoism means that I will be confronted with many other controversial questions, for example: What is a moral principle? Is value objective or subjective? What is the nature of the self? For the acceptability of most versions of Ethical Egoism, it has been alleged, depends on what answers are given to questions such as these. I will show that in some of these cases, there is in fact no such dependence. It is, of course, impossible to adequately discuss all these questions within the compass of my essay.

*Paradoxes of Rationality and Cooperation* Richmond Campbell, Lanning Sowden, 1985

The Prisoner's Dilemma is a famous problem in game theory. In its simplest form, two players are faced with independent choices: to cooperate or not to cooperate. Each does better if both cooperate than if neither does, but each does better if he does not cooperate whatever the other does. The outcome of their choice can be the difference between life and death. Philosophers see this problem as an abstract model of the classic conflict between self-interest and a socially advantageous moral order. Some philosophers have argued that it is a special case of Newcomb's Problem, technically a puzzle in mathematical decision theory. There is a deep division amongst philosophers over the nature and extent of the relationship between these two dilemmas. Both, however, threaten the

foundations of ethical and political theory even the social sciences for they cast doubt on our understanding of rational behaviour This anthology the first to bring together the most important philosophical essays on the paradoxes analyses the concepts underlying the Prisoner's Dilemma and Newcomb's Problem and evaluates the proposed solutions The relevant theories have been developed over the past four decades in a variety of disciplines mathematics economics psychology political science biology and philosophy And the problems these paradoxes uncover can arise in many different forms in debates over nuclear disarmament labour management disputes marital conflicts Calvinist theology and even in the evolution of disease through the cooperation of microorganisms The possibilities for application are virtually limitless The introduction gives the uninitiated reader sufficient background to cope with the technical aspects of the discussions as well as to see how the articles are linked together in an on going dialectic Many of the essays are already considered classics in the field others not previously published provide responses to objections that have been made against the authors earlier positions Although designed primarily for philosophers and philosophy students *Paradoxes of Rationality and Cooperation* has broad implications for other disciplines as well as for interested non specialists **Canadian Journal of Philosophy** ,1982

**Instrumental Data for Drug Analysis, Second Edition** Terry Mills, III,1992-09-17 Compiled with the most sophisticated chromatographic and spectrometric instruments available this complete and self contained seven volume reference provides forensic toxicology and clinical laboratories with up to date information on 1 600 drugs and drug related compounds one of the largest collections of analytical data generated from a single source *Instrumental Data for Drug Analysis* contains timely quality data presented in a large easily usable format It is an essential reference in the libraries of all toxicology analytical chemistry and forensic specialists and laboratories *Moralische Selbstachtung* Henning Hahn,2008-12-10 Die Arbeit versteht sich in systematischer Perspektive als eine Erweiterung der Theorie der Gerechtigkeit von John Rawls *Moralische Selbstachtung* wird dazu in Auseinandersetzung mit Kant als ein rechtsgebundenes Selbstverhältnis gedeutet das nicht nur den motivationalen Grund praktischer Identität bereitstellt sondern sich darüber hinaus als normativer Fluchtpunkt einer selbstachtungsfunktionalen Gerechtigkeitstheorie anbietet Ausgehend von der postrawlschen These dass Selbstachtung einen unüberbietbaren Wert darstellt werden eine Reihe moralischer Grundrechte verteidigt die rechtlich konform kulturell und politisch realisiert sein müssen damit eine Person ihre Selbstachtung aufrechterhalten kann Systematisch mündet diese Erweiterung in die Konzeption einer sozialliberalen Gerechtigkeitstheorie deren transnationaler Geltungsbereich abschließend als subsidiärer Kosmopolitismus beschrieben wird *American Philosophical Quarterly* Nicholas Rescher,2006 [Encyclopedia of Ethics](#) Lawrence C. Becker,Charlotte B. Becker,2013-10-18 The editors working with a team of 325 renowned authorities in the field of ethics have revised expanded and updated this classic encyclopedia Along with the addition of 150 new entries all of the original articles have been newly peer reviewed and revised bibliographies have been updated throughout and the overall design of the work has been enhanced for easier access to

cross references and other reference features New entries include Cheating Dirty hands Gay ethics Holocaust Journalism Political correctness and many more **Canadiana** ,1981 The Philosophical Review ,1982 Ethics and Justification Douglas Odegard,1988 Philosophy of Culture as Theory, Method, and Way of Life ,2022-05-16 The idea of culture comprises almost all human activities from science to art from music to microscopy Does anything important escape the limits of this idea The authors of this collection argue that all philosophy is really the philosophy of culture since in some way each and every discipline and subdiscipline is foremost a manifestation of our collective cultural effort Further they argue that by engaging with philosophy as a cultural activity and as a discipline to meaningful engage with all dimensions of inter cultural life we can live more meaningful flourishing and wisely guided lives **Princeton University Library**

### **Selflove And Selfrespect A Philosophical Study Of Egoism Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Selflove And Selfrespect A Philosophical Study Of Egoism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Selflove And Selfrespect A Philosophical Study Of Egoism has opened up a world of possibilities.

Downloading Selflove And Selfrespect A Philosophical Study Of Egoism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Selflove And Selfrespect A Philosophical Study Of Egoism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Selflove And Selfrespect A Philosophical Study Of Egoism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Selflove And Selfrespect A Philosophical Study Of Egoism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Selflove And Selfrespect A Philosophical Study Of Egoism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Selflove And Selfrespect A Philosophical Study Of Egoism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Selflove And Selfrespect A Philosophical Study Of Egoism Books**

1. Where can I buy Selflove And Selfrespect A Philosophical Study Of Egoism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Selflove And Selfrespect A Philosophical Study Of Egoism book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
