Mythmakers Intellectuals The Intelli:

The Science Fiction Mythmakers Jennifer Simkins, 2016-09-02 A literary genre that pervades 21st century popular culture science fiction creates mythologies that make statements about humanity's place in the universe and embody an intersection of science religion and philosophy This book considers the significance of this confluence through an examination of myths in the writings of H G Wells Arthur C Clarke Philip K Dick and Frank Herbert Presenting fresh insights into their works the author brings to light the tendency of science fiction narratives to reaffirm spiritual myths **The Mythmakers** Raj P.

Mohan, 1987-10-20 This unique collection brings together various scholars of sociology and political science to explore the status and activities of the intellectuals and the intelligentsia past present and future The intellectuals and intelligentsia perform a social role as well as a mental function and are products of their age and country Their role in various parts of the globe and in different historical periods is compared and contrasted Long range historical perspective is provided by an essay on the sociology of intellectual creativity in the axial period of human history In addition the role of the intellectual and intelligentsia and its implications for the future development of Third World nations is considered Artificial Intelligence

Ronald Chrisley, Sander Begeer, 2000 The Mythmaker Carter Wheelock, 2014-05-29 Readers who are intrigued though often mystified by the intellectual fantasies of Jorge Luis Borges will find this book a revelation a skeleton key to one of the most fundamental and baffling aspects of Borges's fictions the pattern of symbolism with an inner meaning Carter Wheelock's study reduces a number of literary and intellectual abstractions to concrete terms enabling the reader to understand Borges's fantasies in ways that show them to be not so fantastic after all Indeed they are amazingly consistent and minutely accurate in their symbolic depiction of the magic universe of the mind Wheelock also discusses the affinity between Borges's philosophical idealism and his esthetic of the intelligence the relationship between these and the esthetic ideas of French Symbolism and the influence on his fictions of the Rubiyat of Omar Khayyam Why is it that this writer's writer from the Argentine erudite allusive elusive has attracted such international attention In Wheelock's opinion it is because he has symbolized in his short stories the fundamental form of the human consciousness the functioning of the imaginative world creating mechanism and the eternal battle between form and chaos The Mythmaker is concerned with elucidating the particulars of Borges's fictional works but even as it does so it also reveals their universality **Sociological Abstracts**
