Early Days Miss Read,2010-11-25 The enchanting childhood memoirs of bestselling author Miss Read Miss Read s early days were spent with two remarkable grandmothers one in Lewisham and one in Walton on the Naze EARLY DAYS is full of childhood memories of an extended family of uncles aunts and cousins and their houses full of mystery and adventure where Miss Read spent so much time living in the shadow of the First World War At the age of seven Miss Read moved to the small village of Chelsfield Kent into a magical new world and so began her love of the English countryside which was to have such a strong influence on her career as a writer Her evocative descriptions of the village school the joys of exploring the woods and lanes rich in wildlife and of childhood events from toffee making to the treat of a lift on the corn chandler s cart vividly convey this time as one of the happiest of her life

Ciulinerunak Yuuyagunak Ann Fienup-Riordan,2016-10-15 Based on the knowledge provided by six Calista Elders Council board members John Phillip of Kongiganak Paul John of Toksook Bay Nick Andrew of Marshall Moses Paukan of St Marys Martin Moore of Emmonak and Bob Aloysius of Kalskag *Believing Again* Daniel Taylor,2025-02-24 The numbers are alarming at least to people of faith Many especially the young are leaving the church and abandoning faith in God Social scientists have for decades been documenting with numbers what church leaders and families have experienced directly What is much less noted and evaluated is the substantial number of those who leave faith and the church and eventually come back to both Why people leave is an important question but so is why people return a question much less often

addressed Once people have made a clear and conscious break with their religious convictions and practice what leads many to return This book explores this important question primarily through listening to the stories these people tell It relies on stories not numbers allowing people to tell their own stories in their own words both why they left and why they returned One discovers from listening to their stories that there are recurring patterns People leave faith for common reasons and they also return for common reasons In fact many return for the flip side of why they left The shared factor in all returns is God s relentless love for each of them *The Twilight of Rome's Papal Nobility* Ugo Boncompagni Ludovisi

(1856-1935),2025-03-11 Today the Ludovisi district is one of Rome s most luxurious neighborhoods home to famous restaurants and some of the most expensive shops in the city But it was once private property part of an eighty six acre villa owned by the Boncompagni Ludovisis an ancient noble family with close ties to the papacy The story of how the palazzo fell out of the family s hands reveals the tremendous social upheavals that Italy underwent following its mid nineteenth century unification First privately published in 1921 *The Twilight of Rome's Papal Nobility* provides an intimate look at a family who grew up accustomed to almost unimaginable wealth power and glamour A descendant of two popes Ugo Boncompagni Ludovisi recounts the life story of his mother Agnese who was raised in a palace full of priceless artwork including pieces by Caravaggio and Michelangelo We get a window into Agnese s private life her girlhood marriage and raising of several children as her public life becomes increasingly tumultuous amid the family s struggles to retain its property A tender elegy to a bygone era Boncompagni Ludovisi s story provides a unique perspective on Italian history and Rome s urban redevelopment **Studies in the Social Sciences** ,1917 [Agriculture of the Hidatsa Indians](#) Gilbert Livingstone

Wilson,Waheenee,2022-05-29 Gilbert Livingstone Wilson s *Agriculture of the Hidatsa Indians* offers a meticulous ethnographic record of the agricultural practices of the Hidatsa a Native American tribe traditionally located in what is now North Dakota Crafted from the intimate and detailed narratives of Buffalo Bird Woman and her son the book transcends mere scholarly exposition to become a living document of a deeply intertwined relationship among people their culture and the land Wilson s literary style is both precise and narrative embedding the reader in the context of early 20th century ethnography and the larger socio historical framework of the American indigenous experience in the face of expanding settler society The comprehensive depiction of the Hidatsa s techniques from crop selection to harvest festivals reflects a profound cultural understanding that eschews external interpretation in favor of indigenous voice and perspective Educated at Harvard University and devoted to the systematic study of Native American cultures Wilson s bond with the Hidatsa through Buffalo Bird Woman and her son granted him unparalleled insights into their world This collaboration is a testament to Wilson s methodological innovation prioritizing authentic voice in ethnographic research His commitment captures the essence of the tribe s agricultural expertise presenting it as both a scientific account and a cultural testament *Agriculture of the Hidatsa Indians* will resonate with scholars of ethnography anthropology and agricultural history as well as with those

interested in Indigenous knowledge systems and environmental studies This text is an indispensable resource offering readers an immersive experience into Hidatsa society serving not only as an academic reference but as a tribute to the resilience and ingenuity of the Hidatsa people and their harmonious agricultural traditions Learning to Float Lili Wright, 2003-06-10 Lili Wright is a thirty something woman on the emotional lam Faced with a choice between two men Stuart the steady veterinarian and Peter the dreamy writer she climbs into her car and leaves them both behind With only a borrowed dog named Brando for company and a map of twelve states in her pocket Lili sets out on a road trip hoping that by setting herself in motion she will find a way to settle down Charting a course from Cadillac Mountain in Maine to the faded glory of Key West Florida she camps out on beaches and crashes on couches in sketchy motels and even in a cop s trailer She travels not only south but also back in time trying to figure out why previous relationships with a Nantucket waiter a French tennis clown a Utah ski bum and others flared and fizzled Along the way Lili meets a string of unlikely gurus including a well worn shrimper a vegan astrologer and even a woman who marries herself These and other unassuming strangers offer offbeat wisdom and guidance as Lili struggles to understand the nature of love the voodoo of sex and how couples can settle down without settling for Between adventures Lili tackles tough questions Why does everything love touches turn risky Does staying with the same person mean staying the same Where does love come from and where does it go By journey s end this restless traveler begins to see how she can share her life with just one other person and how love like water can make a body float Lili Wright s engaging memoir from the road updates the tradition of the picaresque traveler s tale With unflinching honesty and refreshing wit she captures the torn emotions comic misfires and inevitable trade offs felt by young people everywhere Autobiography Marcel Van, 2006 The story of Servant of God Brother Marcel Van a Vietnamese Redemptorist brother who was profoundly influenced by St Therese of Lisieux and who during the the division of Vietnam chose to remain in the monastery at Hanoi where he was later arrested and sent to a North Vietnamese prison camp Back cover **Life After J.E.B.
