Recurring Silent Spring:

The Recurring Silent Spring H. Patricia Hynes, 1989 *So Glorious a Landscape* Chris J. Magoc, 2002 An anthology of period documents that illustrate important facets of Americans changing relationship with nature **Minding Nature** David Macauley, 1996-03-30 This volume examines the works of some of the most influential Western philosophers of ecology tracing their influence on movements including deep ecology ecological feminism bioregionalism and critical postmodern ecology Leading authorities examine critique and build on the insights of thinkers such as Hobbes Heidegger Bloch Jonas Mumford Ehrlich and Bookchin Topics discussed include the claims and merits of anthropocentric biocentric and ecocentric positions rationality and its relationship to knowledge technology and social change and what our conceptions of nature tell us about our vision of politics and society The Environmental Imagination Lawrence Buell, 1996-09-01 With Thoreau's *Walden* as a touchstone Buell offers an account of environmental perception the place of nature in the history of Western thought and the consequences for literary scholarship of attempting to imagine a more ecocentric way of being In doing so he provides a profound rethinking of our literary and cultural reflections on nature **The 20th Century A-GI** Frank N. Magill, 2013-05-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography *Blessed Unrest* Paul Hawken, 2007-05-10 The New York Times bestselling examination of the worldwide movement for social and environmental change Paul Hawken has spent more than a decade researching organizations dedicated to restoring the environment and fostering social justice From billion dollar nonprofits to single person dot causes these groups collectively comprise the largest movement on earth a movement that has no name leader or location and that has gone largely ignored by politicians and the media *Blessed Unrest* explores the diversity of the movement its brilliant ideas innovative strategies and centuries of hidden history A culmination of Hawken's many years of leadership in the environmental and social justice fields it will inspire all who despair of the world's fate and its conclusions will surprise even those within the movement itself DDT and the American Century David Kinkela, 2011 *DDT and the American Century* **Rachel Carson** Linda Lear, 2009-04-01 The authoritative biography of the marine biologist and nature writer whose book *Silent Spring* inspired the global environmentalist movement In a career that spanned from civil service to unlikely literary celebrity Rachel Carson became one of the world's seminal leaders in conservation The 1962 publication of her book *Silent Spring* was a watershed event that led to the banning of DDT and launched the modern environmental movement Growing up in poverty on a tiny Allegheny River farm Carson attended the Pennsylvania College for Women on a

scholarship There she studied science and writing before taking a job with the newly emerging Fish and Wildlife Service In this definitive biography Linda Lear traces the evolution of Carson s private professional and public lives from the origins of her dedication to natural science to her invaluable service as a brilliant if reluctant reformer Drawing on unprecedented access to sources and interviews Lear masterfully explores the roots of Carson s powerful connection to the natural world crafting a fine portrait of the environmentalist as a human being Smithsonian Impressively researched and eminently readable Compelling not just for Carson devotees but for anyone concerned about the environment People A combination of meticulous scholarship and thoughtful often poignant writing Science A sweeping analytic first class biography of Rachel Carson Kirkus Reviews *A More Perfect Union* Linda Sargent Wood,2012-10-18 This book uncovers a holistic sensibility in post World War II American culture that challenged Cold War logic and fed some of the century s most powerful social movements This impulse is illustrated by focusing on Rachel Carson Buckminster Fuller Martin Luther King Jr Abraham Maslow Pierre Teilhard de Chardin and the Esalen Institute **An Environmental History of the World** J. Donald Hughes,2002-09-26 An Environmental History of the World is a concise history from Ancient to Modern times of the interaction between human societies and the other forms of life that inhabit our planet This original work follows a chronological path through the history of mankind in relationship to ecosystems around the world Each chapter concentrates on a general period in human history which has been characterised by large scale changes in the relationship of human societies to the biosphere and gives three case studies that illustrate the significant patterns occurring at that time Little environmental or historical knowledge is assumed from the reader in this introduction to environmental history
