The Mythology of the Mermaid and Her Kin Marc Potts,2001-02-01 **Bits of Spirit & Parts of Soul"...Reclaiming the Archetypes of Creation Within.** Nevine Z Rottinger,2014-12-01 Within every human as within the whole of creation there exist major fundamental directive and working energetic programmes Some call these massive force fields of influence the Archetypes whilst others call them Morphological Fields Ancient cultures recognised them as their Gods the Mind of God These fundamental energy fields are perhaps best understood as the bits of Prime Creator Great Spirit the parts of soul within humans plants animals the elements throughout creation As you read Book 1 and Book 2 describing the Major Archetypes of Creation you will gain a profound understanding of yourself the force field which permeates the very Stuff of Creation The content within these 2 books is divided into four stand alone parts which allow you the reader the freedom to explore any single group of archetypes in any order you wish Included are sections for those who wish to use the Vibrational Essences Elixirs which are designed to activate enhance these same Archetypal Energies within you should you wish it The material is channeled may at times break grammatical rules Just read as is you will understand the reason

Fantastic Creatures in Mythology and Folklore Juliette Wood,2018-08-23 Drawing on historical sources myth and folklore **Fantastic Creatures in Mythology and Folklore** explores the roles of fantastical beasts particularly the unicorn the mermaid and the dragon in a series of thematic chapters organised according to their legendary dwelling place be this land sea or air Through this original approach Juliette Wood provides the first study of mythical beasts in history from the medieval period to the present day providing new insights into the ways these creatures continue to define our constantly changing relationship to both real and imagined worlds It places particular emphasis on the role of the internet computer games and the cyberspace community and in doing so demonstrates that the core medieval myth surrounding these creatures remains static within the ever increasing arena of mass marketing and the internet This is a vital resource for undergraduates studying fantastic creatures in history literature and media studies **Mysterious Creatures** George M.

Eberhart,2002-12-17 A comprehensive guide to cryptozoology the quest to identify animals that have not been officially catalogued by science and to place these unknown animals into their proper zoological categories In this fascinating two volume encyclopedia author George M Eberhart provides a comprehensive catalog of nearly 1 000 cryptids unknown animals usually reported through eyewitness accounts and not yet described by science Cryptids are the stuff of folklore hoaxes and genuine scientific breakthroughs There are 400 now classified cryptids once considered either extinct or pure fantasy The cryptozoologist s job is to strip away the myth misidentification and mystery and separate fact from fiction **Mysterious Creatures** covers everything from dinosaurs and the emala ntouka an elephant killing dinosaur like animal of central Africa to searches for the Loch Ness monster Bigfoot and other cryptozoological hoaxes Entries about specific animals include the derivation or meaning of each cryptid s name its scientific name variant names a physical description behavior description of

tracks habitat significant sightings present status and possible explanations Illustrations and photographs accompany many entries The book also includes resources and references for further information *Magickal Mermaids and Water Creatures*

D. J. Conway, 2019-12-01 Brings these fabled creatures out of the storybooks and into real life Stories of the merfolk especially mermaids exist in nearly every culture that ever sailed the oceans or large rivers Humanlike except for their iridescent scaly tails mermaids and mermen have fascinated humans for thousands of years Because the largest of these beings exist in the oceans most people are not aware that smaller versions of the merfolk live in inland rivers streams marshes and waterfalls Like many other magical beings the merfolk travel easily between this world and the astral planes appearing only to those who truly seek to know them and learn their ancient powers *Magickal Mermaids and Water Creatures* bring these fabled creatures out of the storybooks and into real life through the studies of D J Conway Within the pages you will learn The secret powers of mermaids and mermen Different water creatures and where you can find them How to entice water folk for friendship and health How to avoid dangerous water folk This book was originally published in 2008 It is republished here with a new cover and a new foreword by Skye Alexander **Mermaids** Skye

Merpeople Vaughn Scribner, 2024-11-12 A wide ranging beautifully illustrated history of mermaids and mermen from the classics to cosplay People have been fascinated by merpeople and merfolk since ancient times From the sirens of Homer's Odyssey to Hans Christian Andersen's The Little Mermaid and the film Splash myths stories and legends of half human half fish creatures abound In modern times mermaiding has gained popularity among cosplayers throughout the world In *Merpeople A Human History* Vaughn Scribner traces the long history of mermaids and mermen taking in a wide variety of sources and using 117 striking images From film to philosophy church halls to coffee houses ancient myth to modern science Scribner shows that mermaids and tritons are and always have been everywhere **Faeriecraft** Neil Geddes-Ward, 2005

The faerie seeker is invited to follow the sparkling pathway to Elf Land through the pages of *Faeriecraft* The aim of this book is to reverse a trend that the magical and spiritual pathway of *Faeriecraft* has traditionally been kept a mysterious and elusive secret The authors passionately believe that the faeries are for everyone who seeks them This inspirational version of *Faeriecraft* is shaped from the authors own experiences and concepts which have been impressed upon her by the faeries themselves *Faeriecraft* takes the fey seeker on a step by step guide on how to practice this craft which is the creative

melding of the faerie faith and natural witchcraft Once faerie seekers have followed the exercises and insights throughout this book they can emerge inspired to work with the faeries and have the knowledge and confidence to call themselves a faerie priest or priestess Mermaids and the Production of Knowledge in Early Modern England Tara E.

Pedersen,2016-04-22 We no longer ascribe the term mermaid to those we deem sexually or economically threatening we do not ubiquitously use the mermaid s image in political propaganda or feature her within our houses of worship perhaps most notably we do not entertain the possibility of the mermaid s existence This author Tara Pedersen argues makes it difficult for contemporary scholars to consider the mermaid as a figure who wields much social significance During the early modern period however this was not the case and Pedersen illustrates the complicated category distinctions that the mermaid inhabits and challenges in 16th and 17th century England Addressing epistemological questions about embodiment and perception this study furthers research about early modern theatrical culture by focusing on under theorized and seldom acknowledged representations of mermaids in English locations and texts While individuals in early modern England were under pressure to conform to seemingly monolithic ideals about the natural order there were also significant challenges to this order Pedersen uses the figure of the mermaid to rethink some of these challenges for the mermaid often appears in surprising places she is situated at the nexus of historically specific debates about gender sexuality religion the marketplace the new science and the culture of curiosity and travel Although these topics of inquiry are not new Pedersen argues that the mermaid provides a new lens through which to look at these subjects and also helps scholars think about the present moment methodologies of reading and many category distinctions that are important to contemporary scholarly debates
