Pashai Karl Wutt,1981      **Digital atlas of traditional agricultural practices and food processing** R.T.J.

Cappers,2016-05-09 The Digital atlas www plantatlas eu of traditional agricultural practices and food processing documents the various processes involved in the production of food from working the fields through to processing the crops for food fodder and other purposes The atlas aims to define and describe these various processes unambiguously by using a standardized vocabulary and by explicitly taking into account the intention behind each process Illustrated with more than 3 000 photographs and numerous films documenting 20 years of field observation in the Mediterranean area the Middle East and the Indian subcontinent the atlas also includes detailed case studies of the practices and processes involving grapes olives date palms barley and wheat Many of these processes are part of the intangible cultural heritage of agriculture that is now rapidly disappearing

**A Bibliography Of Afghanistan** K. S. McLachlan,2019-09-11 This up to date comprehensive thematically indexed bibliography devoted to Afghanistan now and yesterday will help readers to efficiently find their way in the massive secondary literature available Following the pattern established by one of its major data sources viz the acclaimed Index Islamicus both journal articles and book publications are included and expertly indexed An indispensable entry for all those taking professional or personal interest in a nation so much the focus of attention today      Urban India

Renate Bornberg,2023-03-03 This book discusses the importance of socio spatial patterns in cities that are embedded in the cultural heritage and self understanding of a society showing that Indian cities follow different urban concepts In nine episodes nine is a sacred figure it highlights the principal influences and social impacts on cities from ancient times to contemporary city developments As such it provides planners and architects with insights that can easily be applied in contemporary cities and towns and help foster India s cultural heritage a much needed but little discussed approach Indian cities are the result of various factors some imposed others following local traditions that shaped them They were founded around social needs landscape conditions and production routines as well as the religious influences of Hinduism Buddhism Jainism Sikhism Islam Christianity and animism However Western town planning models are often implemented blurring the traditional way of life in cities For sustainable town development it is of key importance to find solutions that deal with Indian city models

**Afghanistan** Thomas Barfield,2022-12-06 A major history of Afghanistan and its changing political culture Afghanistan traces the historic struggles and the changing nature of political authority in this volatile region of the world from the Mughal Empire in the sixteenth century to the Taliban resurgence today Thomas Barfield introduces readers to the bewildering diversity of tribal and ethnic groups in Afghanistan explaining what unites them as Afghans despite the regional cultural and political differences that divide them He shows how governing these peoples was relatively easy when power was concentrated in a small dynastic elite but how this delicate political order broke down in the nineteenth and twentieth centuries when Afghanistan s rulers mobilized rural militias to expel first the British and later the Soviets Armed insurgency

proved remarkably successful against the foreign occupiers but it also undermined the Afghan government's authority and rendered the country ever more difficult to govern as time passed Barfield vividly describes how Afghanistan's armed factions plunged the country into a civil war giving rise to clerical rule by the Taliban and Afghanistan's isolation from the world He examines why the American invasion in the wake of September 11 toppled the Taliban so quickly and how this easy victory lulled the United States into falsely believing that a viable state could be built just as easily Afghanistan is essential reading for anyone who wants to understand how a land conquered and ruled by foreign dynasties for more than a thousand years became the graveyard of empires for the British and Soviets and what the United States must do to avoid a similar fate

**Afghanistan** Thomas J. Barfield, 2010 Traces the political history of Afghanistan from the sixteenth century to the present looking at what has united the people as well as the regional cultural and political differences that divide them
