Mysteries and Secrets of Voodoo, Santeria, and Obeah Patricia Fanthorpe,2008-07-28 The secrets of Santeria Voodoo and Obeah are among the oldest enigmas in the world Their roots go back to pre historic Africa perhaps even beyond that From the 16th century onwards the slave trade brought these ancient mysteries to the West where they blended strangely with traditional Christianity the ancient African gods became identified with legendary saints This integration of the two faiths slowly evolved to form the many varieties of Santeria Obeah and Voudoun that are widely practiced throughout the world today Their characteristic dancing and drumming seem able to invoke strange states of mind in which almost anything is possible Even stories of zombies the walking dead still persist Is there a rational explanation for them Contemporary Voudoun priests priestesses magicians and enchanters use rare herbs and spices as well as charms dolls and talismans to control the natural world in ways that science cannot always explain Accounts of their inexplicable successes are examined in depth Most intriguing of all are the claims that are made for their love philtres and aphrodisiacs What powers do these old religions still possess

Christ's Will Samael Aun Weor,2025-01-01 Throughout the aeons fear and the longing for security enslaved the body of will turning it into a personal defensive barrier Fear and the longing for security have transformed human will into a wretched victim The moment has arrived to liberate your human will from the horrible prejudices and tenebrous ancestral fear and tendencies Rejoice oh buddha since now your human will shall become Christ s will Christ s will is heroic Christ s will only bows and kneels before the will of the Father Samael Aun Weor Those who have completed the first four Initiations of Major Mysteries must begin the fifth the creation of the causal body which is related with willpower Through the first four initiations the initiate raised the kundalini in the physical body vital body astral body and mental body making the Innermost a Buddha Now with the fifth serpent of fire the will of the Human Soul Tiphereth must reflect the will of the Father Chesed so that the will of Christ can be finally emerge As the kundalini rises through each vertebra of the spinal column the initiate must pass tests that are symbolized in the first thirty three arcana of the Tarot When completed the human will becomes Christ s will Then one is prepared for the incarnation of Christ and the entrance into the straight path the path of the bodhisattva upon which as Christ s will one performs greats sacrifices for suffering humanity The fundamental objective of our esoteric studies is to reach Christification The inner Christ is what counts

Unfortunately people only think about an historical Christ and this is how they separate themselves from reality They forget that Christ is what is which always has been and what will always be They forget that Christ is the life that beats in each atom as it beats in each Sun They forget that Christ vibrates from instant to instant from moment to moment To incarnate Christ is fundamental Samael Aun Weor **How to Find God When You've Looked Everywhere** W. Dee

Kennedy,2020-04-25 How to Find God details a uniquely different way to become connected with God to abide with God and to walk with God It is about salvation and sanctification It is about becoming one with our Lord It is about Holiness None of the other countless volumes that have been written about these subjects are like this We must be in Christ and have Christ in us personally It downplays religion in our lives and concentrates on the power of the Gospel within us and our relationship with Jesus We do not change through behavior modification Praying earnestly for willpower will not make us holy The Holy Spirit must change our hearts This message focuses on Christ in us the hope of glory This is the power for change This book helps the reader to understand the three relationships that God wants with us the saving relationship the abiding relationship and the cleansing relationship It relates how our knowledge and growth with our Lord is based on back and forth communication through the Holy Spirit Our Lord does not use a magic wand to change us and to restore our souls He must have our participation As we take part we will become one with him It is not a theological study it is a book for the heart and intended for those who truly desire a powerful and life changing relationship with Jesus **Cracking the Mystery of**
