

Reckless Women

Tanya Fitzgerald, Elizabeth M. Smyth

Reckless Women:

A Woman of Wisdom Dee Brestin, 2006 **Complicated Women** Mick LaSalle, 2014-08-05 Between 1929 and 1934 women in American cinema were modern For five short years women in American cinema were modern They took lovers had babies out of wedlock got rid of cheating husbands enjoyed their sexuality led unapologetic careers and in general acted the way many think women only acted after 1968 Before then women on screen had come in two varieties good or bad sweet ingenue or vamp Then two stars came along to blast away these common stereotypes Garbo turned the femme fatale into a woman whose capacity for love and sacrifice made all other human emotions seem pale Meanwhile Norma Shearer succeeded in taking the ingenue to a place she'd never been the bedroom Garbo and Shearer took the stereotypes and made them complicated In the wake of these complicated women came others a deluge of indelible stars Constance Bennett Ruth Chatterton Mae Clarke Claudette Colbert Marlene Dietrich Kay Francis Ann Harding Jean Harlow Miriam Hopkins Dorothy Mackaill Barbara Stanwyck Mae West and Loretta Young all came into their own during the pre Code era These women pushed the limits and shaped their images along modern lines Then in July 1934 the draconian Production Code became the law in Hollywood and these modern women of the screen were banished not to be seen again until the code was repealed three decades later Mick LaSalle film critic for the San Francisco Chronicle takes readers on a tour of pre Code films and reveals how this was the true golden age of women's films and how the movies of the pre Code are still worth watching The bold pioneering and complicated women of the pre Code era are about to take their place in the pantheon of film history and America is about to reclaim a rich legacy *A Woman, In Bed* Anne Finger, 2018-05-15 Paris 20th century WWI to WWII and beyond Simone abandons her body to lust leaves her husband for Jacques sleeps with strangers But she is never satisfied It is only when she is diagnosed with Parkinson's disease when she appears to be most broken in her body that she finally finds the tender fulfilling love she has been seeking *Reckless Women* Cecelia Frey, 2004 Reckless women inhabit the spaces of these poems women who dare to travel without maps or even a single sign women who dare the seduction of cliff edge leaps into deadly waters women who dare the midnight garden to ensure their crop When Cecelia Frey considers the pain recklessness causes to others she returns to the source that impels a reckless nature There Frey finds women who challenge the empty spaces of the psychic frontier women who let themselves be seduced by the vanilla man or is it the other way around female magicians performing aquabelles women who toss their clothes from the balcony and have nothing to go home in She also learns that recklessness is a dangerous game That's when poetry itself comes to the rescue When Frey reaches love's end and is herself silenced the poems speak that silence When cold camphor travels her veins the poems rant and defy but they also instruct They teach her to believe even when belief seems impossible In the face of death they speak of love In despair of life they assert that the trick is to achieve moments of joy The female magician's task is to pull off such tricks lark from fire its white wings raised singing *Women in the English Novel, 1800-1900* Merryn Williams, 1985-06-18

Women and Their Money 1700-1950 Anne Laurence, Josephine Maltby, Janette Rutterford, 2008-11-20 This book examines women's financial activity from the early days of the stock market in eighteenth century England and the South Sea Bubble to the mid twentieth century The essays demonstrate how many women managed their own finances despite legal and social restrictions and show that women were neither helpless incompetent and risk averse nor were they unduly cautious and conservative Rather many women learnt about money and made themselves effective and engaged managers of the funds at their disposal The essays focus on Britain from eighteenth century London to the expansion of British financial markets of the nineteenth century with comparative essays dealing with the US Italy Sweden and Japan Hitherto writing about women and money has been restricted to their management of household finances or their activities as small business women This book examines the clear evidence of women's active engagement in financial matters much neglected in historical literature especially women's management of capital

Woman Lillian Faderman, 2022-03-15 A comprehensive history of the struggle to define womanhood in America from the seventeenth to the twenty first century An intelligently provocative vital reading experience This highly readable inclusive and deeply researched book will appeal to scholars of women and gender studies as well as anyone seeking to understand the historical patterns that misogyny has etched across every era of American culture Kirkus Reviews A comprehensive and lucid overview of the ongoing campaign to free women from the tyranny of old notions Publishers Weekly What does it mean to be a woman in America Award winning gender and sexuality scholar Lillian Faderman traces the evolution of the meaning from Puritan ideas of God's plan for women to the sexual revolution of the 1960s and its reversals to the impact of such recent events as metoo the appointment of Amy Coney Barrett to the Supreme Court the election of Kamala Harris as vice president and the transgender movement This wide ranging 400 year history chronicles conflicts retreats defeats and hard won victories in both the private and the public sectors and shines a light on the often overlooked battles of enslaved women and women leaders in tribal nations Noting that every attempt to cement a particular definition of woman has been met with resistance Faderman also shows that successful challenges to the status quo are often short lived As she underlines the idea of womanhood in America continues to be contested

Women Educators, Leaders and Activists Tanya Fitzgerald, Elizabeth M. Smyth, 2014-07-23 This collection traces women educators professional lives and the extent to which they challenged the gendered terrain they occupied The emphasis is placed on women's historical public voices and their own interpretation of their selves and lives in their struggle to exercise authority in education

Men, Women, and Money David R. Green, 2011-04-28 There has been considerable research into the growth of limited companies in Great Britain in the 19th century but not much is known about their investors both men and women This interdisciplinary book based on new research investigates the identity and behaviour of these investors

Elite Women and the Agricultural Landscape, 1700-1830 Briony McDonagh, 2017-08-14 Elite Women and the Agricultural Landscape 1700 1830 offers a detailed study of elite women's relationships with landed property

specifically as they were mediated through the lens of their estate management and improvement This highly original book provides an explicitly feminist historical geography of the eighteenth century English rural landscape It addresses important questions about propertied women s role in English rural communities and in Georgian society more generally whilst contributing to wider cultural debates about women s place in the environmental social and economic history of Britain It will be of interest to those working in Historical and Cultural Geography Social Economic and Cultural History Women s Studies Gender Studies and Landscape Studies Chapters 2 3 and 4 of this book are freely available as downloadable Open Access PDFs at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license
