

An abstract painting of a face, rendered in shades of blue, purple, and gold. The face is the central focus, with its features suggested by the brushstrokes and color gradients. The background is a mix of dark and light blue, with some gold highlights that seem to emanate from the face.

LESBIAN AND GAY STUDIES IN LITERATURE

PROFESSIONS *of* DESIRE

George E. Haggerty &
Bonnie Zimmerman, Editors

Professions Of Desire Lesbian And Gay Studies In Literature

David Gere

Professions Of Desire Lesbian And Gay Studies In Literature:

Professions of Desire George E. Haggerty, Bonnie Zimmerman, 1995-01 Professions of Desire includes examples of lesbian and gay literary analysis and thoughtful discussions about what it means to be lesbian gay or queer in the literature classroom The four essays in the first section Teaching Positions examine teaching from a theoretical perspective analyze the role of the professor in the classroom and seek to redefine what instructors ask of their students as well as of themselves In Canons and Closets five essays focus on curricular and organizational shifts warranted by lesbian and gay studies Sameness and Differences presents five essays that explore the influence of race gender and sexuality on gay and lesbian identity Finally the section Transgressing Subjects gathers four provocative critical readings of various works including Oscar Wilde's The Picture of Dorian Gray and The Importance of Being Earnest the art and sculpture of Auguste Rodin Constantin Brancusi and Gustav Klimt Frances Ellen Watkins Harper's Iola Leroy and the poetry of Ralph Waldo Emerson and Walt Whitman This insightful and groundbreaking volume is full of unexpected pleasures and is sure to be a foundational work in gay studies for years to come A readable serious addition to the literature Choice *Reader's Guide to Lesbian and Gay Studies* Timothy Murphy, 2013-10-18 The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals Adrienne Rich arts and cultural studies Dance ethics religion and philosophical issues Monastic Traditions historical figures periods and ideas Germany between the World Wars language literature and communication British Drama law and politics Child Custody medicine and biological sciences Health and Illness and psychology social sciences and education Kinsey Report Constructions of Female Homoeroticism in Early Modern Drama D. Walen, 2005-09-16 This book explores representations of love and desire between female characters in nearly seventy plays written between 1580 and 1660 The work argues that playwrights of late sixteenth and early seventeenth century England recognized and constructed richly diverse tropes of female homoerotic desire Writers place female characters in erotic situations with other female characters in playful scenarios of mistaken identity in anxious moments of amorous intrigue in predatory situations and in enthusiastic utopian representations of romantic love These plays indicate an awareness of female homoeroticism in early modern England and belie statements that literary evidence of homosexuality was concerned primarily with men **A Companion to the American Novel** Alfred Bendixen, 2014-11-17 Featuring 37 essays by distinguished literary scholars A Companion to the American Novel provides a comprehensive single volume treatment of the development of the novel in the United States from the late 18th century to the present day Represents the most comprehensive single volume introduction to this popular literary form currently available Features 37 contributions from a wide range of distinguished literary scholars Includes essays on topics and genres historical overviews and key individual works including The Scarlet Letter Moby Dick The Great Gatsby Beloved and many more How to Make Dances in an Epidemic David Gere, 2004-09-15 David Gere who came of age as a dance critic at the height of the AIDS epidemic offers the first book to examine in depth the interplay of AIDS and

choreography in the United States specifically in relation to gay men The time he writes about is one of extremes A life threatening medical syndrome is spreading its transmission linked to sex Blame is settling on gay men What is possible in such a highly charged moment when art and politics coincide Gere expands the definition of choreography to analyze not only theatrical dances but also the protests conceived by ACT UP and the NAMES Project AIDS quilt These exist on a continuum in which dance protest and wrenching emotional expression have become essentially indistinguishable Gere offers a portrait of gay male choreographers struggling to cope with AIDS and its meanings

Queering Planning Petra L. Doan, 2016-05-23 Current planning practices have largely neglected the needs of the Lesbian Gay Bisexual and Transgender LGBT community for safe urban spaces in which to live work and play This volume fills the gap in the literature on the planning and development of queer spaces and highlights some of the resistance within the planning profession to incorporate gay and lesbian concerns into the planning mainstream Planning lags behind other disciplines concerned with queer urban issues In contrast the field of geography has developed a rich sub specialty in the geographies of sex and gender that examines spaces and the variety of non heteronormative populations that inhabit them This volume brings together both planners and geographers with experience in planning to examine some of the fundamental assumptions of urban planning as they relate to the LGBT community The first few chapters are substantial revisions and expansions of earlier influential work on planning for non conformist populations and the preservation of LGBT neighborhoods Subsequent chapters comprise original contributions that draw on the rich literature from queer theory planning theory and the geography of sexualities to explore the ways that nonconformist populations struggle with heteronormative expectations embedded in planning theory and procedures These chapters consider the intersection of planning and a range of populations including transgendered and gender variant individuals Subsequent chapters examine the ways that variations in the scale of urban and regional governance influence local politics around the implementation of more equitable policies at the city level In addition several chapters critically examine the implications of using the tolerance component of Richard Florida's creative cities arguments The final section consists of two chapters that explore the ways that urban planning regimes have been used to regulate sexually oriented businesses and the way this regulation of sexualized spaces has implications on the heteronormativity of plans and planners In summary these chapters interrogate planning practice and pose questions for academic and professional planners about the ways that the queer community and its needs for spaces have shifted What do those changes mean for the practice of planning 40 years after the North American Stonewall rebellion and looking forward to the next 40 years To what extent does existing planning practice constrain the evolution of queer communities or seek to commercialize such spaces to the benefit of large developers and the detriment of marginalized members of the community How might planning practice change to provide more direct support to the evolution of queer people and the spaces in which they live This volume draws on these insights as well as the experiences of the various authors to lay out possible future directions for

the field of planning to create truly inclusive urban areas

Chicano/Latino Homoerotic Identities David W.

Foster, 2014-07-16 This collection which grew out of a research conference held at Arizona State University in November 1997 examines varieties of Chicano Latino homoerotic identities It includes essays by a group of scholars who are engaged in defining the parameters of these identities and who are concerned with how those identities interact with the dominant ones articulated by a hegemonic Anglo society in the United States

Latina Performance Alicia Arrizón, 1999-09-22

A study exploring the role of Latina women in theater performance literature and criticism Arrizón's examination of Latina performance spans the twentieth century beginning with oral traditions of corrido and revistas She examines the soldadera and later theatrical personalities such as La Chata Nolasca and contemporary performance artist Carmelita Tropicana Latina Performance considers the emergence of Latina aesthetics developed in the United States but simultaneously linked with Latin America As dramatists performance artists protagonists and or cultural critics the women Arrizón examines in this book draw attention to their own divided position They are neither Latin American nor Anglo neither third or first world they are feminists but not quite American style This in between ness is precisely what has created Latina performance and performance studies and has made Latina an allegory for dual national and artistic identities Alicia Arrizón's Latina Performance is a truly innovative and important contribution to Latino Studies as well as to theater and performance studies Diana Taylor New York University Arrizón's important book revolves around the complex issues of identity formation and power relations for US women performers of Latin American descent Valuable for anyone interested in theater history and criticism cultural studies gender studies and ethnic studies with attention to Mexican American Chicana o and Latina o studies Upper division undergraduates through professionals E C Ramirez Choice

Passing/Out Kelby

Harrison, 2016-05-13 Passing Out adopts an inter generational inter disciplinary and inter subjective approach to the closeting and revelation of sexual identity exploring questions of embodiment ethics and identity in relation to passing or being out Presenting the latest theoretical and empirical work from scholars working across a range of disciplines including sociology cultural and media studies philosophy gender studies literary studies and history this book discusses the nature and history of sexual identity and the manner in which identity functions within social relationships In recognition of the transformative impact of queer theory upon the study of sexuality and identity Passing Out constructs a dialogue between the work of scholars whose intellectual careers began prior to the advent of queer theory and those whose work has been more immediately and directly shaped by this approach with a view to breaking new ground in the field of identity Shedding light on the meaning of passing and outing in relation to identity this volume will be of interest to social scientists and scholars of the humanities working on questions of sexuality identity embodiment and ethics

A History of Feminist Literary

Criticism Gill Plain, Susan Sellers, 2007-08-30 Feminism has transformed the academic study of literature fundamentally altering the canon of what is taught and setting new agendas for literary analysis In this authoritative history of feminist

literary criticism leading scholars chart the development of the practice from the Middle Ages to the present The first section of the book explores protofeminist thought from the Middle Ages onwards and analyses the work of pioneers such as Wollstonecraft and Woolf The second section examines the rise of second wave feminism and maps its interventions across the twentieth century A final section examines the impact of postmodernism on feminist thought and practice This book offers a comprehensive guide to the history and development of feminist literary criticism and a lively reassessment of the main issues and authors in the field It is essential reading for all students and scholars of feminist writing and literary criticism

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Professions Of Desire Lesbian And Gay Studies In Literature eBooks, including some popular titles.

FAQs About Professions Of Desire Lesbian And Gay Studies In Literature Books

What is a Professions Of Desire Lesbian And Gay Studies In Literature PDF? A PDF (Portable Document Format) is a

file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Professions Of Desire Lesbian And Gay Studies In Literature PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Professions Of Desire Lesbian And Gay Studies In Literature PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Professions Of Desire Lesbian And Gay Studies In Literature PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Professions Of Desire Lesbian And Gay Studies In Literature PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, iLovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
