Male Nude Photography- Men's Feet II Nick Baer, 2010-10-10 Famed photographer Nick Baer presents another collection of men's bare feet. Of course there's more bare than just the men's feet. Nineteen male models in fine art poses, athletes and artists of different ethnic backgrounds. Full frontal male nudity, color. 38 pages. Mike Reddev, Dawson, Devin, Christian, Hunt, Chris, Carter, Erin, OShay, Tony, Quin, Travis, Pinelli, Gabriel, Dantes, Maximilliano, Frankie, Ordiales, Phillips, Leo, Lyon, Steven, Mason, Kerry, Frederick, Jose, Hernandez, Percy, Mike, Reddev. *Naked Barbies, Warrior Joes, and Other Forms of Visible Gender*. Jeannie B. Thomas, 2003. In this folkloric examination of mass-produced material culture in the United States, Jeannie Banks Thomas examines the gendered sculptural forms that are among the most visible, including Barbie, Ken, and G.I. Joe dolls, yard figures, gnomes, geese, and flamingos, and cemetery statuary, angels, sports-related images, figures of the Virgin Mary, soldiers, and politicians. Images of females are often emphasized or sexualized frequently through nudity or partial nudity, whereas those of the male body are not only clothed but also armored in the trappings of action and aggression. Thomas locates these various objects of folk art within a discussion of the post-women's movement discourse on gender. In addition to the items themselves, Thomas explores the stories and behaviors they generate, including legends of the supernatural about cemetery statues, oral narratives of yard artists, and accounts of pranks involving yard art. Narratives about children's play with Barbie, Ken, and G.I. Joe and the electronic folklore or lore about Barbie that circulates on the Internet. Male Nude Photography- Men's Feet Nick Baer, 2010-10-10 Famed photographer Nick Baer presents his first collection of men's bare feet. Of course there's more bare than just the men's feet. Two dozen male models in fine art poses, athletes and artists of different ethnic backgrounds. Full frontal male nudity, color. 40 pages. Thomas, Waugh, 1996. Waugh identifies four primary aspects of homoerotic photography and film: the artistic, the commercial, the illicit, and the politico-scientific, tracing their development against a background of advances in visual technology. This comprehensive work explores a vast eclectic tradition in its totality, analyzing the visual imagery in addition to its production, circulation, and consumption. **Male Nude Photography- Hands Galore** Nick Baer, 2012-08-11. Solitary Pleasures Paula Bennett, Vernon Rosario, 2020-04-23 Solitary Pleasures is the first anthology to address masturbation exploring both the history and artistic representation of autoeroticism Masturbation today enjoys a highly equivocal and contradictory status among cultural discourses relating to sexuality On the one hand it is the subject of much popular treatment especially in sexual self help books advice columns and in pop culture for example Madonna s Like a Virgin performance a recent Roseanne episode and David Russell s movie Spanking the Monkey On the other hand masturbation is still a taboo subject for most people in everyday conversation Perhaps more surprising it has been largely dismissed by academics as a trivial humorous topic and the history of a delusion It was not until the eighteenth century that onanism was portrayed as a morbid act of epidemic proportions that produced pox hair loss blindness insanity impotence and a horrible Its prevention and treatment warranted diverse and often cruel measures surveillance diets drugs corsets electrical alarms urethral cauterization clitoridectomy and labial sewing This literature s apocalyptic warnings about the personal and social morbidity of pollution by the hand are largely unknown to most people today but the ghostly echoes of these admonitions still inform and preserve the present taboo of the subject Why did this apparently innocuous activity become so overpoweringly stigmatized Why was the eradication of masturbation one of the most important goals of 19th century public hygiene Why even after the sexual revolution is masturbation still shrouded in shame **Rendering**

Violence Ross Barrett, 2014-08-29 Rendering Violence explores the problems and possibilities that the subject of political violence presented to American painters working between 1830 and 1890 a turbulent period during which common citizens frequently abandoned orderly forms of democratic expression to riot strike and protest violently Examining a range of critical texts this book shows for the first time that nineteenth century American aesthetic theory defined painting as a privileged vehicle for the representation of political order and the stabilization of liberal democratic life Analyzing seven paintings by Thomas Cole John Quidor Nathaniel Jocelyn George Henry Hall Thomas Nast Martin Leisser and Robert Koehler Ross Barrett reconstructs the strategies that American artists developed to explore the symbolic power of violence in a medium aligned ideologically with lawful democracy He argues that American paintings of upheaval render their subjects in divergent ways By exploring the inner conflicts that structure these painterly projects Barrett sheds new light on the politicized pressures

that shaped visual representation in the nineteenth century and on the anxieties and ambivalences that have long defined American responses to political turmoil **Toxicological Evaluation of Chemical Interactions** ,1994 **Environmental Health Perspectives** ,1993 **Technical Report of the Commission on Obscenity and Pornography** United States.
