Imperfectionist Aesthetics in Art and Everyday Life Peter Cheyne, 2022-12-30 This book presents interdisciplinary research on the aesthetics of perfection and imperfection Broadening this growing field it connects

the aesthetics of imperfection with issues in areas including philosophy music literature urban environment architecture art theory and cultural studies The contributors to this volume argue that imperfection has value in being open and inclusive The aesthetics of imperfection is typified by organic unpolished production and the avoidance of perfect finish instead representing living and natural change and opposing the consumerist concern with the flawless and pristine The chapters are divided into seven thematic sections After the first section on imperfection across the arts and culture the next three parts are on imperfection in the arts of music visual and theatrical arts and literature The second half of this book then moves to categories in everyday life and branches this further into body self and the person and urban environments Together the chapters promote a positive ethos of imperfection that furthers individual and social engagement and supports creativity over mere passivity Imperfectionist Aesthetics in Art and Everyday Life will appeal to a broad range of scholars and advanced students working in philosophical aesthetics literature music urban environment architecture art theory and cultural studies

The Transformative Power of Love Michael H. Mitias, 2020-02-17 This novel is a story of the transformative power of love of how Nick Mitya who was nourished by a patriarchal religiously bigoted sexually chauvinist materialist and hypocritical culture is transformed into a compassionate caring tolerant and honest human being This story is a vivid depiction of the challenges struggles and obstacles that stand in the way of Nick's endeavor to liberate himself from the oppressive traditions customs beliefs and values of that culture and how the patient tolerant confident healing fire of love illuminated Nick's mind with the light of truth enlivened his heart with the warmth of humanity and armed his will with the courage to be himself This same love is also a fertile soil for the growth of a tender yet passionate romantic love between a German scholar Johannes Mitya and a Syrian political science graduate Tina Sarkisian The growth of this love adds luster and nobility to love as a transformative power and as an essential condition of human happiness

The Joyce of Everyday Life Vicki Mahaffey, 2024-09-13 Winner of the American Conference on Irish Studies Robert Rhodes Prize for Books on Literature Part of James Joyce's genius was his ability to find the poetry in everyday life For Joyce even a simple object like a table becomes magical a board that was of the birchwood of Finland and it was upheld by four dwarfmen of that country but they durst not move more for enchantment How might we learn to regain some of the child like play with language and sense of delight in the ordinary that comes so naturally to Joyce The Joyce of Everyday Life teaches us how to interpret seemingly mundane objects and encounters with openness and active curiosity in order to attain greater self understanding and a fuller appreciation of others Through a close examination of Joyce's joyous musical prose this book shows how language provides us with the means to revitalize daily

experience and social interactions across a huge diverse and everchanging world Acclaimed Joyce scholar Vicki Mahaffey demonstrates how his writing might prompt us to engage in a different kind of reading treating words and fiction as tools for expanding the boundaries of the self with humor and feeling A book for everyone who loves language The Joyce of Everyday Life is a lyrical romp through quotidian existence
