Child,2022-03-24 Good morning friends When I posted an uplifting message on a social media platform one Sunday several years ago it was never intended to be perpetual To counteract all the negative posts that I had seen that day I wanted to give my friends a message of hope and encouragement But the following week I received several private messages asking for my Sunday sermon Thus began my Sunday messages that have continued almost weekly for over six years The messages all include a story usually from my own life and a moral to go along with it They are intended to give the reader an uplifting message of hope faith and encouragement or at the very least just something to ponder upon Reading these messages you will get a small glimpse into my quirky unpredictable life and the challenges that I have experienced as well as the lessons I have learned from them 52 Sundays will make you laugh cry and reflect and will leave you wanting more Happy Sunday

Ray of Hope Justo Lopez Jr.,2015-04-23 I said to Johnny The next big party thats going to happen is mine Papa Minutes later the sea began its assault on us that took on a life of its own It also tried to take mine *Pole Essentials* Goddess Star Monroe,2011-07-24 Come and peek inside my Pole Essentials Whether you are brand new to the world of pole dancing or already a seasoned pole athlete I have devised Pole Essentials to be just that an essential addition to your pole training and dancing I just adore pole dancing as it celebrates everything about being a woman our curves our sensuality our femininity our determination and our persistence You are now holding in your hands the perfect reference to make your learning experience effortless Not only do you have over 70 moves all beautifully photographed but I have included all my amazing pole tricks tips and body principles which are vital to your great pole practice Use it as a reference manual a pole journal or just as an inspiring reminder that you can achieve anything you desire Enjoy and have fun Pole's Apart Michelle McMeekin,2011-06-01 DescriptionPoles Apart tells the story of how suffering from severe mental health problems since the age of 17 nearly destroyed Michelle But now strangely when she looks back at her life she feels it has made her stronger It

took ten years before she was diagnosed with Bi polar disorder Her low episodes were caused by very excessive stress in the workplace as a personal assistant in local government and she had three breakdowns at the ages of 17 22 and 27 During this last one she threw herself under a train and miraculously survived with no injuries She was sectioned into a Victorian style mental hospital This she says was sheer hell on earth I decided to write my autobiography because I am convinced that there will be a lot of people out there in this stressful age who have suffered like me If one person picks up my book and I give them hope by everything that has happened to me and how my life is now happy and fulfilled then I will have a great sense of personal achievement I would like fellow sufferers who are currently still very ill to see that even though life seems so bleak at times things can turn round and you can get better About the Author Although married for 4 years Michelle was surprised to find herself pregnant Throughout the whole of the pregnancy she was still very depressed and convinced she was dying and that her body was tricking her into thinking she was pregnant Nobody knew Eventually she gave birth to Kirsty who she calls my darling daughter now aged 8 This turned her life around for the better Something registered in my sub conscious when I had Kirsty and I stopped thinking I was dying how could a dying body give birth to a healthy child Michelle loved being a mother and says she went a bit high afterwards but leveled off Sixteen months later she had a second daughter my lovely Lauren now aged 6 I love motherhood and I believe it has been my saviour **The Idler** Jerome Klapka
