MYSTERY OF THE KINGDOM OF GOD ALBERT. SCHWEITZER, 2018 *The Mystery of the Kingdom of God; the Secret of Jesus' Messiahship and Passion* Albert Schweitzer, 2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1914 edition Excerpt AN INTRODUCTION BY THE TRANSLATOR 1 An Account of Schweitzer's Work and its Reception The work which is here translated was published in 1901 as the second part of a treatise entitled *Das Abendmahl* The full title reads *The Lord's Supper in connection with the Life of Jesus and the History of Early Christianity* This second part was issued separately and bore also the following sub title *Das Messianische und Leidensgeheimnis Eine Skizze des Lebens Jesu* It implies no disparagement of Schweitzer's novel and important study of the Lord's Supper that this second part is here separated from the first and published by itself in English This part is really independent It has moreover a much broader scope and appeals to a far wider interest than does the treatise as a whole There is reason to fear that appearing as a part of a study of the Lord's Supper and under that title it might be ignored by many of the persons who most would desire to read it The scant attention accorded at first to Schweitzer's work in Germany may be ascribed in part to that very cause and there appears to be no other reason to account for the fact that the Sketch has not yet been publicly noticed in England or America so far as the translator is aware It will not be denied even by those who are least inclined to agree with the views of the Author that this first work of the young Strassburg student did not deserve the oblivion which seemed to threaten it for some years after its appearance It is manifest now that Schweitzer's theory to say the least of it must be reckoned with by every one who would seriously study the Gospels or the Life of Jesus Obviously it was not the weakness of the book but rather its strong originality and in particular *The Mystery of the Kingdom of God* Albert Schweitzer, 1985 In this classic work Albert Schweitzer the great Protestant teacher lays down his thesis which has shaken and inspired modern Christian thought

on the precise nature of Jesus understanding of his own mission All previous presentations of the life of Jesus are satisfactory up to a point the inception of the thought of the Passion None renders intelligible Jesus sudden view that his death was necessary and that it was to be a saving act Schweitzer departs from convention by making the Passion his focal point which better enables us to understand Jesus life The Mystery of the Kingdom of God is required reading for those interested in the religious development of Western culture *The Mystery of the Kingdom of God: The Secret of Jesus' Messiahship and Passion* Schweitzer Albert,2019-02-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Mystery of the Kingdom of God** Albert Schweitzer,1950 *The Mystery of the Kingdom of God* Albert Schweitzer,2014-03 This is a reproduction of a book published before 1923 This book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process We believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide We appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

Mystery of the Kingdom of God The Secret of Jesus Messiahship and Passion The attempt to write a life of Jesus commencing not at the beginning but in the middle with the thought of the Passion must of necessity sometime be made Strange that it has not been made earlier for it is in the air The fact is that all presentations of the life of Jesus are satisfactory up to a certain point the inception of the thought of the Passion There however the connection fails Not one of them succeeds in rendering intelligible why Jesus now suddenly counts his death necessary and in what sense he conceives it as a saving act In order to establish this connection one must try the experiment of making the thought of the Passion the point of departure for the sake of rendering the former and latter periods of the life of Jesus comprehensible If we do not understand the idea of the Passion may not that be due to the fact that we have formed an erroneous notion of the first period of the life of Jesus and so have precluded for ourselves in advance all possibility of attaining insight into the genesis of the Passion idea About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

The Mystery of the Kingdom of God HardPress, Professor Albert Schweitzer, 2013-01 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy

of Jesus' Messiahship and Passion. Translated, and With an Introd. by Walter Lowrie Albert Schweitzer, 1956 **The Kingdom of God** John Fuellenbach, 2006-04-01 The fruit of many decades of study and teaching The Kingdom of God provides an impressive systematic treatment of the doctrine of the Kingdom of God It is a comprehensive review of this crucial symbol as well as a careful analysis of its meaning and a creative interpretation of the Kingdom motif for the church and Christians in our age The Kingdom of God begins by analyzing the background of this idea in Hebrew scripture and tradition and in the preaching of Jesus Fuellenbach explores how this elusive phrase presents a specific comprehensive view of reality and a goal for transforming the world In Fuellenbach's reading the Kingdom forms the core of Christian faith and the reference point of all theology spirituality and apostolic activity Fuellenbach pays special attention to the relationships among Kingdom Church and World arguing that with the Kingdom Jesus proclaimed a vision that embraces God humankind and the whole of creation in the single most comprehensive vision of reality imaginable The Kingdom of God is balanced and nuanced in its scholarship but also vigorous and courageous in taking positions sure to provoke debate For example Fuellenbach argues that the word Kingdom is to be preferred over the word Reign despite critiques that find the word problematic in its patriarchal connotations Designed for and tested in classrooms worldwide The Kingdom of God will be particularly useful in both scripture and theology courses It holds much food for thought for religious educators pastoral workers clergy and others who wish for a clear systematic understanding of Jesus vision of the Kingdom now and to come

Theology of the New Testament Georg Strecker, 2012-10-25 Contents are the theological conceptions of the authors of the New Testament considered from systematic viewpoints in the following sequence Paul the synoptics Jesus the saying source the Johannine literature including the Apocalypse of John the deutero Pauline writings the catholic epistles **A Mediator in Matthew** Craig D. Saunders, 2021-03-01 What is a consistent theological meaning of the Son of Man in the Gospel of Matthew For a suitable response it is essential to analyze all thirty Son of Man logia in their relative literary

contexts and in relationship to the gospel as a whole Also to bring out the uniqueness in Matthew s portrayal of the Son of Man a comparison with the other Synoptic Gospels aids the investigation This work argues that the answer lies in the role of the Son of Man in the first Gospel In Matthew Jesus the Son of Man functions as mediator of God s will to his genuine disciples As the Son of Man journeys through his earthly life climaxing in his death and resurrection Jesus mediates God s will through his message and works and by exhibiting active obedience to his Father in the heavens Jesus s genuine disciples learn how to emulate the Son of Man s character and ministry enabling them to continue it in their future mission At his parousia the Son of Man will mediate God s promised vindication and reward for his genuine disciples who have proven their fidelity to Jesus and God s will
