Mysticism and Morality Richard H. Jones,2004-01-01 In Mysticism and Morality author Richard Jones explores an often neglected question of religious ethics Is mysticism moral Through a discussion of several religious traditions including Hinduism Jainism Buddhism Tantrism Daoism and Christianity Jones fills a major void in the scholarly literature by considering all relevant points pertaining to mysticism Rather than looking at mysticism abstractly the book focuses on such topics as ritual practice

Mulgan,2015-10-22 Two familiar worldviews dominate Western philosophy materialist atheism and the benevolent God of the Abrahamic faiths Tim Mulgan explores a third way Ananthropocentric Purposivism claims that there is a cosmic purpose but human beings are irrelevant to it Purpose in the Universe develops a philosophical case for Ananthropocentric Purposivism that it is at least as strong as the case for either theism or atheism The book borrows traditional theist arguments to defend a cosmic purpose These include cosmological teleological ontological meta ethical and mystical arguments It then borrows traditional atheist arguments to reject a human centred purpose These include arguments based on evil diversity and the scale of the universe Mulgan also highlights connections between morality and metaphysics arguing that evaluative premises play a crucial and underappreciated role in metaphysical debates about the existence of God and Ananthropocentric Purposivism mutually supports an austere consequentialist morality based on objective values He concludes that by drawing on a range of secular and religious ethical traditions a non human centred cosmic purpose can ground a distinctive human morality Our moral practices our view of the moral universe and our moral theory are all transformed if we shift from the familiar choice between a universe without meaning and a universe where humans matter to the less self aggrandising thought that while it is about something the universe is not about us *Asura Continent* Ban MuFangTang,2021-07-05

Perhaps for Lu Yang fate is unfair He is the childe of the Lu family but also the most humble illegitimate of the Lu family The father and his principal wife lived in the exquisite courtyard but Lu Yang and his mother who were abandoned by the family lived in the most deserted cottage Lu Yang did not understand literature nor did he have the martial cultivation Even if he is ridiculed as a waste by the people there is no way That year Lu Yang was humiliated and lost his loved ones Now returning from the Asura world Lu Yang wants to change all of this and let Heaven and Earth submit to his feet About the Author Banmu Pond is an excellent fantasy novel writer He has written a total of eight novels including *Asura Continent* *Piggy s School Years* *Yin and Yang Ghost Emperor* and so on The pen name of Banmu Pond was taken from the poem of Zhu Xi a poet of the Song Dynasty The author expressed his attitude towards reading and the pursuit of new knowledge If the Gods Are Not Crazy, Then Surely These Corporate Executives Are Alec Aaron,2014-09-16 A Trinidad born programmer analyst Alec Aaron recounts his difficult experiences obtaining a career in Corporate America Coming from a schooling background not

akin to that of the United States Aaron is often meant with confusion and distrust about his General Certificate of Education from the University of Cambridge in England a high school called Presentation College and the number of years he spent in high school Also the quality depth details contents and duration of his undergrad degree are treated with derision and disdain More troubles come in the workplace itself as Aaron seems often at the wrong end of a chain of blame even after past performance suggests otherwise Although Aaron has since gotten to the proverbial light at the end of the tunnel he offers his experiences in the hope that other non traditional job seekers will be more aware of the trials and tribulations of obtaining a position in Corporate America
