Reggie The Rocket Douglas Anderson, 2015-04-07 The story of *Reggie The Rocket* closely tracks the history of the 1960s British Blue Streak rocket program The author Douglas Anderson worked on the assembly and testing of the Rolls Royce RZ2 engines powering the Blue Streak and was present in Woomera Australia for the launch of F3 Based on that experience Douglas has assigned a personality to the rockets and has thus woven a whimsical element into an otherwise historical account of the Blue Streak Program *Reggie The Rocket* is F3 the third in line to be launched and Douglas was there to cheer him on It is a sad reality that most heavy lift booster rockets have been launched only to return to earth as scrap metal or to have disappeared into the ocean depths Only now fifty years after Blue Streak are serious attempts being made to return booster rockets safely back to the launch pad under their own power so they can be reused The days of throw away rockets must surely come to an end if humans are to continue with orbital flights and deep space exploration

Representing Douglas Anderson, 2015-07-13 Douglas Anderson the author was born in Derbyshire England After his father passed away Douglas went to live on his Grandfather's farm Never very interested in animal husbandry he leaned more toward the mechanical aspects of farming maintaining and operating machinery After an apprenticeship in the mechanical field Douglas joined Rolls Royce and began an interesting and diverse career In the ensuing years that career encompassed jet engines rocket engines and industrial gas turbines Douglas immigrated to Canada in 1967 to the USA in 1977 and back to Canada in 2001 An adventurous fourteen years while supporting RR products in Alaska prompted Douglas

to write and to become a published author For many years Anderson traveled and represented the company Representing covers those years and some of the situations humorous and otherwise that he and his fellow Reps encountered at home base and at far away places The characters are real and these events actually happened as described Most are documented for the first time in Representing **My Adventurous Friend** Douglas, Anderson,2015-11-10 My Adventurous Friend is based on accounts of my friend Hagen s life as he related it to me and of the adventures we enjoyed together in Alaska We would reminisce while sitting around a campfire in some wilderness area during our hikes and gold prospecting ventures We could be debating current events and somehow our talk would drift back to events of earlier times Over the years piece by piece I learned almost everything there was to know about my friend Hagen had a varied and adventurous life beginning in wartime Germany and by a circuitous route eventually migrated to Alaska in 1973 Hagen had a longing for adventure and was never satisfied with the status quo He was strong tenacious and once his mind was made up he would seldom deviate In his mind if it wasn t difficult then it wasn t worth doing He always said he was born one hundred years too late to be a real pioneer but he sure did his best to emulate them Hiking to our gold claim forty miles from the nearest gravel road and making it there alone in the dead of the Alaska winter was almost enough to satisfy his craving for adventure **The Church in the**

Coming Great Tribulation Steve Urick,2013-06-21 Christians today are widely being taught that the next event on the prophetic calendar is the any moment and signless Rapture of the Church Thus the bride of Christ will not have to go through the Great Tribulation But is that what the Bible truly teaches The Church in the Coming Great Tribulation examines the biblical doctrine of the Rapture and its timing in relation to the Day of the Lord as revealed by Jesus and the apostles If you have questions about the Rapture or doubt some of the things that are being taught by modern day prophecy teachers this timely work sheds light on the subject and will help clear up any confusion you might have The Chicago Trunk Murder

Elizabeth Dale,2011-09-01 On November 14 1885 a cold autumn day in the City of Broad Shoulders an enthusiastic crowd of several hundred watched as three Sicilians Giovanni Azari Agostino Gelardi and Ignazio Silvestri were hanged in the courtyard of the Cook County Jail The three had only recently come to the city but not long after they were arrested tried and convicted for murdering Filippo Caruso stuffing his body into a trunk and shipping it to Pittsburgh Historian and legal expert Elizabeth Dale brings the Trunk Murder case vividly back to life painting an indelible portrait of nineteenth century Chicago ethnic life there and a murder trial gone seriously awry Along the way she reveals a Windy City teeming with street peddlers crooked cops earnest reformers and legal activists all of whom play a part in this gripping tale The Chicago Trunk Murder shows how the defendants in the case were arrested on dubious evidence and held some for weeks without access to lawyers or friends The accused finally confessed after being interrogated repeatedly by men who did not speak their language They were then tried before a judge who had his own view and ruled accordingly The Chicago Trunk Murder revisits these abject breaches of justice and uses them to consider much larger problems in late nineteenth century criminal law Written with a

storyteller's flair for narrative and brimming with historical detail this book will be must reading for true crime buffs and aficionados of Chicago lore alike

Legacy of Violence John D. Bessler, The first comprehensive history of lynchings and state sanctioned executions in Minnesota Minnesota is one of only twelve states that does not allow the death penalty but that was not always the case In fact until 1911 executions in the state were legal and frequently carried out In *Legacy of Violence* John D Bessler takes us on a compelling journey through the history of lynchings and state sanctioned executions that dramatically shaped Minnesota's past Through personal accounts of those involved with the events Bessler traces the history of both famous and lesser known executions and lynchings in Minnesota the state's anti death penalty and anti lynching movements and the role of the media in the death penalty debate Bessler reveals Abraham Lincoln's thoughts as he ordered the largest mass execution in U S history of thirty eight Indians in Mankato after the Dakota Conflict of 1862 He recounts the events surrounding the death of Ann Bilansky the only woman ever executed in Minnesota and the infamous botched hanging of William Williams which led to renewed calls for the abolition of capital punishment He tells the story of the 1920 lynching in Duluth of three African American circus workers wrongfully accused of rape and the anti lynching crusade that followed The significant role that Minnesota played in America's transformation to private after dark executions is presented in the discussion of the midnight assassination law Bessler's account is made more timely by the thirty five hundred people on death row in America today more than at any other time in our nation's history Is Minnesota's current approach superior to that of states that have capital punishment Bessler looks at Minnesota history to ask whether the application of the death penalty can truly solve the problem of violence in America

Robert Nixon and Police Torture in Chicago, 1871-1971 Elizabeth Dale, 2016-05-25 In 2015 Chicago became the first city in the United States to create a reparations fund for victims of police torture after investigations revealed that former Chicago police commander Jon Burge tortured numerous suspects in the 1970s 80s and 90s But claims of police torture have even deeper roots in Chicago In the late 19th century suspects maintained that Chicago police officers put them in sweatboxes or held them incommunicado until they confessed to crimes they had not committed In the first decades of the 20th century suspects and witnesses stated that they admitted guilt only because Chicago officers beat them threatened them and subjected them to sweatbox methods Those claims continued into the 1960s In *Robert Nixon and Police Torture in Chicago 1871-1971* Elizabeth Dale uncovers the lost history of police torture in Chicago between the Chicago Fire and 1971 tracing the types of torture claims made in cases across that period To show why the criminal justice system failed to adequately deal with many of those allegations of police torture Dale examines one case in particular the 1938 trial of Robert Nixon for murder Nixon's case is famous for being the basis for the novel *Native Son* by Richard Wright Dale considers the part of Nixon's account that Wright left out of his story Nixon's claims that he confessed after being strung up by his wrists and beaten and the legal system's treatment of those claims This original study will appeal to scholars and students interested in the history of criminal justice and general

readers interested in Midwest history criminal cases and the topic of police torture *The Mysterious Case of the Victorian Female Detective* Sara Lodge,2024-09-24 A revelatory history of the women who brought Victorian criminals to account and how they became a cultural sensation From Wilkie Collins to the adventures of Sherlock Holmes the traditional image of the Victorian detective is male Few people realise that women detectives successfully investigated Victorian Britain working both with the police and for private agencies which they sometimes managed themselves Sara Lodge recovers these forgotten women s lives She also reveals the sensational role played by the fantasy female detective in Victorian melodrama and popular fiction enthralling a public who relished the spectacle of a cross dressing fist swinging heroine who got the better of love rats burglars and murderers alike How did the morally ambiguous work of real women detectives sometimes paid to betray their fellow women compare with the exploits of their fictional counterparts who always save the day Lodge s book takes us into the murky underworld of Victorian society on both sides of the Atlantic revealing the female detective as both an unacknowledged labourer and a feminist icon *Will Cuppy, American Satirist* Wes D. Gehring,2013-10-11 Back in the golden age of humor books late 1920s early 1950s when wits of the pantheon like Robert Benchley James Thurber and S J Perelman were producing their signature works there was another singular satirist who more than held his own with such fast company Will Cuppy 1884 1949 This factual funnyman s metier is dark comedy that flirts with nihilism His agenda is baldly stated in such classic Cuppy book titles as *How to Be a Hermit* 1929 *How to Tell Your Friends from the Apes* 1931 and *The Decline and Fall of Practically Everybody* 1950 This biography doubles as a critical study of a satirist whose shish kebabing of humanity was often done through the veiled anthropomorphic use of animals For a biographer Will Cuppy represents a treasure trove of possibilities He was a great humorist and most of his best work is still in print but until now he has never been the subject of a book length study His mesmerizingly complex and eccentric private life almost trumps the comic accomplishments of his public persona *Nation of Secrets* Ted Gup,2008-10-14 Award winning journalist Ted Gup exposes how and why our most important institutions increasingly keep secrets from the very people they are supposed to serve Drawing on his decades as an investigative reporter Ted Gup argues that a preoccupation with secrets has undermined the very values security patriotism and privacy in whose name secrecy is so often invoked He explores the blatant exploitation of privacy and confidentiality in academia business and the courts and concludes that in case after case these principles have been twisted to allow the emergence of a shadow system of justice unaccountable to the public *Nation of Secrets* not only sounds the alarm to warn against an unethical way of life but calls for the preservation of our democracy as we know it *H. H. Holmes* Adam Selzer,2019-04-02 America s first and most notorious serial killer and his diabolical killing spree during the 1893 World s Fair in Chicago now updated with a new afterword discussing Holmes exhumation on *American Ripper* H H Holmes *The True History of the White City Devil* is the first truly comprehensive book examining the life and career of a murderer who has become one of America s great supervillains It reveals not only the true story but how

the legend evolved taking advantage of hundreds of primary sources that have never been examined before including legal documents letters articles and records that have been buried in archives for more than a century Though Holmes has become just as famous now as he was in 1895 a deep analysis of contemporary materials makes very clear how much of the story as we know came from reporters who were nowhere near the action a dangerously unqualified new police chief and not least lies invented by Holmes himself Selzer has unearthed tons of stunning new data about Holmes weaving together turn of the century America the killer s background and the wild cast of characters who circulated in and about the famous castle building This book will be the first truly accurate account of what really happened in Holmes s castle of horror and now includes an afterword detailing the author s participation in Holmes exhumation on the TV series American Ripper Exhaustively researched and painstakingly brought to life H H Holmes will be an invaluable companion to the upcoming Martin Scorsese and Leonardo DiCaprio movie about Holmes s murder spree based on Erik Larson s *The Devil in the White City*
