The Saints and Martyrs of Ireland H. Patrick Montague, 1981 The influence of the Irish saints and martyrs on the Christian church cannot be overestimated there has been a tradition of Irish saints for more than 1800 years Although there are only five canonized Irish saints there are thousands that have been sanctified by tradition and the devotion of centuries and who are often curiously better known in the rest the world than in Ireland itself Montague traces the history of Irish sanctity from the second Century A D to the 20th covering the Golden Age of Irish sanctity papal recognition of Irish saints the Irish martyrs Irish causes and a calendar of the feast days of the most important Irish saints **Lives of the Irish**

Sacred and Secular Martyrdom in Britain and Ireland since 1914 John Wolffe, 2019-11-28 During and immediately after the First World War there was a merging of Christian and nationalist traditions of martyrdom expressed in the design of war cemeteries and war memorials and the state funeral of the Unknown Warrior in 1920 John Wolffe explores the subsequent development of these traditions of sacred and secular martyrdom analysing the ways in which they operated sometimes in parallel sometimes merged together and sometimes in conflict with each other Particular topics explored include the Protestant commemoration of Marian and missionary martyrs and the Roman Catholic campaign for the canonization of the saints and martyrs of England Secular martyrdom is discussed in relation to military conflicts especially the Second World War and the Falklands In Ireland there was a particularly persistent merging of sacred and secular martyrdom in the wake of the Easter Rising of 1916 although by the time of the Northern Ireland Troubles in the later twentieth century these traditions diverged In covering these themes the book also offers historical and comparative context for understanding present day acts of martyrdom in the form of suicide attacks **Lives of the Irish Saints and Martyrs**
