Mystery Or Magic A About The Sacraments Of The Christian Church:

Mystery Or Magic G.H. Grose,E.F. Grose,2000 **A General Doctrine of the Sacraments and the Mystery of the Eucharist** Johann Auer,1995 In A General Doctrine of the Sacraments Johann Auer aims to achieve a deeper understanding of the inner structure of the sacraments and of how they determine the structure of our Christian existence In The Mystery of the Eucharist Auer takes account of the biblical historical and theological aspects of the Church s teaching on the Eucharist

The Sacraments of the Law and the Law of the Sacraments Judith Hahn,2023-11-23 Sacraments are powerful actions With their help law religion and other social practices change our social world *The Church's Debt to Heretics* Rufus M. Jones,2008-03-01 **A Theology for Artisans of a New Humanity, Volume 1** Juan L. Segundo,2011-05-13 A THEOLOGY FOR ARTISANS OF A NEW HUMANITY *The Church Quarterly Review* Arthur Cayley Headlam,1896 **The History and Mystery of Baptismal Regeneration, and Its Connection with the Church of England; Or, the Controversy Examined and Summed Up** William PALMER (Baptist Minister.),1865 **Gnostic Religion in Antiquity** Roelof van den Broek,2013-01-24 Gnostic religion is the expression of a religious worldview which is dominated by the concept of Gnosis an esoteric knowledge of God and the human being which grants salvation to those who possess it Roelof van den Broek presents here a fresh approach to the gnostic current of Late Antiquity within its historical and religious context based on sources in Greek Latin and Coptic including discussions of the individual works of preserved gnostic literature Van den Broek explores the various gnostic interpretations of the Christian faith that were current in the second and third centuries whilst showing that despite its influence on early Christianity gnostic religion was not a typically Christian phenomenon This book will be of interest to theologians historians of religion students and scholars of the history of Late Antiquity and early Christianity as well as specialists in ancient gnostic and hermetic traditions **Fragments Of A Faith Forgotten** G. R. S. Mead,2013-11-08 The writing of the present work has been a congenial task to Mr Mead and he has brought to bear lovingly and zealously upon the portraiture of the figure of Christ and of early Christianity all the knowledge which a deep study of Oriental religions from their emotional side could furnish The outset that there is very little of what is commonly regarded as the Theosophic method apparent in the work which is the product of a scholarly though withal very devotional spirit Mr Mead s aim has been to enable the reader to obtain a glimpse of a world of which he has never heard at school and of which no word is ever breathed from the pulpit to take him away from the pictures which the rationalists and the apologists have presented and to enable him to obtain an unimpeded view of that wonderful panorama of religious strife which the first two centuries of our era presented He will here see a religious world of immense activity a vast upheaval of thought and a strenuousness of religious endeavor to which the history of the Western world gives no parallel Thousands of schools and communities on every hand striving and contending a vast freedom of thought a mighty effort to live the religious life Here he finds innumerable points of contact with other religions he moves in an atmosphere of freedom of which he has previously

had no experience in Christian tradition Who are all these people not fishermen and slaves and the poor and destitute though those are striving too but these men of learning and ascetic life saints and sages as much as many others to whom the name has been given with far less reason **The Harvard Theological Review**, 1917 A Dictionary of Christ and the Gospels James Hastings, John Alexander Selbie, John Chisholm Lambert, 1908 A Dictionary of Christ and the Gospels James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a preacher's dictionary The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852-1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church Baptism, Superstitions, and the Supernatural Lesley George Anderson, 2022-07-07 Baptism Superstitions and the Supernatural by Rev Dr Lesley G Anderson is a book uniquely and unquestionably one of the most informative and remarkable of its type The sacrament of baptism is undoubtedly to this day an exceedingly controversial sacrament of the Christian Church The continuing differing debates arguments and views about adult believers versus infant baptism are examined Superstitions and the supernatural associated with this sacrament are given adequate attention in addition to the many other informative factors relating to this sacrament Further this sacrament is examined as a scriptural psychological theological and social reality The introduction of baptism as a liturgical phenomenon highlights the educational quality of this book as it takes the reader into the interesting and fascinating areas of baptism of blood baptism by fire baptism of the dead baptism of the Holy Spirit and baptism in the name of Jesus only In addition this book brings to the fore an intrinsic excitement and understanding about the symbols and symbolism's images and mysteries signs and wonders associated with this sacrament The role of the Holy Spirit and the centrality of Jesus in the

baptismal act are of importance recognized If symbolically baptism means dying to sin and rising to new life with Christ does this apply only to adult believers This book explores the question against the background of research conducted in the Central American country of Belize that unearthed the views and beliefs of laypersons The reach of the work extends beyond Belize and Methodist traditions are compared with contrasting beliefs and practices of other denominations Popular superstitions associated with baptism are also explored as well as the impact of African cultural practices on Christian theology in the lived experience of Caribbean peoples Although this research was conducted in Belize it is borderless and boundless Of vital interest is the exploration of this sacrament in African religious beliefs and cultural practices According to Professor Neville Duncan former director of the Sir Arthur Lewis Institute of Social and Economic Studies at the University of the West Indies Mona Jamaica the book is theologically and sociologically stimulating while written from the Methodist perspective the issues raised will resonate with all Christian denominations All denominations noted in this book are given their due respect regardless of their beliefs and or baptismal practices
