Ridin Through:

Ridin' With "Rosie" and Livin' With "Evie" Charles Ramsey, 2009-05-27 Subtle humor plus folksy metaphors and similes are used to relate these nostalgic life experiences These stories should be an easy read which can provide enjoyment and life introspection My riding in a gasoline truck with my father who was a bulk dealer for Standard Oil Company and living with my stay at home mother are the wealth from which these experiences are drawn Not quitting the world of work sex education observation of people and perceptions of life are only some of the areas conveyed in this book **For the Ride** Alice

Notley, 2020-03-03 A major new book length visionary poem from a writer whose poems are among the major astonishments of contemporary poetry Robert Polito the Poetry Foundation Alice Notley has become one of the most highly regarded figures in American poetry a master of the visionary mode acclaimed for genre bending book length poems of great ambition and adventurousness Her newest book *For the Ride* is another such work The protagonist One is suddenly within the glyph whose walls project scenes One can enter and One does so Other beings begin to materialize and it seems like they and One are all survivors of a global disaster They board a ship to flee to another dimension they decide what they must save on this Ark are words and they gather together as many as are deemed fit to save They sail and meanwhile begin to change the language they are speaking before disembarking at an abandoned future city Ridin With the Realest 2 KC Mills, 2017-08-25 Things are spiraling out of control and Fray is caught up on the wrong side of a bad situation In the midst of the storm Charlie found one good thing that gave her hope while Fray fell into a situation that he didn't know he needed They both have opened themselves up to the possibility of a new beginning but life keeps getting in the way Will Hawk finally get the revenge that he's been looking for or will Charlie be able to step up and ride for the one who unexpectedly stole her heart Tek is feeling an all time high as he partners up with a mystery woman who could potentially help him secure a major deal Because of his new partnership Yaz finds herself out on the streets and at her lowest point This low point makes her realize that she has to do better for herself but she has burned so many bridges that she doesn't have anyone in her corner As fate would have it Yaz finds support and friendship in the unlikeliest place and she must separate her feelings in order to regain control of her dysfunctional life Too bad those around her don't believe that she has any redeeming qualities or do they Will Charlie and Fray get to explore their connection or are his days numbered Will Yaz get to prove that she can be a better person or will it all be in vain Part two exposes new secrets as well as new faces and budding relationships The journey has just begun and there's so much to be discovered Love lies and betrayal definitely play out as this story unfolds and the key players have to choose sides and choose wisely The wrong move could be deadly The stakes are at an all time high but that's to be expected when you're *Ridin With The Realest* Ridin' With the Realest 4 KC Mills, 2017-09-21 Is there a such thing as happily ever after Where Charlie and Fray are concerned it seems to be nonexistent Fray has found himself face to face with someone else's demons while Charlie has to figure out how to keep the peace Reg is faced with a tough decision that brings up some hard

feelings connected to the only family he's ever known and Asia's is struggling to connect with a family situation of her own. Luke just can't seem to get his past to understand that he's moved on while Yaz keeps getting hit with the terrible feeling of getting knocked back two steps for every one she struggles to take forward. Will this crew find a way to bring it full circle and settle into their hood fairytale or will their circumstances take the lead and prevent them from finding that Good Hood Love that they all so desperately want. Riding with the Realest isn't always easy but it's definitely worth the journey or so they say. Be sure to check out the FINALE and find out if this crew has what it takes to make it to the finish line. 7 Western
