Cedar and Salt DL Acken, Emily Lycopulus, 2019-09-24 A Globe and Mail Best Book of 2019 Winner of a 2019 Alcuin Society Award for Excellence in Book Design Winner of a 2020 Gourmand World Cookbook Award in Canada Finalist for a 2021 Pacific Northwest Book Award Finalist for a 2020 Taste Canada Award Finalist for a 2020 BC and Yukon Book Prize Homegrown modern recipes that feature the most treasured local ingredients from Vancouver Island's forests, fields, farms and sea. Off the shore of Canada's west coast lies a food lover's island paradise. Vancouver Island's temperate climate nurtures a bounty of wild foods, heritage grains, organic produce, sustainable meats and artisan-crafted edible delights. This thoughtfully curated, beautifully photographed cookbook brings Vancouver Island's abundant food scene into the kitchens of home cooks everywhere. While celebrating such treasures such as fresh blackberries, foraged chanterelles and fiddleheads, freshly harvested spot prawns or oysters, line-caught spring salmon, grass-fed beef and cultivated foods like heritage red fife wheat, the book's recipes highlight the most sought-after ingredients on the island and honour the producers and artisans dedicated to sustainable and ethical producing and harvesting. Try recipes like Craft Beer Braised Island Beef Brisket, Nettle and Chèvre Ravioli and Beetroot and Black Walnut Cake featuring Denman Island Chocolate. Divided into four sections: forest, field, farm and sea, Cedar and Salt puts the taste of Vancouver Island on a pedestal and then brings it to your plate. The

Beeching Legacy Phil Horton, 2019-10-24 The first edition of this popular volume has been out of print for several years and has become much sought after. Produced in black and white, the first edition was the first volume in the series taking a detailed regional look at the Beeching Report, its proposals for closures and modifications of the UK railway network. The report has become legendary and the interest and debate it generated is no less today than it has ever been since first published. Indeed, with railways now rejuvenated and passenger numbers growing ever larger, the reflection on what Beeching got right and what perhaps in hindsight got very badly wrong makes for fascinating reading. This new expanded second edition has been completely reworked and is now published with color illustrations, both new and replacing the original black and white images where possible. The text has been expanded and updated as appropriate and there are 32 extra pages bringing the new edition to 192 pages. **Cincinnati Magazine**, 1978-09 Cincinnati Magazine taps into the DNA of the city, exploring shopping, dining, living and culture and giving readers a ringside seat on the issues shaping the region.
