Greer,2023-03-28 A fascinating analysis of the most important work of occult philosophy in the 20th Century Dion Fortune s *The Cosmic Doctrine* is a foundational text which has been required reading for students of the occult since it was first published in 1956 In it she attempts to explain the meaning and evolution of the cosmos from the first beginnings to our lives today However the *The Cosmic Doctrine* isn t an easy book to read It s conciseness makes it hard going for every sentence requires close attention but the challenge it offers to its readers goes well beyond this In a phrase that has become famous in occult circles since its publication *The Cosmic Doctrine* is intended to train the mind not to inform it it attempts to

communicate to the reader an unfamiliar way of thinking and so a great deal of patience and hard work are required to grasp what it has to say Some of the difficulties however can be smoothed out by reframing and rephrasing the ideas Fortune presents and this is what this book aims to do John Michael Greer provides a learned and elucidating commentary on this classic text to allow students and teachers alike to more easily digest and understand this fantastic book **Dion Fortune's Book of the Dead** Dion Fortune,2025-09-12 This handbook helps the living assist the dying at the time of death It teaches that the living must first and foremost understand the process that the soul goes through before they can help the spirit in its transition Dion Fortune s Book of the Dead is a clear concise illuminating guide that explains the stages in the natural process of dying that each and every soul passes through from this world to the next Fortune shows how traditional customs connected with the passing of a soul have their roots in psychic fact For example we place candles and fresh flowers in the death chamber as soon as the soul has departed because they provide sufficient etheric emanations to meet the needs of the etheric double assisting in the soul s disentanglement from the physical Without the flowers and candles the etheric body will draw its vitality from any available source including grievers Loved ones in particular are susceptible to depletion and can be drained dry in their ignorance The living Fortune writes have two tasks to perform We must see to it that dust returns as swiftly and harmoniously as possible giving rise to none of the happenings which may be termed the pathologies of death and we ought to follow up the departing soul with the right kind of telepathic communication until it is safely established on the Other Side Glastonbury Dion Fortune,2000-01-15 A description of Glastonbury that remains one of the most evocative and poignant accounts of this wild yet holy place a power center polarizing with distant Jerusalem and linking and harmonizing the Christian way with the primeval and pagan past of England **Moon Magic** Dion Fortune,2003-06-01 First published in 1938 and 1956 neither Sea Priestess nor Moon Magic have been out of print and are enduring favorites among readers of esoteric fiction New packages will update these classic novels and introduce them to a new generation of readers
