My Thoughts As They Come:

My Thoughts Exactly Arthur G. Typermass, 2004-08-10 Why are parking lots the most dangerous places in America What are the hardest packages to open Do inanimate objects have a life Can they talk to one another What is the real purpose of those high walls along the interstate These and other daunting questions of our time will be answered definitively in this lively and witty collection of essays and stories Along the way we will travel alongside a band of latter day civil disobedients as they strive for a strange justice and empathize with a struggling artist as he seeks an unconventional pathway toward recognition In another tale a chance encounter on a snowy night in west Texas reveals what really went down the day the music died The author also revisits simpler times recalling a quiz show jackpot gone awry a cherished world series played long ago and the remembrance of cars past More fanciful diversions include the writers presentation on his own Presidential campaign a piece on why everyone is badly attired in a land of plenty and the ongoing challenges everyman faces today in coping with advancing technology A true Renaissance Man writer Typermass visits a wide array of subject matter in a book that captures one mans take on popular culture **My Thoughts** Ferrari King, 2024-05-03 This is some random stuff I wrote a long time ago I may not support everything I wrote back then **My Thoughts Exactly** Joe Stewart Pitts, 2010-04-09 Life is so full of ups and downs and we all have at one point or another experienced these trials and tribulations My Thoughts Exactly takes you to places I ve been and expresses just what it says my thoughts I imagine so many of us have often felt the same emotions and no one didn t quite understand what we were feeling I ve captured some of my deepest feeling that filled my soul while journeying through life and in the process I hope to assure you you re not alone in this circle of emotions there are others like yourself My Thoughts Shanda Brown, 2019-01-03 My Thoughts by Shanda Brown *My Thoughts* Ronald Oliver, 2018-11-09 In the Book of Habakkuk God answers a question asked of by the prophet by saying the following And the Lord answered me and said Write the vision and make it plain upon tables that he may run that readeth it Habakkuk 2 2 The reason that so many people both believers and nonbelievers are in the conditions they are in is because they have allowed themselves to lose the vision especially the vision of our coming of the Lord Jesus They have all owed themselves to be blinded by the things of this world The apostle Paul stated it like this In whom the God of this world hath blinded the minds of them which believe not lest the light of the glorious gospel of Christ who is the image of God should shine until them 2 Corinthians 4 4 We live in a society that is full of hate violence destruction wars and rumors of wars discrimination prejudice racism poverty atheism no reverence for God for God at all no fear of God Almighty The Bible lets us know The fool hath said in his heart There is no God They are corrupt they have done abominable works there is none that doeth good Psalm 14 1 The reason so many people both believers and nonbelievers have lost the vision is because they are not seeking the after God they are not turning from their wicked ways This is the reason District Elder Ronald Gene Oliver put together this book My Thoughts not only to spread the gospel of Jesus Christ but to let people who have feelings of no

hope that God is still alive and that he is still on the throne and in control regardless of all the negativity that exists in the world As has been stated before this book is not about fiction it is not a novel or a group of short stories It is an anthology i e a group of writings on various subjects having been preached taught and presented at different Bible classes church revivals seminars workshops conferences over a span of thirty plus years under the divine inspiration of God s Holy Spirit and impressed upon the heart of this author to put together in writing to touch the heart and soul whomever is the reader

A Collection of My Thoughts (Volume 1) Anna Ballard,2011-06-14 This insightful book takes you on a journey through the feelings of mental health sufferers on the long road to recovery Anna provides an emotive understanding of depression and seeks to eliminate the stigma related to it Heart warming and emotional poetry which will be enjoyed by anybody but particularly those who have a similar history to Anna What prompted me to start writing was a change in antidepressant which I believe stimulated the creative part of my brain the right hemisphere that wasn t being used before The effect was quite dramatic and within a week of starting on the new drug I began to churn out my thoughts as poetry I had never written anything before but what initially started out as a whim rapidly turned into something more substantial At my peak I was composing one or two poems a day but this has now moderated and I only write when something new happens in my life that I want to document it Anna Ballard

My Thoughts Exactly Bryton J. Zaagman,2022-03-21 Here on Earth we look up into the stars at night and wonder What is life How did we get here What is the meaning of life and if there is such a thing what is it Well both our scientists and religious leaders are in pursuit of these big questions in an attempt to answer them because we really do not have much factual information to answer these questions Above all else I want this book to help readers with answers to some of the most fascinating questions about ourselves and the Universe that we live in as well as the galaxy that we live in This book will help you understand life but not just life This book holds within itself chapters that cover questions and information about the birth of the Universe theoretical physics astronomy the reality of extraterrestrial influence that has shaped our past and present fate and destiny the science of politics the significance of ideas beliefs and dreams and much much more It is my goal in writing this book to captivate your curiosity about as many topics as I can while keeping the book itself short enough so that you may read it over a ride on an airplane a morning at a

coffee shop or perhaps on a weekend afternoon And maybe in reading this book you will understand my thoughts my thoughts exactly And just maybe after reading this book yourself you will put it down and think to yourself My thoughts exactly The Writer ,1887 The oldest magazine for literary workers Throw Away Your Thoughts and Change Your Life Avadhesh Agrawal,2012-05-08 Would you like to change your thinking Would you like to forget your past Would you like your horrible night dream to become very nice dreams Would you like your body pains and suffering to go away Would you like luck come your way Would you like positive things to happen in mysterious ways in your life more often than not Then this book is for you There are two methods given in this book and they will help you to achieve these goals 1 the first method is to control your physical and thinking karma and 2 the second method is a copyright by me and it will guide you to transform your thoughts from physical thoughts to non physical thoughts divine higher power God I did this in 6 9 months You do it once and then maintain it When you transform your thoughts then you throw away your thoughts such that all your thoughts happy sad and negative thoughts are thrown away This way all your thinking goes away Your mind does not go blank but you replace your mind with non physical thoughts Once you have accomplished this then you have new thinking without your baggage You will forget your past At this level your karma will improve and go positive and as this happens your horrible night dreams will become positive At time moves forward your body pains will slowly go away If you get hurt in sports then you will heal faster This is a very powerful method As time passes you may be able to establish communication with divine higher power God and you may begin to receive bells and whistles at some point If this happens then you will be an extremely happy person **Mind of a Mad Black Man: The Thoughts, Views & Random Banter of a Slightly**
