Man From Plains The Mind And Spirit Of Jimmy Carter

Randall Balmer

Man From Plains The Mind And Spirit Of Jimmy Carter:

The Man from Plains David Kucharsky,1976 **Jimmy Carter, American Moral**ist Kenneth E. Morris,1997-10-01 In the first full scale biography of America's 39th president since 1980 Kenneth Morris shows readers that any conclusions about Carter's leadership and the adequacy of his challenges as a president cannot ignore the moral quandary that vexed the nation 35 photos *A Companion to Gerald R. Ford and Jimmy Carter* Scott Kaufman,2015-10-21 With 30 historiographical essays by established and rising scholars this Companion is a comprehensive picture of the presidencies and legacies of Gerald Ford and Jimmy Carter Examines important national and international events during the 1970s as well as presidential initiatives crises and legislation Discusses the biography of each man before entering the White House his legacy and work after leaving office and the lives of Betty Ford Rosalynn Carter and their families Covers key themes and issues including Watergate and the pardon of Richard Nixon the Vietnam War neoconservatism and the rise of the New Right and the Iran hostage crisis Incorporates presidential diplomatic military economic social and cultural history Uses the most recent research and newly released documents from the two Presidential Libraries and the State Department Jimmy and Rosalynn Carter E. Stanly Godbold, Jr.,2010-10-06 This dual biography of Jimmy and Rosalynn Carter the thirty ninth President and his wife chronicles their personal and professional relationships business and political success and rise to national power With a colorful cast of relatives and politicians it is a blueprint of how they would win the presidency and govern the nation Jimmy Carter, the Politics of Family, and the Rise of the Religious Right J. Brooks Flippen,2011 As Jimmy Carter ascended to the presidency the heir apparent to Democratic liberalism he touted his background as a born again evangelical Once in office his faith indeed helped form policy on a number of controversial moral issues By acknowledging certain behaviors as sinful while insisting that they were private matters beyond government interference J Brooks Flippen argues Carter unintentionally alienated both social liberals and conservative Christians thus ensuring that the debate over these moral family issues acquired a new prominence in public and political life The Carter era according to Flippen stood at a fault line in American culture religion and politics In the wake of the 1960s some Americans worried that the traditional family faced a grave crisis This newly politicized constituency viewed secular humanism in education the recognition of reproductive rights established by Roe v Wade feminism and the struggle for homosexual rights as evidence of cultural decay and as a challenge to religious orthodoxy Social liberals viewed Carter's faith with skepticism and took issue with his seeming unwillingness to build on recent progressive victories Ultimately Flippen argues conservative Christians emerged as the Religious Right and were adopted into the Republican fold Examining Carter's struggle to placate competing interests against the backdrop of difficult foreign and domestic issues a struggling economy the stalled Strategic Arms Limitation Talks disputes in the Middle East handover of the Panama Canal and the Iranian hostage crisis Flippen shows how a political dynamic was formed that continues to this day **The New Encyclopedia of Southern Culture** James W. Ely

Jr.,Bradley G. Bond,Charles Reagan Wilson,2014-02-01 Volume 10 of The New Encyclopedia of Southern Culture combines two of the sections from the original edition adding extensive updates and 53 entirely new articles In the law section of this volume 16 longer essays address broad concepts ranging from law schools to family law from labor relations to school prayer The 43 topical entries focus on specific legal cases and individuals including historical legal professionals parties from landmark cases and even the fictional character Atticus Finch highlighting the roles these individuals have played in shaping the identity of the region The politics section includes 34 essays on matters such as Reconstruction social class and politics and immigration policy New essays reflect the changing nature of southern politics away from the one party system long known as the solid South to the lively two party politics now in play in the region Seventy shorter topical entries cover individual politicians political thinkers and activists who have made significant contributions to the shaping of southern politics

The Presidency of James Earl Carter Junior Silvio Berardi,2016-12-30 This volume contains the proceedings of the International Conference The Presidency of James Earl Carter Junior Between Reformism Pacifism and Human Rights held in Rome on April 28 2016 at the Institute Santa Maria in Aquiro with the Senate of the Italian Republic patronage Forty years after his election to the White House it was deemed necessary to reflect on the political activity of a President little considered until now by the Italian historiography The Carter Presidency inspired since its inception by a predominant religious sentiment was marked by a clear break with the past Themes such as the respect for human rights dialogue with the historic Soviet enemy pacifism as a weapon of the Middle East problem resolution industrial development through a sustainable approach were introduced right from the thirty ninth occupant of the White House At the presidential elections of 1980 which saw him clash with the Republican Ronald Reagan Carter paid especially the failures of his reform and economic policy the US economic difficulties and the significant increase in the unemployment rate were the main reasons that cost him his reelection Reformism pacifism respect for human rights concepts that would continue to inspire Carter s policy despite the defeat against Reagan

The Carter Years Burton Ira Kaufman,2009 An A to Z reference guide to the people places policies and events significant during the presidency of Jimmy Carter

The Presidency of James Earl Carter, Jr Burton Ira Kaufman,Scott Kaufman,2006 A thoroughly revised updated and newly illustrated version of the Gaddis Smith called the best book on the totality of the Carter presidency The new edition includes more on the former president s foreign and environmental policies and expands coverage of the personal Carter as well as his wife Rosalyn s activist role during his administration

Faith and the Presidency From George Washington to George W. Bush Gary Scott Smith,2006-10-12 Publisher description

The New Encyclopedia of Southern Culture Charles Reagan Wilson,2014-02-01 Providing a chronological and interpretive spine to the twenty four volumes of The New Encyclopedia of Southern Culture this volume broadly surveys history in the American South from the Paleoindian period approximately 8000 B C E to the present In 118 essays contributors cover the turbulent past of the region that has witnessed frequent racial

conflict a bloody Civil War fought and lost on its soil massive in and out migration major economic transformations and a civil rights movement that brought fundamental change to the social order Charles Reagan Wilson's overview essay examines the evolution of southern history and the way our understanding of southern culture has unfolded over time and in response to a variety of events and social forces not just as the opposite of the North but also in the larger context of the Atlantic World Longer thematic essays cover major eras and events such as early settlement slave culture Reconstruction the New Deal and the rise of the New South Brief topical entries cover individuals including figures from the Civil War the civil rights movement and twentieth century politics and organizations such as the Southern Christian Leadership Conference Daughters of the Confederacy and Citizens Councils among others Together these essays offer a sweeping reference to the rich history of the region

Historical Dictionary of the Carter Era Diane Kaufman, Scott Kaufman, 2013-02-28 James Earl Carter Jr better known as Jimmy Carter was not the greatest or most popular president of the United States but he did accomplish quite a lot in the fields of civil rights energy and foreign policy during his term from 1977 to 1981 However the economy fared badly and he lost face in his dealings with Iran So when he left after one term he was not greatly missed or so it seemed For after the presidency he made an amazing comeback as a diplomat and trouble shooter in international crises becoming an amazing ex president And even the earlier views of his presidency have been improving at least he did not get the country into a war This rather special trajectory is explained in the Historical Dictionary of the Carter Era with an obvious focus on his term as president His run for the presidency and what he did during his term in office is traced carefully by the chronology The introduction takes a longer view and also puts events in a broader context Then the dictionary section with hundreds of detailed and cross referenced entries tells us more about his policy in various fields but also how America changed culturally and socially during this period The extensive bibliography points toward further information although this book is certainly a good starting point and also a place to refresh one's memory

Redeemer, Second Edition Randall Balmer, 2024-05-21 This illuminating biography of our thirty ninth president by an acclaimed historian of American religion presents Jimmy Carter as the last great standard bearer of progressive evangelical politics Evangelical Christianity and conservative politics are commonly viewed today as inseparable But when Carter a Democrat and unabashed born again Christian won the presidency in 1976 he owed his victory in part to American evangelicals Yet four years later those very same voters abandoned Carter for Ronald Reagan and the Republican Party signaling the eclipse of Christian progressivism by the Religious Right Balmer briskly narrates Carter's religious and political development his stunning rise from peanut farmer to Georgia governor to president of the United States his accomplishments and missteps and his swift fall from political grace With a keen eye for the dynamic politics of the 1970s and 80s and the inner workings of right wing religious organizing Balmer provides a compelling account of an often misunderstood moment in American political history full of insight into the character and motivations of the nation's longest lived president Now in paperback for the first time this

edition includes a new afterword on the forces that led to Carter's 1980 defeat and the ways his policy priorities and values extended to his long career as a humanitarian and activist after leaving the White House

The Presidential Character

James David Barber, 2017-10-03 Dr James David Barber's well known provocative examination of who has the potential to be voted into the highest office in the land and why is being reissued as the newest addition to the Longman Classics in Political Science series Arguing that patterns in a person's character world view and style can allow us to anticipate their performance as president The Presidential Character offers explanations and predictions of the performance of presidents and presidential candidates Drawing on historical biographical and psychological research Dr Barber hoped to help voters make judicious choices in determining the country's highest leaders Revisiting this classic work in today's important presidential election season begs a reconsideration of Barber's probing and enduring query What should we look for in a president

Black Messiahs and Uncle Toms

Wilson Jeremiah Moses, 2010-11-01

The Age of Evangelicalism

Steven Patrick Miller, 2014 At the start of the twenty first century America was awash in a sea of evangelical talk The Purpose Driven Life Joel Osteen The Left Behind novels George W Bush Evangelicalism had become so powerful and pervasive that political scientist Alan Wolfe wrote of a sense in which we are all evangelicals now Steven P Miller offers a dramatically different perspective the Bush years he argues did not mark the pinnacle of evangelical influence but rather the beginning of its decline The Age of Evangelicalism chronicles the place and meaning of evangelical Christianity in America since 1970 a period Miller defines as America's born again years This was a time of evangelical scares born again spectacles and battles over faith in the public square From the Jesus chic of the 1970s to the satanism panic of the 1980s the culture wars of the 1990s and the faith based vogue of the early 2000s evangelicalism expanded beyond churches and entered the mainstream in ways both subtly and obviously influential Born again Christianity permeated nearly every area of American life It was broad enough to encompass Hal Lindsey's doomsday prophecies and Marabel Morgan's sex advice Jerry Falwell and Jimmy Carter It made an unlikely convert of Bob Dylan and an unlikely president of a divorced Hollywood actor As Miller shows evangelicalism influenced not only its devotees but its many detractors religious conservatives secular liberals and just about everyone in between The Age of Evangelicalism contained multitudes it was the age of Christian hippies and the silent majority of Footloose and The Passion of the Christ of Tammy Faye Bakker the disgraced televangelist and Tammy Faye Messner the gay icon Barack Obama was as much a part of it as Billy Graham The Age of Evangelicalism tells the captivating story of how born again Christianity shaped the cultural and political climate in which millions of Americans came to terms with their times

Redeemer Randall Balmer, 2014-05-13 Discusses how the progressive principles of a born again Evangelical

Christian peanut farmer which included racial justice women's rights and concern for the plight of the poor won the presidency in 1976 a sharp contrast to today's conservative views of the Religious Right 25 000 first printing

U.S.

Presidents as Orators Halford R. Ryan, 1995-06-27 This first systematic critique on the rhetoric of 21 presidents shows how

political constraints shaped rhetoric and how oratory shaped politics An introduction places American public address in the context of classical rhetorical practices and theory and sets the stage for the bio critical essays about presidents ranging from Washington to Clinton Experts analyze the style and use of language important speeches and their impact and their ethical ramifications Each essay on a president also keys major speeches to authoritative texts and offers a chronology and bibliography of primary and secondary sources For students teachers and professionals in American public address political communication and the presidency

America's Royalty Sanford Kanter, Sandra Quinn-Musgrove, 1995-08-30 A comprehensive work about the first families children this is the only book available that treats these privileged few at any depth The reading is enjoyable answering questions such as What happened to and Did this president have any children The book also is informative glimpsing the lives of a few who have been shoved into the limelight at a certain period and for generations to come Historically the work functions sometimes as a period piece sometimes as a human interest piece but it always serves to help bring to life our first families Included where possible and or appropriate are the vital statistics of birth marriage education development profession and death The book is a good read but it also serves an historical function Aside from the fact that the book is informative reading about the lives of the children of America s chief executives is like peering into a moment of the American equivalent of royalty Observing the exciting painful humdrum and heartfelt experiences of both the children and the families may also serve to increase the reader s understanding of the real lives of these emulated families that they too lead lives that are similar to every person s except that they are in the historical spotlight After all leaders such as Lincoln and Kennedy were forced to continue governing the affairs of state as their sons died

The Future Almost Arrived Itai Nartzizenfeld Sneh, 2008 This book is a study of Jimmy Carter s career his approach to human rights his formulation of goals and his practices before during and after his presidency with a focus on the extent to which the promotion and protection of human rights influenced his actions at home and abroad Historians underestimate the uniqueness of the juncture in the 1970s when Carter missed an opportunity to change priorities in American diplomacy a misreading that might be explained by the disparity between Carter s agenda and the reality created by his administration s record This book identifies and examines how Carter s ambitious words and promising ideals did not translate into policy though his intentions were noble At a pivotal moment his administration adopted human rights as a tenet for foreign policy but Carter did not design imaginative guidelines or prescribe new practices to advance this theme The Future Almost Arrived illuminates how had Carter succeeded in recruiting senior staff to support and implement an innovative agenda the result might have been an overhaul of U S foreign policy with human rights at its center which by improving his chances for re election would have changed the course of history

Man From Plains The Mind And Spirit Of Jimmy Carter Book Review: Unveiling the Magic of Language

Man From Plains The Mind And Spirit Of Jimmy Carter Introduction

In today's digital age, the availability of Man From Plains The Mind And Spirit Of Jimmy Carter books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Man From Plains The Mind And Spirit Of Jimmy Carter books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Man From Plains The Mind And Spirit Of Jimmy Carter books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Man From Plains The Mind And Spirit Of Jimmy Carter versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Man From Plains The Mind And Spirit Of Jimmy Carter books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Man From Plains The Mind And Spirit Of Jimmy Carter books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Man From Plains The Mind And Spirit Of Jimmy Carter books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Man From Plains The Mind And Spirit Of Jimmy Carter books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Man From Plains The Mind And Spirit Of Jimmy Carter books and manuals for download and embark on your journey of knowledge?

FAQs About Man From Plains The Mind And Spirit Of Jimmy Carter Books

1. Where can I buy Man From Plains The Mind And Spirit Of Jimmy Carter books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
