The Lectionary Commentary: Theological Exegesis for Sunday's Texts, The First Readings: Roger E. Van Harn, 2005-09-09

Preaching pastors ministers and priests know how quickly Sundays come and go The Lectionary Commentary will not slow the pace of the weekly calendar but it will help assure that sermon preparation begins with a solid engagement with Scripture Designed to jump start the difficult task of sermon preparation this indispensable three volume work gathers exegetical essays on biblical texts from the Revised Common Lectionary Covering every Sunday of the three year liturgical cycle as well as Christmas Day Epiphany and Ascension Day the readings are arranged in canonical order so as to be of use to all preachers Seventy eight pastors priests and teachers from a variety of Christian traditions have contributed their insights to The Lectionary Commentary Designed to answer the question What does the preacher need to know about this text in order to preach a faithful sermon from it each of their essays closely considers its specific biblical text all the while remaining alert to the contemporary context in which the sermon will be spoken and heard The result is an invaluable resource that will aid in the difficult task of facilitating a meaningful encounter between Holy Scripture and our modern world This volume The First Readings Old Testament and Acts provides exegetical commentary on the lectionary readings from Genesis to Malachi and from the first seventeen chapters of Acts Also unique to this volume is an excellent essay by Hughes Oliphant Old on preaching as worship Consulting Editors Richard A Burridge Thomas W Gillespie Colin E Gunton Robert W Jenson James F Kay Hughes Oliphant Old Fleming Rutledge Marguerite Shuster

Love's Promises Martha M. Ertman, 2015-05-26 Blends memoir and legal cases to show how contracts can create family relationships Most people think of love and contracts as strange bedfellows or even opposites In Love's Promises however law professor Martha Ertman shows that far from cold and calculating contracts shape and sustain families Blending memoir and law Ertman delves into the legal cases anecdotes and history of family law to show that love comes in different packages each shaped by different contracts and mini contracts she calls deals Family law should and often does recognize that variety because legal rules like relationships aren't one size fits all The most common form of family which Ertman calls Plan A come into being through different kinds of agreements than the more uncommon families that she dubs Plan B Recognizing the contractual core of all families shows that Plan B is neither unnatural nor unworthy of legal recognition just different After telling her own moving and often irreverent story about becoming part of a Plan B family of two moms and a dad raising a child Ertman shows that all kinds of people straight and gay married and single related by adoption or by genetics use contracts to shape their relationships As couples navigate

marriage reproductive technologies adoption and cohabitation they encounter contracts Sometimes hidden and other times openly acknowledged these contracts ensure that the people they think of as family are legally recognized as family in the eyes of the law Family exchanges can be substantial like vows of fidelity or small like I cook and you clean But regardless of scope the agreements shape the emotional social and financial terrain of family relationships Seeing the instrumental role contracts will help readers better understand how contracts and deals work in their own families as well as those around them Both insightful and paradigm shifting Love s Promises lets readers in on the power of contracts and deals to support love in its many forms and to honor the different ways that our nearest and dearest contribute to our daily lives *Food for the Journey Themes* Elizabeth McQuoid,2024-06-20 This 365 devotional provides Bible readings for the whole year from trusted the Bible teachers at the Keswick Convention Featuring well known speakers such as Alistair Begg Don Carson Jonathan Lamb Peter Maiden and many more it offers daily encouragement to draw closer to God through his Word The book is an omnibus of the Food for the Journey Themes series with a theme for each month of the year It features three brand new themes that are only available in this volume Grace Suffering and The Holy Spirit and is expertly edited by Elizabeth McQuoid The Secret in Medieval Literature Albrecht Classen,2022-10-17 The Secret in Medieval Literature Alternative Worlds in the Middle Ages explores the many strange phenomena both in the Middle Ages and today that do not find any good rational explanations Those do not pertain to magic or to religion in the traditional sense of the word they are secrets of an epistemological kind and tend to defy human rationality without being marginal or irrelevant At first sight we might believe that we face elements from fairy tales but the medieval cases discussed here go far beyond such a simplistic approach to the mysterious dimension of secrets In fact as this book argues medieval poets commonly engaged with alternative forces and described their workings within the human context both in the Latin West and in the East without being able to come to terms with them critically Those mysteries appear both in heroic epics and courtly romances among other genres and they figure more frequently than we might have assumed On the one hand we could conceive of those secrets as the product of literary liberties and imagination on the other those secrets prove to be rather serious agents intervening in the lives of the fictional protagonists By the same token our modern world is not all rationality and material conditions either The study of secrets in the Middle Ages thus opens the pathway toward a new epistemology both for the people in the pre modern age and us today The Cure-All for the Relationship Pandemic Dr. lloyd Slowe,2022-06-08 One of the greatest decisions in life is marriage It is undeniably popular and has been for centuries Because of the complexities of most cultures particularly in the Western Hemisphere preparation for marriage is not a path to take lightly In The Cure All for the Relationship Pandemic author Dr Lloyd Slowe offers relevant and insightful information on relationships of all descriptions stressing the importance of preparation as it relates to the physical emotional financial mental and spiritual aspects before saying I do He guides you through the different ways to identify a suitable partner for a sustainable long term

and resilient relationship Slowe introduces the SWOT analysis a strategic planning technique to help a person identify their strengths weaknesses opportunities and threats in a relationship This guide helps you appreciate the discovery process and how preparation can expose deeply buried vulnerabilities and sensitivities The Cure All for the Relationship Pandemic shows you how to uncover your greatest virtue if that includes marriage and how to be your best at it Faithful: Food for the Journey - Themes Elizabeth McQuoid,2021-07-15 God is totally faithful That s right at the core of his character unlike us he cannot ever break his word Knowing that we are firmly held in the grip of God s unending faithfulness is deeply reassuring And it encourages us to be faithful too Remembering his grace and goodness we grow in holiness and Christlikeness Our aim is to be faithful in the big things but also in the nitty gritty of life when nobody is watching With these Bible teachers alongside us Alistair Begg Psalm 119 97 104 Michael Baughen 2 Timothy 4 1 22 Hebrews 3 1 5 6 Tim Chester Genesis 15 1 21 Revelation 2 18 29 Malcolm Duncan 1 Thessalonians 2 1 12 Sinclair Ferguson 2 Timothy 4 9 10 Jonathan Lamb Acts 20 17 38 Peter Maiden 1 Samuel 13 5 14 Alec Motyer 1 Thessalonians 5 1 28 Tom Putt Hebrews 6 11 20 we explore God s faithfulness and our response This undated 30 day devotional shows how God is faithful to cleanse us from sin keep us until death and guarantee our eternal destiny What greater reassurance can we ask for **Decisions and Orders of the National Labor Relations Board** United States.
