C. "Pete" Peters, 2007-06 What Christian hasn't questioned their faith in God at some point during their lives Most people accept their faith blindly as children due to parental influence and Pete Peters was no exception An automobile accident at age sixteen changed everything Peters was speeding in a hilly area when his 1951 Ford convertible careened off a steep cliff and crashed one hundred feet below causing his younger brother David to suffer fatal injuries And so began Peters first question How can there be a God that allows innocent people to suffer and die for no reason In later years he witnessed family trauma senseless war famine two divorces and other atrocities From his point of view there was no God to care A self proclaimed intellectual atheist Peters still read about and discussed faith and over the years devoted much thought as to why he felt God logically could not exist After many small miracles eventually occur in his life Peters finally realizes that faith is a gift that is only given to those ready to accept it Peters tells his story in such a compelling and personal way that he will help anyone who is spiritually confused find their way back to God

101 Good Reasons to Believe James D. Sideras,2018-01-04 This book presents a strong case for the Christian faith by using scientific evidence and philosophical reasoning Although an abundance of Christian apologetic textbooks exist most are not easily accessible because they offer long and scholarly treatments of subject matter that may not appeal to lay readers This book differs in two ways First it presents the case for Christianity in a friendly scholarly prose which enables readers to plainly understand each reason to believe Second these reasons are concisely structured so that within minutes readers can quickly examine each argument in light of the evidence presented 101 Good Reasons to Believe is essential reading for theists who wish to strengthen their faith in God and for nontheists who desire to critically investigate the truth claims of the Bible This book includes topics such as astronomical evidence for the existence of God evidence for creation and intelligent design refutation of Darwinian evolution the historicity of Jesus why there is human suffering if God exists the accuracy of the Bible and evidence for heaven and hell The 101 reasons presented make thought provoking and compelling reading for scholars and non scholars alike

Toward Endless Light Anita Kraal-Zuidema,2019-06-26 Any major transition in life is apt to create new challenges or reinvigorate lingering questions Worries and feelings of inadequacy are often uninvited companions as we negotiate the passage of time and life So where do we turn when we need a light to show us the next step forward either for ourselves or for our loved ones In Toward Endless Light author Anita Kraal Zuidema reflects on her life story in writing what began as love legacy for her family As stories tumbled out she knew they were meant to be shared with a broader audience than she had at first envisioned With new insight she began to foster a greater appreciation and love for scripture and the biblical solutions it offers Anita also wanted to challenge her readers to consider and ponder the every day choices they make and to encourage them to walk in closer relationship with God Life is full of questions though most of life is accomplished without ready answers to our most difficult questions the whys and the why me sort However great our intentions the devil is always ready to infuse his foolishness into our minds as he sits perched on our shoulder doing his best to keep us from doing our very best Thank God the devil succeeds less and less especially as we listen more closely to the only one who has answers to all our questions They will come in his time in his way

Our Unknown, Undeserved, Preplanned Journey Jan Gingrich, 2020-01-30 Life is often referred to as a journey Without a doubt every person who uses that analogy does so from at least a different perspective and likely a different reason Sometimes it is because they have found life hard and the term journey represents the struggle and its length they have experienced There is some of that factor in our so titling the book Other times it is used to express finding life delivering beyond their expectations and the experience took them where they never imagined going There is that factor in our so titling the book also Sometimes it is because life seems mundane repetitious and they feel caught in its cycle There is nothing of that in our book There is a poem called Footprints in the Sand by Mary Fishback Powers that illustrates the caring hand of God she experienced in hard times of life when she saw only one set of prints Too often that is all we look for help in the parts of life s journey we think we need help with True we should look for that but the promise of God to his children is I will never leave nor forsake you good or hard times This book was written to demonstrate the truth and reality of that promise made over 200 times in various wordings of the Bible This book was written no had to be written so every child of God is alertly looking for what God is doing for them every day in ways they have not considered before Then experience the amazement of realizing their Journey has been part of the Creator s plan from the beginning who works all things according to his good and perfect will so that they can know purpose and blessing in life and not just an aimless Journey **Ebony**, 2005-11 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **A Long Journey** Hans H. Schallig, 2022-04-26 This is a story of a three year old caught up in the horrors of World War II The quiet time in the Dutch East Indies now called Indonesia was replaced by the ravages of war and Japanese concentration camps We spent three and a half years in three horrid camps My mother was responsible for three children including myself and Grandma We ate any creeping or slimy creature trying to stay alive until we were saved by two atomic bombs The Indonesians declared independence on August 17 1945 Our family was then endangered by murdering youth gangs who roamed the island of Java We could not go back to our plantation My father saw handwriting on the wall and immediately began the process to immigrate to the United States This was very difficult since we were stateless He was arrested and jailed for allegedly being a Nazi sympathizer without any due process We finally received the requisite papers to board the American President Lines ship The Jefferson We sailed to the United States in March and arrived at San Pedro in April after a five week journey at sea Our family experienced culture shock when we finally came ashore My long journey is a story of all the funny things I did as I grew up including adventures in a Dutch colony and learning to be an American You will have fun when you read my exploits with successes and many surprising endings We hope that you will appreciate the American dream I realized in my long journey *Morning by Morning* Paula Penn-Nabrit, 2003 Home schooling has long been regarded as a last resort particularly by African American families But in this inspirational and practical memoir Paula Penn Nabrit shares her intimate experiences of home schooling her three sons

Charles Damon and Evan Paula and her husband C Madison decided to home school their children after racial incidents at public and private schools led them to the conclusion that the traditional educational system would be damaging to their sons self esteem This decision was especially poignant for the Nabrit family because C Madison s uncle was the famed civil rights attorney James Nabrit who with Thurgood Marshall had argued Brown v Board of Education before the U S Supreme Court to other members of their family it seemed as if Paula and C Madison were turning their backs on a rich educational legacy But ultimately Paula and C Madison felt that they knew what was best for their sons So in 1991 when Evan was nine and twins Charles and Damon were eleven the children were withdrawn from the exclusive country day school they d been attending In Morning by Morning Paula Penn Nabrit discusses her family s emotional transition to home schooling and shares the nuts and bolts of the boys educational experience She explains how she and her husband developed a curriculum provided adequate exposure to the arts as well as quiet time for reflection and meditation initiated quality opportunities for volunteerism and sought out athletic activities for their sons At the end of each chapter she offers advice on how readers can incorporate some of the steps her family took even if they aren t able to home school plus there s a website resource guide at the end of the book Charles and Damon were eventually admitted to Princeton and Evan attended Amherst College But Morning by Morning is frank about the challenges the boys faced in their transition from home schooling to the college experience and Penn Nabrit reflects on some things she might have done differently With great warmth and perception Paula Penn Nabrit discusses her personal experience and the amazing outcome of her home schooling experience three spiritually and intellectually well balanced sons who attended some of the top educational institutions in this country What we learned from home schooling Use your time wisely Education is more than academics The idea of parent as teacher doesn t have to end at kindergarten The family is our introduction to community Extended family is a safety net Yes kids really do better in environments designed for them Travel is an education Athletics is more than competitive sports Get used to diversity It s okay if your kids get angry at you they ll get over it from Morning by Morning
