New American Review 3

Jacqueline Bobo

New American Review 3:

The New American Cyclopaedia: a Popular Dictionary of General Knowledge George Ripley, Charles Anderson Dana, 1864

Dr. Seuss Philip Nel, 2005-01-01 Philip Nel takes a fascinating look into the key aspects of Seuss's career his poetry politics art marketing and place in the popular imagination Nel argues convincingly that Dr Seuss is one of the most influential poets in America His nonsense verse like that of Lewis Carroll and Edward Lear has changed language itself giving us new words like nerd And Seuss's famously loopy artistic style what Nel terms an energetic cartoon surrealism has been equally important inspiring artists like filmmaker Tim Burton and illustrator Lane Smith from back cover

The American Review of Reviews Albert Shaw, 1921 The Long War Judy Kutulas, 1995 In the early 1930s the American Communist Party attracted support from a wide range of liberal and radical intellectuals partly in response to domestic politics and also in opposition to the growing power of fascism abroad *The Long War* a social history of these intellectuals and their political institutions tells the story of the rift that developed among the groups loosely organized under the umbrella of the Party representing communist supporters of the People's Front and those who would become anti Stalinists and the evolution of that rift into a generational divide that would culminate in the liberal anti communism of the post World War II era Judy Kutulas takes us into the debates and outright fights between and within the ranks of organizations such as the League of American Writers the John Reed Clubs the Committee for Cultural Freedom the American Civil Liberties Union and the National Committee for the Defense of Political Prisoners Showing how extremist views about the nature and value of communism triumphed over more moderate ones she traces the transfer of the left's leadership from one generation to the next She describes how supporters of the People's Front were discredited by the time of the Nazi Soviet Pact and how this opened the way for a new generation of leaders better known as the New York intellectuals In this shift Kutulas identifies the beginnings of the liberal anti communism that would follow World War II A book for students and scholars of the intersection of politics and culture *The Long War* offers a new informed perspective on the intellectual maneuvers of the American left of the 1930s and leads to a reinterpretation of the time and its complex legacy **Book Review Digest**, 1913

Encyclopedia of the American Novel Abby H. P. Werlock, 2015-04-22 Praise for the print edition no other reference work on American fiction brings together such an array of authors and texts as this **The William H. Gass Reader** William H. Gass, 2018 Selections from Gass's essays criticism commentary short stories and novels chosen by the author *Samuel Beckett's Legacies in American Fiction* James Baxter, 2021-11-30 Samuel Beckett's Legacies in American Fiction provides an overdue investigation into Beckett's rich influences over American writing Through in depth readings of postmodern authors such as Robert Coover Donald Barthelme Thomas Pynchon Don DeLillo Paul Auster and Lydia Davis this book situates Beckett's post war writing of exhaustion and generation in relation to the emergence of an explosive American avant garde In turn this study provides a valuable insight into the practical realities of Beckett's dissemination in America following the

author's long standing relationship with the countercultural magazine *Evergreen Review* and its dramatic role in redrawing the possibilities of American culture in the 1960s While Beckett would be largely removed from his American context this book follows his vigorous albeit sometimes awkward reception alongside the authors and institutions central to shaping his legacies in 20th and 21st century America **Documents, Including Messages and Other Communications** Ohio, 1890

Philip Roth Patrick Hayes, 2014-06-19 When we try to find words to express our most visceral and primary responses to literature we are often inclined to speak of its power But in academic contexts that intuitive feeling for the vividness energy and special intensity of literary experience is all too often subdued and exchanged for a supposedly more sophisticated discussion of its ethical or political significance Philip Roth has long thumbed his nose at the virtue racket as one of his characters called it and his fiction has repeatedly satirised the moralistic idiom that tends to rule the public discussion of literature In doing so he has earned the disapproval of an unusually wide range of university teachers and intellectuals Philip Roth *Fiction and Power* argues that Roth's importance derives precisely from his revaluation of what counts as sophisticated and serious in our response to literature As well as examining how Roth emerged as a writer and defining the main lines of influence on him the book measures his impact on the dominant ways of thinking about literary value in post war America Attention is given to particular questions about the place of emotion and affective experience the nature and value of tragedy the relevance of art to life the relationship between literature and the unconscious the concept of the author the idea of a literary canon and the ways that fiction illuminates America's complex post war history The book will be of importance to readers of modern American literature and indeed to anyone interested in why literature matters *The Critic* Jeannette

Leonard Gilder, Joseph Benson Gilder, 1896 **Dry Diplomacy** Lawrence Spinelli, 1989 *Dry Diplomacy* is the first complete treatment of the diplomatic ramifications of Prohibition Spinelli explores the widespread effects on international law shipping foreign policy and trade In this context American interests appeared to be pitted against those of Britain as she sought to recover from the First World War by expanding trade promoting domestic industries such as whiskey distilling and reasserting shipping dominance in the sea lanes American interference with international shipping undertaken in order to disrupt what Presidents Harding and Coolidge deemed British alcohol smuggling would lead to a diplomatic crisis in the mid 1920s **Engineering Magazine**, 1893 *Trübner's American and Oriental Literary Record* Nicolas Trübner, 1865

Catalog of Copyright Entries, 1911 ***Trübner's American and Oriental Literary Record***, 1865 *Catalogue of Title-entries of Books and Other Articles Entered in the Office of the Librarian of Congress, at Washington, Under the Copyright Law ... Wherein the Copyright Has Been Completed by the Deposit of Two Copies in the Office* Library of Congress. Copyright Office, 1968 *American Tax Resisters* Romain D. Huret, 2014-04-15 *American Tax Resisters* gives a history of the anti tax movement that for the past 150 years has pursued limited taxes on wealth and battled efforts to secure social justice through income redistribution It explains how a once marginal ideology became mainstream elevating

individual entrepreneurialism over sacrifice and solidarity Black Women Film and Video Artists Jacqueline Bobo, 1998
Black women film and video makers have been producing shorts documentaries and films since the early part of this century
Unfortunately not only has their work been overlooked by distributors but critical reviews have been few and far between
Conceived to redress that omission Black Women Film and Video Artists is the first comprehensive history and analysis of this
genre Gathered here are noted scholars and critics as well as the film video makers themselves who offer insight into the
work of underexplored artists The discussions range from pioneering to contemporary film makers and include artists such
as Madeline Anderson Monica Freeman Jacqueline Shearer Kathleen Collins Julie Dash Camille Billops Zeinabu irene Davis
and Michelle Parkerson among others Contributors include Jacqueline Bobo Carmen Coustaut Gloria J Gibson C A Griffith
Monique Guillory Carol Munday Lawrence O Funmilayo Makarah Ntongela Maselila Jacqueline Shearer P Jane Splawn
American Gardening , 1897
