August Kleinzahler

Red Sauce Whiskey And Snow Poems:

Red Sauce, Whiskey, and Snow August Kleinzahler, 1995 August Kleinzahler has been one of American poetry's best kept secrets for nearly fifteen years. His new collection *Red Sauce Whiskey and Snow* will dramatically change this situation. The landscapes of these poems are urban; their elements sensuously particularized and positioned to blend in startling and revealing ways. Scenes and characters shift and are spliced together with the audacity and speed of cinematic cuts. But Kleinzahler's signature is his music. His lines are nervously graceful; their movement flexible and deliberate. The voice continually changes register. It is savage then tender, melancholy then comic. Combining a broad sweep with deft tactics, his new poems are utterly original and distinctive, a fresh promise for readers weary of the studied postmodernism of much recent poetry.

Red Sauce, Whiskey and Snow August Kleinzahler, 2025-10-16 This is a book of jazzy, edgy, adventuresome poems from the author of *Earthquake Weather* and *Like Cities Like Storms*. Ever aware, ever vivid, ever focused, Kleinzahler's are some of the finest lyrics being produced in American poetry today. Pieces of ordinary talk are Kleinzahler's strong suit, as Helen Vendler observed in *Parnassus*, because they occur in his glancing, alert rhythms. His jaunty skips and riffs solace the ear. *Red Sauce Whiskey and Snow* presents an experimental poetry of exceptional wit and control.

Before Dawn on Bluff Road/Hollyhocks in the Fog August Kleinzahler, 2017-05-09 A collection of August Kleinzahler's best poems, divided like his life between New Jersey and San Francisco. When August Kleinzahler won the 2004 Griffin Poetry Prize for his collection *The Strange Hours*, Travelers Keep the judges' citation referred to his work as ferociously on the move between locations, between forms, between registers. They might also have added between New Jersey and San Francisco, the places Kleinzahler has spent his life traveling between, both on the road and on the page. This collection assembles the best of his New Jersey and San Francisco poems for the first time, organized according to place, with each city receiving its own title and cover. Providing readers with a gorgeous guide to Kleinzahler's interior geography, *Before Dawn on Bluff Road* (New Jersey) and *Hollyhocks in the Fog* (San Francisco) function as both word maps and word anatomies of one of our greatest poet's lifelong passions and preoccupations.

Snow Approaching on the Hudson August Kleinzahler, 2025-08-22 August Kleinzahler has earned admiration for his musical, precise, wise, and sometimes madcap poems that are grounded in the wide array of places, people, and most especially voices he has encountered in his real and imaginative worlds. *Snow Approaching on the Hudson* is a collection that moves seamlessly through the often hypnagogic, porous realms of dreams, the past and present, inner and outer landscapes. His haunting, shifting atmospheres are peopled by characters intimately portrayed that are at once historical and invented. The poet's signature rhythmic propulsion serves as the engine for his newest collection, and his always masterful free verse conveys a life thoroughly lived and brilliantly perceived.

Evaluations of US Poetry Since 1950, Volume 2 Robert von Hallberg, Robert Faggen, 2021-12 Horace speaks of poetry delighting and instructing. While *Evaluations of US Poetry since 1950*, Volume 1 explores the pleasures of

poetry its language forms and musicality volume 2 focuses on the public dimensions In this volume von Hallberg and Faggen have gathered a diverse selection of poets to explore questions such as How does poetry instruct a society with a highly evolved knowledge industry Do poems bear a relation to the disciplined idioms of learning What do poets think of as intellectual work What is the importance of recognizable subject matter What can honestly be said by poets concerning this nation so hungry for learning and so fixated on its own power To these questions the literary critics collected here find some answers in the poetry of Robert Pinsky Susan Howe Robert Hass Anthony Hecht Adrienne Rich Sharon Olds Ed Dorn and August Kleinzahler

A History of Western Music August Kleinzahler, 2024-09-24 In a career spanning selection of poems August Kleinzahler captures the essence of the West's greatest music In *A History of Western Music* August Kleinzahler's rhythmic wry kinetic style captures the ineffable power and beauty of great songs and artists as well as the potency of our response to them In this collection music is inextricable from life from landscape and from the people we remember through it The poet inhabits the minds and milieus of musicians he hears arpeggios in the salon of Princesse Edmonde de Polignac and listens to the vibrations of a hummingbird through B la Bart k Kleinzahler's verse not only contains the same sonorous beauty as the compositions he writes of but also the vitality and complexity of the moments we associate with them the way the soundtrack of one's life becomes defined by the scenes it scores and vice versa From John Coltrane to Annie Lenox from opera to bebop and all the jingles and melodies in between *A History of Western Music* is a portrait of the vast range of meaning and memory that music creates and contains in one's life

The Hotel Oneira August Kleinzahler, 2025-09-23 A thrilling new collection from one of the most original poets of his generation His work is a

modernist swirl of sex surrealism urban life and melancholy with a jazzy backbeat That praise appeared in the pages of The New York Times in 2005 but it applies no less to August Kleinzahler s newest collection Kleinzahler s poetry is as ever concerned with permeability Voices places the real and the dreamed the present and the past all mingle together in verses that always ring true Whether the poem is three lines long or spans several pages whether the voice embodied is that of an adult male of late middle age about to weep among the avocados and citrus fruits in a vast overlit room next to a bosomy Cuban grandma as in Whitney Houston or that of the title character in Hootie Bill Do Polonius who is bidding adios compadre To a most galupitous scene Kid Kleinzahler finds the throbbing human heart at the core of experience This is a poet searching for and finding a cadence to suit life as it s lived today Kleinzahler s verses are as noted in the judges citation for the 2004 Griffin Poetry Prize which he won for his collection The Strange Hours Travelers Keep ferociously on the move between locations between forms between registers The Hotel Oneira finds Kleinzahler at his shape shifting acrobatic best unearthing the moments of grace buried under the detritus of our hectic modern lives
