Reconnecting Susan D. Allen, Colleen A. Holloran, 1991 **The Heart Reconnection Guidebook** Joan Borysenko, Holly Cook, Mary Faulkner, Lee McCormick, Will Taegel, 2018-11-06 This book is written for all who have suffered heartbreak It is for those troubled by anxiety depression loss grief questioning their self worth caught in addiction or obsessive compulsive behavior and struggling to find meaning While the list is broad in scope it shares a common theme The conditions reflect a broken relationship to the core of your being your own healing heart sacred heart For anyone who has struggled with the not enough not good enough not pretty enough not smart enough not strong enough and the list goes on this book is written with you in mind With 300 years of collective wisdom the path laid out by the authors is well road tested and culled to reflect what has been and continues to be most effective in their own lives and the lives of those they have helped over the years Through thought provoking questions meditations self reflection and creative practices to choose from the book offers a process of gradually uncovering the uniqueness of your own heart and soul This multifaceted approach to healing opens a new path for greater awareness and well being that lasts Complementing the The Heart Reconnection Guidebook text is a comprehensive teacher s guide which presents the concept of Heart Reconnection Therapy HRT and walks the therapist or counselor through wellness promoting activities insightful discussions and meditations related to the The Heart Reconnection Guidebook text It is an excellent resource for working with individuals and also with groups This book is based on the wisdom tradition rather than therapy in the usual sense as it is based on each participant s self exploration There is no specific agenda meaning the book or the leader Is not taking participants to a predetermined right way to be but rather creating a context for each person s encounter with their own truth and who they are in the core of their being Readers and teachers alike will find the wisdom traditions offered within these pages life changing self empowering and community building all for the sake of greater happiness increased awareness and sustainable well being **Reconnected** Janine Stirling, 2019-04 Fragmented memories flashbacks emotional reactivity and somatic complaints are common features in the lives of trauma survivors These symptoms often leave one feeling disconnected and alone Sexual assault trauma leaves scars that frequently go unseen by the general public The effects however are lasting for the survivor and frequently impact a person s ability to engage fully in life and to navigate intimate relationships with ease Recovery from such experiences is challenging I sought treatment for two decades before stumbling upon a treatment approach that worked pelvic floor physiotherapy In my experience it was through this unconventional treatment approach that I was able to completely resolve all the post traumatic stress disorder symptoms I had lived with for decades This book is unique in that it details the ingredients that went into enabling my recovery In my experience it was a combination of the physiotherapist s person centred skills together with the muscle release approach we adopted that enabled success Reconnected offers hope to survivors It is written as a mix of a personal story combined with the many therapeutic approaches I tried prior to discovering the physiotherapy

approach that worked The neuroscience explaining how and why trauma can be treated through the body already exists This research has been incorporated in the book to explain the success of the approach described This makes it appealing to academics healthcare professionals and people with experiences similar to my own To my knowledge very few people recover completely from the effects of complex trauma It is exciting to find a treatment approach that not only works but is a first of its kind in treating trauma of this nature in this way
