Myth Of Desire Selected Lyrics:

Myth of Desire William W. Coventry, 2002-08-27 For over twenty years Bill Coventry has crafted hundreds of moving songs that reach deeply into listeners hearts With a poet s gift of imagination and language this selection of his lyrics express universal experiences and emotions Though intimate in nature these verses move and involve the reader sharing the secrets and truths underlying sorrow loss desire and joy Readers can also order custom made CDs of the songs that they find the most appealing *Plant Lore, Legends, and Lyrics Embracing the Myths, Traditions, Superstitions, and Folk-Lore of the Plant Kingdom* Richard Folkard, 2020-09-28 THE analogy existing between the vegetable and animal worlds and the resemblances between human and tree life have been observed by man from the most remote periods of which we have any records Primitive man watching the marvellous changes in trees and plants which accurately marked not only the seasons of the year but even the periods of time in a day could not fail to be struck with a feeling of awe at the mysterious invisible power which silently guided such wondrous and incomprehensible operations Hence it is not astonishing that the early inhabitants of the earth should have invested with supernatural attributes the tree which in the gloom and chill of Winter stood gaunt bare and sterile but in the early Spring hastened to greet the welcome warmth giving Sun by investing itself with a brilliant canopy of verdure and in the scorching heat of Summer afforded a refreshing shade beneath its leafy boughs So we find these men of old who had learnt to reverence the mysteries of vegetation forming conceptions of vast cosmogonic world or cloud trees overshadowing the universe mystically typifying creation and regeneration and yielding the divine ambrosia or food of immortality the refreshing and life inspiring rain and the mystic fruit which imparted knowledge and wisdom to those who partook of it So again we find these nebulous overspreading world trees connected with the mysteries of death and giving shelter to the souls of the departed in the solemn shade of their dense foliage Looking upon vegetation as symbolical of life and generation man in course of time connected the origin of his species with these shadowy cloud trees and hence arose the belief that humankind first sprang from Ash and Oak trees or derived their being from Holda the cloud goddess who combined in her person the form of a lovely woman and the trunk of a mighty tree In after years trees were almost universally regarded either as sentient beings or as constituting the abiding places of spirits whose existence was bound up in the lives of the trees they inhabited Hence arose the conceptions of Hamadryads Dryads Sylvens Tree nymphs Elves Fairies and other beneficent spirits who peopled forests and dwelt in individual trees not only in the Old World but in the dense woods of North America where the Mik amwes like Puck has from time immemorial frolicked by moonlight in the forest openings Hence also sprang up the morbid notion of trees being haunted by demons mischievous imps ghosts nats and evil spirits whom it was deemed by the ignorant and superstitious necessary to propitiate by sacrifices offerings and mysterious rites and dances Remnants of this superstitious tree worship are still extant in some European countries The Irminsul of the Germans and the Central Oak of the Druids were of the same family as the Asherah of the Semitic nations In

England this primeval superstition has its descendants in the village maypole bedizened with ribbons and flowers and the Jack in the Green with its attendant devotees and whirling dancers The modern Christmas tree too although but slightly known in Germany at the beginning of the present century is evidently a remnant of the pagan tree worship and it is somewhat remarkable that a similar tree is common among the Burmese who call it the Padaytha bin This Turanian Christmas tree is made by the inhabitants of towns who deck its Bamboo twigs with all sorts of presents and pile its roots with blankets cloth earthenware and other useful articles Myths & Texts Gary Snyder, 2013-08-10 Gary Snyder's second collection *Myths Texts* was originally published in 1960 by Totem Press It is now reissued by New Directions in this completely revised format with an introduction by the author The three sequences in the book Logging Hunting Burning show the remarkable cohesiveness in Snyder's writings over the years for we find the poet absorbed then as now with Buddhist and Amerindian lore and other interconnections East and West but above all with the premedical devotion to the land and work *Mathilde Blind: Selected Fin-de-Siècle Poetry and Prose* James Diedrick, 2021-11-12 Mathilde Blind's contributions to the New Woman and Decadent movements in the 1880s and 1890s placed her at the centre of fin de siècle literary culture She rose to prominence in the early 1870s both as an expert on and proponent of the poetry of Percy Bysshe Shelley and as one of the few women writers published in the *Dark Blue* 1871-73 an influential journal that featured the work of Britain's leading Pre-Raphaelites and aesthetes By the late 1880s she had established close associations with key figures of England's emergent Decadent communities from Vernon Lee and Rosamund Marriott Watson to Oscar Wilde and Arthur Symonds When her *Dramas in Miniature* appeared in 1891 she was fusing aestheticism and Decadence so distinctively in her poetry that Symonds evoked Charles Baudelaire in calling the dramatic monologues in the volume *flowers of evil* Her career thus highlights the connections between mid-Victorian aestheticism and late-century Decadence It also serves as an important corrective to the male-focused narratives that long dominated accounts of these movements In addition and because Blind was born in Germany of Jewish parents and part of a community of exiled European radicals her poetry and prose alike are characterized by a transnational cosmopolitan outlook that ranges across national borders and consistently engages with Continental writers and ideas This new edition for the first time brings together the three major volumes of poetry Blind published between 1889 and 1895 alongside a critical introduction and explanatory notes Because she was also an active reviewer and essayist throughout her career it includes a selection of her reviews as well as her essay *Shelley's View of Nature Contrasted with Darwin's* which serves as an important supplement to her 1889 volume *The Ascent of Man* The edition also features a selection of critical responses to Blind's writing by leading late-Victorian poets and critics

Selected Works Jakob Michael Reinhold Lenz, 2019 First representative English collection of the Sturm und Drang writer Lenz suited for the classroom and anyone interested in German literature the European Enlightenment or the theory and practice of theater Jakob Michael Reinhold Lenz 1751-1792 is after Goethe the most important writer of the German

Sturm und Drang Crucial in the reinvention of German literature through the reception of Shakespeare his works contain a scathing critique of the ethical political and sexual regimes then prevailing in German and Eastern European territories Both aesthetically and politically Lenz strongly influenced later German writers most notably Georg Bchner and Bertolt Brecht In Germany Lenz is still widely read and performed Given his importance and lasting reception it is surprising that many of his texts are not available in English While his best known dramas have been translated many of his essays have not and none of his stories or poems have been This is especially astonishing given the growth of English language Lenz scholarship over recent decades This volume contains new and in many cases first English translations of Lenz s most important plays stories essays and poems It is the first representative English collection of Lenz s works Providing reliable translations of Lenz s key writings and succinct glosses of historical and literary references this book is a valuable resource for classroom use and for anyone interested in German literature the European Enlightenment or the theory and practice of theater Martin Wagner is Assistant Professor of German at the University of Calgary Ellwood Wiggins is Assistant Professor of German at the University of Washington

The Eureka Myth Jessica Silbey,2014-12-17 Are innovation and creativity helped or hindered by our intellectual property laws In the two hundred plus years since the Constitution enshrined protections for those who create and innovate we re still debating the merits of IP laws and whether or not they actually work as intended Artists scientists businesses and the lawyers who serve them as well as the Americans who benefit from their creations all still wonder what facilitates innovation and creativity in our digital age And what role if any do our intellectual property laws play in the growth of innovation and creativity in the United States Incentivizing the progress of science and the useful arts has been the goal of intellectual property law since our constitutional beginnings The Eureka Myth cuts through the current debates and goes straight to the source the artists and innovators themselves Silbey makes sense of the intersections between intellectual property law and creative and innovative activity by centering on the stories told by artists scientists their employers lawyers and managers describing how and why they create and innovate and whether or how IP law plays a role in their activities Their employers business partners managers and lawyers also describe their role in facilitating the creative and innovative work Silbey s connections and distinctions made between the stories and statutes serve to inform present and future innovative and creative communities Breaking new ground in its examination of the U S economy and cultural identity The Eureka Myth draws out new and surprising conclusions about the sometimes misinterpreted relationships between creativity and intellectual property protections

The Pursuit of Myth in the Poetry of Frank O'Hara, Ted Berrigan and John Forbes Duncan Hose,2022-04-04 The Pursuit of Myth in the Poetry of Frank O Hara Ted Berrigan and John Forbes traces a tradition of revolutionary self mythologising in the lives and works of Frank O Hara Ted Berrigan and John Forbes as a significant trefoil in twentieth century English language poetry All three had untimely deaths excited a collective homage and developed cult followings that reverberate today This book tracks the transmission of the poem as

charm the poet as charmer and the reinstitution of troubadour erotics as a kind of social poetics Starting with Orpheus the book refreshes the myth of the poet as mythmaker examining how myths of self and nation are regenerated for the twenty first century and how persons as myths are made in community through coteries of artists and beyond Duncan Bruce Hose s critical vocabulary with its nucleus of mythos searches the edges of phenomenal enquiry closing in on the work of glamour aura charm possession phantasm the daemonic and the logic of haunting in the continuing being of these three poets as charismatic animals

America's Teenagers--Myths and Realities Sharon L. Nichols, Thomas L. Good, 2004-07-19 The media s presentation suggests that American teenage culture today is the most violent sexual and amoral youth culture in history In this book Nichols and Good deconstruct the negative images held by large numbers of adults Recognizing that many teenagers are left by adults to socialize themselves and the consequences of this careless indifference the authors goal is to influence a more positive view leading to stronger social policies and better services resources and programs to meet the needs of America s youth Unique features of America s Teenagers Myths and Realities Media Images Schooling and the Social Costs of Careless Indifference include powerful analytic lenses used to revisit typical depictions of youth a wealth of information brought to bear on understanding teenagers behavior and consideration of a broad range of adolescent behaviors across critical socializing settings The book begins with a discussion of the continuing myth of adolescence how and why youth are devalued and an overview of current beliefs about youth drawn from two 1990s Public Agenda Polls This is followed by chapters on youth and the media and the pressures that youth face in various dimensions of their lives Topics include youth violence the sex lives of teenagers tobacco alcohol drugs and teens healthy living and decision making working teens and youth and education The concluding chapter pulls together themes generated throughout the book and provides examples of policies that would underscore the value of viewing youth as a social investment General guidelines are provided for teachers parents policymakers and citizens to facilitate responding to youth in meaningful proactive ways that improve the quality of life for teenagers and the broader society

Oriental and Linguistic Studies: The East and West; religion and mythology; orthography and phonology; Hindu astronomy William Dwight Whitney,1874 **The East and West. Religion and mythology. Orthography and phonology. Hindu astronomy** William Dwight Whitney,1874 **Listening to the Sirens** Judith Peraino,2005-10-30

In this fresh and innovative study Judith A Peraino investigates how music has been used throughout history to call into question norms of gender and sexuality Beginning with a close examination of the mythology surrounding the sirens whose music seduced Ulysses into a state of mind in which he would gladly sacrifice everything for the illicit pleasures promised in their song Peraino goes on to consider the musical creatures musical gods and demigods musical humans and music addled listeners who have been associated with behavior that breaches social conventions She deftly employs a sophisticated reading of Foucault as an organizational principle as well as a philosophical focus to survey seductive and transgressive queerness in music from the Greeks through the Middle Ages and to the contemporary period Listening to the Sirens analyzes the musical ways in which queer individuals express and discipline their desire represent themselves build communities and subvert heterosexual expectations It covers a wide range of music including medieval songs works by Handel Tchaikovsky and Britten women s music and disco performers such as Judy Garland Melissa Etheridge Madonna and Marilyn Manson and the movies The Rocky Horror Picture Show and Hedwig and the Angry Inch

Re-Composing YouTube Jonas Wolf,2024-09-03 YouTube features a wide array of multimodal musical figurations including fan made music videos musical aestheticisations of pre circulating content and musical self performances Jonas Wolf explores open ended forms of musical creative relay on YouTube delving into formal imitative affective and non institutional aspects of networked media remix and self aestheticisation Beyond creating value for non

musical fields of discourse this study is directed at filling a gap in a largely ocularcentric domain of study It provides a concise theory of vernacular composition within our time s total digital archive that accounts for socio aesthetic phenomena and their relation to systems of knowledge control and discourse The Writer and the Overseas Childhood Antje M. Rauwerda,2014-01-10 What does Ian McEwan have in common with Barbara Kingsolver Or The Shack s William Paul Young with The Way the Crow Flies Ann Marie MacDonald All four spent significant portions of their formative years overseas as expatriates all four are third culture kids These authors share experiences of cultural and geographical displacement that fracture constructions of home and identity as their fiction attests This study surveys 17 authors with expat backgrounds to define third culture literature a burgeoning yet unrecognized branch of international writing characterized by expressions of dislocation loss and disenfranchisement By explicating how the shared cultural details of these writers emerge in literary themes and images this work introduces third culture literature as a separate field reinterpreting the work of major writers from across the globe *The Connoisseur* ,1925 **Filson Club Publications** ,1921 Comparative Youth Culture Mike Brake,2013-02-01 Mike Brake suggests that subcultures develop in response to social problems which a group experiences collectively and shows how individuals draw on collective identities to define themselves **A List of Books on Modern Ireland in the Public Library of the City of Boston** Boston Public Library,1921 **Genders, Races, and Religious Cultures in Modern American Poetry, 1908-1934** Rachel Blau DuPlessis,2001-01-11 In Genders Races and Religious Cultures in Modern American Poetries Rachel Blau Duplessis shows how through poetic language modernist writers represented the debates and ideologies concerning New Woman New Negro and New Jew in the early twentieth century From the poetic text emerge such social issues of modernity as debates on suffrage sexuality manhood and African American and Jewish subjectivities By a reading method she calls social philology a form of close reading inflected with the approaches of cultural studies Duplessis engages with the work of such canonical poets as Wallace Stevens Ezra Pound T S Eliot William Carlos Williams Gertrude Stein Marianne Moore and H D as well as Mina Loy Countee Cullen Alfred Kreymborg and Langston Hughes writers she claims still marginalized by existing constructions of modernism This book is an ambitious attempt to remap our understanding of modern poetries and poetics and the relationship between early twentieth century writing and society **Poems** W. B. Yeats,2019-11-19 W B Yeats Poems is a masterful collection that showcases the evolution of his poetic voice reflecting the intricate interplay of personal and political themes With a distinctive use of symbolism and lyrical cadence Yeats navigates through the realms of love nature mysticism and Irish identity Spanning multiple decades these poems illustrate his growth from the romantic ideals of the Irish Literary Revival to the profound explorations of existentialism and spirituality ultimately revealing the tension between the temporal and the eternal Born in 1865 in Dublin William Butler Yeats was deeply influenced by the cultural and political upheavals of his time notably the fight for Irish independence His experiences with the occult and his passionate involvement in the Irish nationalist movement

permeate his work intertwining personal longing with broader societal narratives Yeats intimate understanding of folklore and his philosophical musings provide a rich context that informs his choice of themes and forms in this anthology Poems is a must read for anyone seeking a deeper appreciation of modern poetry and Irish literature Yeats profound insights and evocative imagery make this collection a timeless reflection on the human experience Scholars students and poetry enthusiasts alike will find inspiration and depth within these pages inviting them to explore the complexities of art emotion and identity
