Mystery At The Globe:

Mystery at the Globe Michael Lawrence, 1998 After an argument with the landlord William Shakespeare and his daughter Judith decide to move their theatre across the river Thames At first it seems like a good idea But as they prepare for the big opening day strange things start to happen Someone is trying to sabotage their plans who could it be Can Judith help solve the mystery of the Globe Includes factual information Suggested level primary **The Mystery of the Earth** Israel Koren, 2010-01-25 Challenging the prevalent view that in order to establish his Dialogical thought Martin Buber had to forsake his earlier mystical work Israel Koren demonstrates instead that mystical paradigms serve as the foundation for Buber's dialogue and endow it with greater depth While most scholars portray Buber's dialogical thought mainly in its Western and modern philosophical background the author examines Buber's interpretation of Hasidic themes such as Devekut attachment to God among others in order to establish that his dialogical writings evolved out of his interpretation of Judaism in general his understanding of the Hasidic conception of the world and the mission of man in Hasidism in particular Buber's work is therefore shown to be original mystical neo Hasidic thought which serves as a new link in the historical chain of Jewish mysticism Modern Mysteries Katie Normington, 2007 A lively account of the modern staging of the medieval mystery plays richly illustrated with stills and other photographs The turn of the last millennium saw a sudden flourishing in the revival of the medieval mystery plays with a number of different productions being staged across the country and further afield But why were they staged What features of the plays attracted the modern day director What can the mystery plays offer today's producers directors participants and audiences This book seeks to answer these questions Beginning with an exploration of the original staging conditions the study goes on to examine the reasons why the plays are produced today and through a series of case studies looks at how notions of community identity and space are articulated within contemporary stagings it considers productions at Chester Chichester Leeds Lichfield Lincoln Toronto Worsbrough and York as well as productions by the Royal National Theatre Royal Shakespeare Company and the Belgrade Theatre Coventry Importantly the author uses evidence gleaned from interviews with directors and producers and observation of rehearsals and performances to bring a fresh and modern perspective to bear Richly illustrated KATIENORMINGTON is Professor of Drama at Royal Holloway University of London **The GLOBE Program Teacher's Guide**, 1996 **Confirmation** Barna William Donovan, 2018-07-16 THE EVIDENCE OF ANOTHER WORLD IS HERE In Mount Shasta City California In New Jersey In San Diego Then in Scotland in Italy and Cairo In dozens of locations around the world 20 ton granite globes suddenly appear They usually turn up overnight sometimes in remote locations and other times in the middle of cities in places no one could have put them without detection For the first time the world is witnessing a truly unexplainable phenomenon AND THE THREAT IS REAL As Rick Ballantine and Cornelia Oxenburg cast members of the low rent supernatural reality show Confirmation Investigations of the Unexplained quickly realize the globes greatest effect is the way they make people

speculate about their origins and purpose Some think the globes are placed by aliens Others think it s all a hoax Many more fear sinister government conspiracies behind it all But each of these points of view believes they re absolutely right and others who disagree are dead wrong and dangerous and must be dealt with by any means necessary Before the true incredible origin of the globes is finally revealed the Confirmation cast comes to see the extremes people are capable of when their beliefs are challenged and threatened even in their own group
