leaders were among the best minds of their times For more than two centuries the new nation s most constant military opponents were the Native Americans led by such capable chiefs as American Horse and Little Wolf Under D Iberville Canada s French colonialists became formidable foes but they were soon surpassed by the rigorously disciplined redcoats of Great Britain under Howe and Cornwallis Ironically the most effective enemies in the history of the United States were not the leaders of foreign military forces like Mexico s Santa Anna Japan s Yamamoto or Vietnam s Vo Nguyen Giap They arose from among its own citizens during the Civil War the bloodiest conflict in American history *United States Naval History* Barbara A. Lynch, John E. Vajda, 1993 *Rear Admiral Schley* Gordon Hartogensis, Robert Jones, 2023-12-14 The career of Rear Admiral Winfield Scott Schley unfolding on land and sea offers a compelling account of a pivotal time in the history of the US Navy and maritime warfare Remembered chiefly for his role in the in Spanish American War Schley led the US Navy to victory at the Battle of Santiago was promoted to rear admiral then found himself accused of timidity and cowardliness in battle and subject to a controversial Court of Inquiry The dispute and its resolution known as the Sampson Schley Controversy impact the navy to this day Schley graduated from the US Naval Academy in 1860 and advanced quickly through the ranks After fighting in the Civil War sailing the seven seas and visiting many foreign countries he played a vital part in the formation of the New Steel Navy as the fleet converted from the era of sail to steam In Rear Admiral Schley An Extraordinary Life at Sea and on Shore Robert A Jones tells a stirring tale of a remarkable commander whose cool headed courage under fire and in hand to hand combat made him a highly respected leader whom men would follow willingly His skills and proven leadership led to his being asked to conduct diplomatic missions in several countries to supervise ship construction to direct two lighthouse districts to intervene in a civil war in Chile and to lead the famous mission to rescue the Greely Arctic expedition This meticulously researched biography will shed additional light on the career of an illustrious if previously lesser known leader who helped shape the US Navy we know today *The Alabama Historical Quarterly* , 1976 *Military Affairs* , *Signal (250) Two Fifty! the Sea Fight Off Santiago* Anastasio Carlos Mariano Azoy, 1964 How a waving pennant along Cuba a south coast alerted U S naval forces to the Spanish fleet s approach during the Spanish American War **Guide to the Hispanic American Historical Review, 1956-1975** Wilber A.
