This novel is about a girl s journey to maintain her authentic self to adulthood regardless of attempts to alter her core Brooklyn 1942 Leah was awakened from a deep sleep by the wails of a screaming baby Cupping her hands over her ears to muffle the sounds which were a cross between a howling cat in heat and the chortling of a hyena was no match for the insistent noise It was as if her hands were mere fishnets with open holes trying to barricade the continual oncoming assault from the baby s lungs Rolling over Leah tried to find the time on the windup clock next to the bed but the sun hadn t risen Even the constant rhythms of the ticktock were drowned out and she fumbled to turn on the lights to read the clock The bright light from the lamp went through her brain like a saber 4 03 a m Lying there in despair she was relieved when all of a sudden there was silence Pulling the blankets over her head she tried to return to sleep to no avail The lamplights coupled with the continual crying had created the beginning of a massive migraine She lay on the couch knowing the next occurrence As if by clockwork Shanna waddled into the living room eight months pregnant with baby number three Sorry She must be teething Leah s future flashed before her eyes Bi Parchamaan, The Flagless Ones Hassan H Faramarz,2011 A story of hope and then despair A story of courage and then fear A story of love found and then love lost a story of closeness and then abandonment A story of expectation and then dejection A story of optimism and then wretchedness A story of elation and then degradation A story of happiness and then anguish A story of anticipation and then denial A story of promises and then lies A story of good and then evil A story of euphoria and then Hell And finally at last a story of perseverance faith determination achievement and victory Fleeing for their very lives and the lives of their children an Iranian family finds heartbreak agony bigotry and hatred before finally finding the good that exists in some people Weep and laugh with Hassan and his family as he reveals to the world the trials and difficulties of being a refugee cut off from his native land needing seeking and finally finding a helping hand **The Third Hill North of Town** Noah Bly,2014-02-25 Set against the turbulent backdrop of the 1960s Noah Bly s evocative debut explores prejudice loss and redeeming courage through the prism of an unlikely friendship When fifty four year old Julianna Dapper slips out of a mental hospital in Bangor Maine on a
