The Numerical Bible: Hebrews to Revelation ,1903 *The Oxford Companion to the Bible* Bruce M. Metzger, Michael David Coogan, 1993-10-14 The Bible has had an immeasurable influence on Western culture touching on virtually every aspect of our lives It is one of the great wellsprings of Western religious ethical and philosophical traditions It has been an endless source of inspiration to artists from classic works such as Michaelangelo's Last Judgment Handel's Messiah or Milton's Paradise Lost to modern works such as Thomas Mann's Joseph and His Brothers or Martin Scorsese's controversial Last Temptation of Christ For countless generations it has been a comfort in suffering a place to reflect on the mysteries of birth death and immortality Its stories and characters are an integral part of the repertoire of every educated adult forming an enduring bond that spans thousands of years and embraces a vast community of believers and nonbelievers The Oxford Companion to the Bible provides an authoritative one volume reference to the people places events books institutions religious belief and secular influence of the Bible Written by more than 250 scholars from some 20 nations and embracing a wide variety of perspectives the Companion offers over seven hundred entries ranging from brief identifications who is Dives where is Pisgah to extensive interpretive essays on topics such as the influence of the Bible on music or law Ranging far beyond the scope of a traditional Bible dictionary the Companion features in addition to its many informative factual entries an abundance of interpretive essays Here are extended entries on religious concepts from immortality sin and grace to baptism ethics and the Holy Spirit The contributors also explore biblical views of modern issues such as homosexuality marriage and anti-Semitism and the impact of the Bible on the secular world including a four part article on the Bible's influence on literature Of course the Companion can also serve as a handy reference the first place to turn to find factual information on the Bible Readers will find fascinating informative articles on all the books of the Bible including the Apocrypha and many other ancient texts such as the Dead Sea Scrolls Pseudepigrapha and the Mishnah Virtually every figure who walked across the biblical stage is identified here ranging from Rebekah Rachel and Mary to Joseph Barabbas and Jesus The Companion also offers entries that shed light on daily life in ancient Israel and the earliest Christian communities with fascinating articles on feasts and festivals clothing medicine units of time houses and furniture Finally there are twenty eight pages of full color maps providing an accurate detailed portrait of the biblical world A vast compendium of information related to scriptures here is an ideal complement to the Bible an essential volume for every home and library the first place to turn for information on the central book of Western culture **The Holy Bible According to the Authorized Version (a.D. 1611): Hebrews to Revelation. 1890** ,1890 **The Wesleyan Bible Commentary: Hebrews-Revelation** Charles Webb Carter, Ralph Earle, W. Ralph Thompson, 1966 **The Victor Sayings in the Book of Revelation** Mark Wilson, 2007-10-01 This is the first major study to focus solely on the victor sayings and should prove invaluable to scholars and students of Revelation and apocalyptic literature It demonstrates that the motif of victory is Revelation's macrodynamic

theme Chiasmus is proposed as the book's macrostructure based in part on the chiasmic nature of the promises to the victors with the later fulfillment of these promises in the book. The proposed forms for the seven letters forms such as edicts oracles and epistles are examined and it is concluded that they are a *mixtum compositum* best called prophetic letters. The sociological significance of victory is explored within the Greco-Roman world. The text of the promises and their co-texts as reflected intertextually in traditions of biblical literature receive thorough examination. The eschatological fulfillment of the victor sayings is surveyed in Revelation's later chapters especially in chapters 21-22 where the new Jerusalem is depicted. The study concludes with an investigation of the ways that the promises were appropriated for the time and the text world of Revelation.

The Expositor's Bible Commentary: Hebrews-Revelation David E. Garland, 2005. This is a complete revision of the Gold Medallion winning commentary series. It is up to date in its discussion of theological and critical issues and thoroughly evangelical in its viewpoint. *Revelation of Christ in Scripture Textbook* Sophia Institute for Teachers,
