Wilson,2019-12-19 UNFORTUNATE PUBLISHING presents THE SILURIAN Book 8 LAST MAN TO AVALON THE KING OF THE FUTURE The final book of The Silurian series is the road to Avalon paved with death and endings the advent of a new age that is dark with the fall of Arthur and Bedwyr fights to the last of his strength to keep his warrior king alive Yet their lives have come full circle and all efforts to save Arthur from falling is futile as Arthur himself knows his destiny is to die on the battlefield of traitors Arthur s famous final conflict the Battle of Camlann ends them all all but the Last Man and there is nothing in this world that Bedwyr can do now to stop Arthur s immortal journey to Avalon **Readings in Savitri Volume 8** M.P. Pandit, Includes summary overview and extensive verse by verse commentary **The Film Daily Year Book** ,1928 **The Life and Letters of William Sharp and "Fiona Macleod". Volume 2: 1895-1899** William F. Halloran,2020-04-14 What an achievement It is a major work The letters taken together with the excellent introductory sections so balanced and judicious and informative what emerges is an amazing picture of William Sharp the man and the writer which explores just how fascinating a figure he is Clearly a major reassessment is due and this book could make it happen Andrew Hook Emeritus Bradley Professor of English and American Literature Glasgow University William Sharp 1855 1905 conducted one of the most audacious literary deceptions of his or any time Sharp was a Scottish poet novelist biographer and editor who in 1893 began to write critically and commercially successful books under the name Fiona Macleod This was far more than just a pseudonym he corresponded as Macleod enlisting his sister to provide the handwriting and address and for more than a decade Fiona Macleod duped not only the general public but such literary luminaries as William Butler Yeats and in America E C Stedman Sharp wrote I feel another self within me now more than ever it is as if I were possessed by a spirit who must speak out This three volume collection brings together Sharp s own correspondence a fascinating trove in its own right by a Victorian man of letters who was on intimate terms with writers including Dante Gabriel Rossetti Walter Pater and George Meredith and the Fiona Macleod letters which bring to life Sharp s intriguing second self With an introduction and detailed notes by William F Halloran this richly rewarding collection offers a wonderful insight into the literary landscape of the time while also investigating a strange and underappreciated phenomenon of late nineteenth century English literature It is essential for scholars of the period and it is an illuminating read for anyone interested in authorship and identity **Augustine: Confessions Books V-IX** Augustine,2019-09-12 Books V IX of the Confessions trace five crucial years in the life of Augustine from his debut as a teacher of rhetoric in North Africa to his baptism as a Christian and the renunciation of a worldly career in Milan This commentary will be invaluable for those wishing to read his story in the original Latin Through careful glosses and notes Augustine s Latin is made accessible to students of patristics and of classics His extensive quotations from Scripture are

translated and explained in light of the variant Bible texts and the interpretative assumptions through which he came to understand them The unfolding of his career is set against the background of political cultural and religious change in the fourth century and the art with which he created a form of narrative without precedent in earlier Latin literature is illustrated in close detail

Ovid, Amores (Book 1) William Turpin, 2016-05-15 From Catullus to Horace the tradition of Latin erotic poetry produced works of literature which are still read throughout the world Ovid's Amores written in the first century BC is arguably the best known and most popular collection in this tradition Born in 43 BC Ovid was educated in Rome in preparation for a career in public services before finding his calling as a poet He may have begun writing his Amores as early as 25 BC Although influenced by poets such as Catullus Ovid demonstrates a much greater awareness of the funny side of love than any of his predecessors The Amores is a collection of romantic poems centered on the poet's own complicated love life he is involved with a woman Corinna who is sometimes unobtainable sometimes compliant and often difficult and domineering Whether as a literary trope or perhaps merely as a human response to the problems of love in the real world the principal focus of these poems is the poet himself and his failures foolishness and delusions By the time he was in his forties Ovid was Rome's most important living poet his Metamorphoses a kaleidoscopic epic poem about love and hatred among the gods and mortals is one of the most admired and influential books of all time In AD 8 Ovid was exiled by Augustus to Romania for reasons that remain obscure He died there in AD 17 The Amores were originally published in five books but reissued around 1 AD in their current three book form This edition of the first book of the collection contains the complete Latin text of Book 1 along with commentary notes and full vocabulary Both entertaining and thought provoking this book will provide an invaluable aid to students of Latin and general readers alike This book contains embedded audio files of the original text read aloud by Aleksandra Szypowska
