Mysterious Britain:

Mysterious Britain Janet Bord, Colin Bord, 1973 **Mysterious Britain** Homer Sykes, 1993 **Mysterious Britain** Homer Sykes, 1998 Throughout the length and breadth of Britain ancient tribes druids Celtic Saints Medieval Knights and 18th century landowners have left future generations a wealth of extraordinary sights scapes and structures Homer Sykes superb and evocative photographs record these marvels in full colour while his informative text relates their history and the legends and folktales that surround them dancing maidens and unfortunate princes turned to stone in Devon and Cornwall water made holy by the Gilded skull of Saint Teilo in Wales and the witch who milked the Giant cow in Mitchells fold Shropshire **The World's Most Mysterious Objects** Patricia Fanthorpe, 2002-10-01 Objects can carry romantic myths embody dangerous curses or provide links to our past Some mysterious items like the Hope Diamond can still be found today while others like the Philosophers Stone have vanished into the mists of time Gifted and sensitive psychometrists can apparently pick up an object and learn many things about its past and its previous owners *The World's Most Mysterious Objects* provides a glimpse into these enigmas exploring everything from psychic weapons and spiritual icons to alchemical experiments and strange devices With this intriguing book find out what secrets the world could be hiding **Mysteries and Secrets: The 16-Book Complete Codex** Patricia Fanthorpe, Lionel Fanthorpe, 2014-11-12 This special 16 book bundle collects fearless investigations into the paranormal from the pens of Lionel and Patricia Fanthorpe who for several decades been researching and writing about ancient and eternal mysteries Their entertaining and thought provoking works span numerous topics from numerology freemasonry voodoo satanism and witchcraft to the very nature of death and time Additionally they have produced numerous volumes examining the great unexplained mysteries and places of history including *The Bible* European castles strange murders arcane objects of power the mysterious depths of the sea and remarkable people Take a strange and beautiful trip to the mystical side of life in this special set Includes *Death Mysteries* and *Secrets of Numerology* *Mysteries and Secrets of the Masons* *Mysteries and Secrets of the Templars* *Mysteries and Secrets of Time* *Mysteries and Secrets of Voodoo* *Santeria and Obeah* *Satanism and Demonology* *Secrets of the World's Undiscovered Treasures* *The Big Book of Mysteries* *The Oak Island Mystery* *The World's Greatest Unsolved Mysteries* *The World's Most Mysterious Castles* *The World's Most Mysterious Murders* *The World's Most Mysterious Objects* *The World's Most Mysterious People* *Unsolved Mysteries of the Sea* **The World's Greatest Unsolved Mysteries** Lionel Fanthorpe, Patricia Fanthorpe, 1997-09 Accompany the Fanthorpes on their intriguing investigations in Canada and worldwide through years of research into the unexplained **How Antigravity Built the Pyramids** Nick Redfern, 2025-09-12 Discover the Lost Secrets of the Ancients and the Time When Stones Floated High over Egypt Throughout history folklore and mystery tales have circulated of massive stones being moved through the air effortlessly by sound Bizarre Well yes it is That doesn't take away the fact that sound was and still remains the key to the construction of

the pyramids of Egypt Stonehenge the stone figures of Easter Island and the massive stones at Baalbek Lebanon Were they the work of ancient humans or of equally ancient extraterrestrials How Antigravity Built the Pyramids delves into specific stories and theories A 9th century story of a mysterious papyrus with the power to move large stones at the Giza Necropolis The Mayan story of the construction of the Pyramid of the Magician said to be overseen by a small humanoid who could whistle large stones into place Native American stories of ancient priests being able to make stones light to move easily Author Nick Redfern argues it was not literally music and whistling that somehow raised large stones but both have one thing in common sound Acoustics Almost certainly acoustic levitation was at the heart of these incredible feats The truth of the science behind acoustic levitation was lost and forgotten for ages with little more left than fanciful tales of music whistles a curious papyrus and strange metal rods that could achieve incredible feats in the air Today we are finally starting to get a grasp on this incredible technology a technology that may have been the work of ancient humans aliens from faraway worlds or perhaps a combination of the two

Roman Britain's Missing Legion Simon Elliott,2021-03-15 Examines all the possible fates of the famous IX legion takes you on a fascinating detective journey through all the corners of the Roman Empire History The Interesting Bits Legio IX Hispana had a long and active history later founding York from where it guarded the northern frontiers in Britain But the last evidence for its existence in Britain comes from AD 108 The mystery of their disappearance has inspired debate and imagination for decades The most popular theory immortalized in Rosemary Sutcliffe s novel *The Eagle of the Ninth* is that the legion was sent to fight the Caledonians in Scotland and wiped out there But more recent archaeology including evidence that London was burnt to the ground and dozens of decapitated heads suggests a crisis not on the border but in the heart of the province previously thought to have been peaceful at this time What if IX Hispana took part in a rebellion leading to their punishment disbandment and damnatio memoriae official erasure from the records This proposed Hadrianic War would then be the real context for Hadrian s visit in 122 with a whole legion VI Victrix which replaced the vanished IX as the garrison at York Other theories are that it was lost on the Rhine or Danube or in the East Simon Elliott considers the evidence for these four theories and other possibilities A great and fascinating read a page turner The book offers some interesting and intriguing ideas around the fate of the Ninth Irregular Magazine An historical detective story pursued with academic rigour *Clash of Steel* A seminal and landmark study Midwest Book Review

Roman Legionaries Simon Elliott,2020-01-10 A concise and entertaining history of the Roman legionary from the age of Augustus through the heyday of the Roman Empire The might of Rome rested on the back of its legions the superbly trained and equipped fighting force with which the imperial Roman army conquered subdued and ruled an empire for centuries The legionary soldier served for 20 years was rigorously trained highly equipped and motivated by pay bonuses and a strong sense of identity and camaraderie Legionaries wore full body armor and carried a shield as well as two javelins a sword and a dagger In battle they hurled their javelins and then immediately drew their swords and charged to close combat with the enemy They were the finest heavy infantrymen of antiquity and a massed legionary charge was a fearsome sight In *The Roman Legionaries* Simon Elliott author of *Julius Caesar Rome s Greatest Warlord* provides an introduction to these elite soldiers including their training tactics weapons the men themselves life on and off the battlefield as well as significant

triumphs and disasters in the great battles of the era England's Green David Matless,2024-08-12 A sweeping history of how ecological challenges have shaped English society over the last sixty years England's Green explores how environmental concerns have shaped and reflected English national identity since the 1960s From agriculture to leisure climate change folklore archaeology and religion David Matless shows how national environmental debates connect to the local regional global and postcolonial worlds Moving across a breadth of material including government policy popular music ecological polemic and television comedy England's Green shows the richness and complexity of English environmental culture Along the way Matless tracks how today's debates over climate and nature land and culture have been molded by events over the past sixty years **Ancient Crosses of the Three Choirs Counties** Marion Freeman,2009-09-29 Crosses are a

quintessential part of the English countryside Whether standing proud in the village market place or hidden beneath ivy in a forgotten corner of the churchyard each has its own story to tell Many of these crosses have ancient origins dating back to a time when wandering preachers were making the push to convert a wary pagan population whilst others are far more modern often serving as memorials to the dead of the two world wars Many were disfigured by the fervent Puritanism of the Commonwealth period whilst others have been rebuilt and redesigned to such an extent that they no longer resemble a traditional cross at all The countryside cross is also more than just a religious symbol many act as signposts boundary markers or meeting places Gloucestershire Herefordshire and Worcestershire often known as the Three Choirs Counties are blessed with a plethora of these crosses Here Marion Freeman provides the reader with a wealth of information drawn from years of in depth research and visits to all of the sites listed Also included is a gazetteer section explaining the location and brief history of the crosses in each region a map reference is given to help the reader seek out these intriguing monuments for themselves **The Lore of Scotland** Sophia Kingshill,The Estate of Jennifer Westwood,2012-08-30 A lovely compilation

It's the real macabre Terry Pratchett An impressive folkloric travel guide Times Literary Supplement Scotland's rich past and varied landscape have inspired an extraordinary array of legends and beliefs In The Lore of Scotland Jennifer Westwood and Sophia Kingshill bring together many of the finest and most intriguing stories of heroes and bloody feuds tales of giants fairies and witches and accounts of local customs and traditions Their range extends right across the country from the Borders with their haunting ballads via Glasgow site of St Mungo's miracles to the fateful battlefield of Culloden and finally to the Shetlands home of the seal people More than simply retelling these stories The Lore of Scotland explores their origins showing how and when they arose and investigating what basis if any they have in historical fact In the process it uncovers the events that inspired Shakespeare's Macbeth probes the claim that Mary King's Close is the most haunted street in Edinburgh and examines the surprising truth behind the fame of the MacCrimmons Skye's unsurpassed bagpipers Moreover it reveals how generations of Picts Vikings Celtic saints and Presbyterian reformers shaped the myriad tales that still circulate and from across the country it gathers together legends of such renowned figures as Sir William Wallace St

Columba and the great warrior Fingal The result is a thrilling journey through Scotland's legendary past and an endlessly fascinating account of the traditions and beliefs that play such an important role in its heritage This is a well researched book exploring the rich folklore of Scotland The breadth and range of this book is wide Amusing and erudite it's also an excellent guide to local variations in Scottish culture The Sunday Telegraph A fascinating read which looks at mythical beings from kelpies and waterhorses to modern day vampires Scottish Sunday Mail **Arthurian Literature and Society** S.

Knight,1983-12-15 **Sutton Companion to the Folklore** Alexander Barrie,2005-11-24 Britain's rich and varied folklore legends and beliefs provide an insight into the island's history Every invader refugee or settler has helped contribute some new element or twist to the complex pattern of our national heritage This volume provides a comprehensive companion to legends and customs in England Scotland Wales and Ireland **King Arthur** Nicholas J. Higham,2018-11-20 A leading medievalist takes a clear eyed look at the evidence for the existence of the legendary Arthur The Sunday Times Best Paperbacks of 2021 According to legend King Arthur saved Britain from the Saxons and reigned over it gloriously sometime around A D 500 Whether or not there was a real King Arthur has all too often been neglected by scholars most period specialists today declare themselves agnostic on this important matter In this erudite volume Nick Higham sets out to solve the puzzle drawing on his original research and expertise to determine precisely when and why the legend began Higham surveys all the major attempts to prove the origins of Arthur weighing up and debunking hitherto claimed connections with classical Greece Roman Dalmatia Sarmatia and the Caucasus He then explores Arthur's emergence in Wales up to his rise to fame at the hands of Geoffrey of Monmouth Certain to arouse heated debate among those committed to defending any particular Arthur Higham's book is an essential study for anyone seeking to understand how Arthur's story began Likely to be the definitive text on the legendary warrior for the foreseeable future With his profound knowledge of the rules of historical narrative and patient but forensic analysis of the evidence Higham's riveting book brings the historical Arthur to what may be his last decisive battle Max Adams author of The First Kingdom Fascinating authoritative analysis P D Smith The Guardian Intelligent and eminently readable For fans of a fascinating story that is wonderfully well told this is the perfect book to take you back to King Arthur's time All About History

Mysterious Britain Introduction

In today's digital age, the availability of Mysterious Britain books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Mysterious Britain books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Mysterious Britain books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Mysterious Britain versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Mysterious Britain books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Mysterious Britain books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Mysterious Britain books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library.

lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Mysterious Britain books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Mysterious Britain books and manuals for download and embark on your journey of knowledge?
