Neutered Mother The Sexual Family And Other 20th Century Tragedies

Margaret F. Brinig

Neutered Mother The Sexual Family And Other 20th Century Tragedies:

In a Queer Country Terry Goldie,2002-07-01 A groundbreaking collection of fourteen essays on the struggles pleasures and contradictions of queer culture and public life in Canada Versed in queer social history as well as leading edge gay and lesbian studies queer theory and post colonial studies *In a Queer Country* confronts queer culture from various perspectives relevant to international audiences Topics range from the politics of the family and spousal rights to queer black identity from pride parade fashions to lesbian park rangers

A Parent-Partner Status for American Family Law Merle H. Weiner,2015-09-17 This book proposes a new parent partner legal status emphasizing obligations of parents to each other and to their children

The Public Family David Herring,2010-11-23 Those concerned with investigating the political functions of the family far too often identify only one the production of good democratic citizens As a result public discussion of family law and policy has been confined to a narrow continuum that ignores the family s other often subversive political functions In *The Public Family* David Herring s goal is to create a new rhetoric that moves beyond the stalemate that often results from the war between advocates of parental rights and those of children s rights This rhetoric of associational respect allows him to constructively address the role of rights and the limits of individualism in political and legal theory While acknowledging the family s importance in facilitating state functioning and power in a large pluralistic democracy the aforementioned production of good citizens Herring fully explores the ways in which the family produces diversity and promotes tolerance Unlike other works on the subject which view the differences between individuals as constituting the central challenge for American society Herring focuses on the importance of such differences In doing so he enriches and enlivens the often divisive public discussion of family law and policy

Women and the U.S. Constitution Sibyl A. Schwarzenbach,Patricia Smith,2004-02-18 *Women and the U S Constitution* is about much more than the nineteenth amendment This provocative volume incorporates law history political theory and philosophy to analyze the U S Constitution as a whole in relation to the rights and fate of women Divided into three parts History Interpretation and Practice this book views the Constitution as a living document struggling to free itself from the weight of a two hundred year old past and capable of evolving to include women and their concerns Feminism lacks both a constitutional theory as well as a clearly defined theory of political legitimacy within the framework of democracy The scholars included here take significant and crucial steps toward these theories In addition to constitutional issues such as federalism gender discrimination basic rights privacy and abortion *Women and the U S Constitution* explores other issues of central concern to contemporary women areas that strictly speaking are not yet considered a part of constitutional law Women s traditional labor and its unique character and women and the welfare state are two examples of topics treated here from the perspective of their potentially transformative role in the future development of constitutional law

Exploring Masculinities Martha Albertson Fineman,Michael Thomson,2016-04-15 While masculinities theory has had much to say on relationships of subordination few

feminist legal scholars have examined the implications of masculinities theory for feminist legal theory This volume investigates the ways in which emerging masculinities theory in law could inform feminist legal theory in particular and law in general As many of the chapters in this collection illustrate law is constantly in a dynamic interaction with masculinities it has both influenced existing masculinities and has been influenced by those masculinities The contributions focus feminist and critical theoretical attention on masculinities and consider the implications of masculinities theory for law and legal theory The book sets out the theoretical trajectory of masculinities studies as a field and its application in law and uses insights from a masculinities approach to study socio political construction of gender identities in specific settings It also explores how understanding historical construction of gender identities can inform more effective public policy and activism Written by leading experts in the area the book poses important questions about the development of the relationship between feminisms and masculinities theory and will be essential reading for those working in law and gender and related areas

Debating Democracy's Discontent Anita L. Allen, Milton C. Regan, 1998-10-15 In this timely and provocative volume some of the world's leading political and constitutional theorists come together to debate Michael Sandel's celebrated thesis that the United States is in the grip of a flawed public philosophy procedural liberalism Beginning with an original stage setting introduction by Ronald Beiner and ending with a reply by Michael Sandel Sandel's liberal and feminist critics square off with his communitarian and civic republican sympathizers in a lively and wide ranging discussion spanning constitutional law culture and political economy Practical topical issues of immigration gay marriage federalism adoption abortion corporate speech militias and economic disparity are debated alongside theories of civic virtue citizenship identity and community Not only does this volume provide the most comprehensive and insightful critique of Sandel's *Democracy's Discontent* to date it also makes a very significant substantive contribution to contemporary political and legal philosophy in its own right It will prove essential reading for all those interested in the future of American politics law and public philosophy

Regulating Family Responsibilities Jo Bridgeman, 2016-04-08 This collection brings together some of the most eminent and exciting authors researching family responsibilities to examine understandings of the day to day responsibilities which people undertake within families and the role of the law in the construction of those understandings The authors explore a range of questions fundamental to our understanding of responsibility in family life To whom and to what ends are family members responsible Is responsibility primarily a matter of care Can we fulfil our family responsibilities by paying those to whom we owe responsibility Or by paying others to fulfil our caring obligations for us In each of these circumstances the chapters in this collection explore what it means to have family responsibilities what constitutes an adequate performance of such responsibilities and the point at which the state intervenes At the heart of this collection is an interest in the way in which the changing family affects people's perception and exercise their family responsibilities and how the law attempts to regulate and understand those responsibilities The essays range across intact and separated or

fragmented families from lone and shared parenting in single homes to caring across households and even across international boundaries to reflect on the actual caring responsibilities of family members and on the fulfilment of financial responsibilities in families This collection seeks to advance our understanding of the attempts of the law and its limits in regulating the responsibilities which family members take for each other

Marriage at the Crossroads Marsha Garrison, Elizabeth S. Scott, 2012-10-15 The institution of marriage is at a crossroads Across most of the industrialized world unmarried cohabitation and nonmarital births have skyrocketed while marriage rates are at record lows These trends mask a new idealized vision of marriage as a marker of success as well as a growing class divide in childbearing behavior the children of better educated wealthier individuals continue to be born into relatively stable marital unions while the children of less educated poorer individuals are increasingly born and raised in more fragile nonmarital households The interdisciplinary approach offered by this edited volume provides tools to inform the debate and to assist policy makers in resolving questions about marriage at a critical juncture Drawing on the expertise of social scientists and legal scholars the book will be a key text for anyone who seeks to understand marriage as a social institution and to evaluate proposals for marriage reform

Family, Law, and Community Margaret F. Brinig, 2010-05-15 In the wake of vast social and economic changes the nuclear family has lost its dominance both as an ideal and in practice Some welcome this shift while others see civilization itself in peril but few move beyond ideology to develop a nuanced understanding of how families function in society In this provocative book Margaret F Brinig draws on research from a variety of disciplines to offer a distinctive study of family dynamics and social policy Concentrating on legal reform Brinig examines a range of subjects including cohabitation custody grandparent visitation and domestic violence She concludes that conventional legal reforms and the social programs they engender ignore social capital the trust and support given to families by a community Traditional families generate much more social capital than nontraditional ones Brinig concludes which leads to clear rewards for the children Firmly grounded in empirical research *Family Law and Community* argues that family policy can only be effective if it is guided by an understanding of the importance of social capital and the advantages held by families that accrue it

Pursuing Equal Opportunities Lesley A. Jacobs, 2004 This book offers original and innovative contributions to the debate about equality of opportunity The first part sets out a theory of equality of opportunity that presents equal opportunities as a normative device for the regulation of competition for scarce resources The second part shifts the focus to the consideration of the practical application by courts or legislatures or public policy makers of policies for addressing racial class or gender injustices The author examines standardized tests affirmative action workfare universal health care comparable worth and the economic consequences of divorce

Church, State, and Family John Witte (Jr.), 2019-04-11 Presents a robust defence of the essential place of stable marital families in modern liberal societies

Informal Carers and Private Law Brian Sloan, 2012-12-07 Every day large numbers of altruistic individuals in the absence of any legal duty provide substantial and

essential services for elderly and disabled people In doing so many such informal carers suffer financial and other disadvantages This book considers the scope for a private law approach to rewarding supporting or compensating carers an increasingly vital topic in the context of an ageing population and the need for savings in public expenditure Adopting a comparative approach the book explores the recognition of the informal carer and his or her relationship with the care recipient within diverse fields of private law from unjust enrichment to succession Aspects of the analysis include the importance of a promise of a reward from the care recipient and the appropriate measure of any remedy In considering the potential for expansion of a private law approach for carers the book addresses the fundamental and controversial question of the price of altruism Winner of the University of Cambridge s Yorke Prize 2014 **Marriage, Sexuality, and Gender** Robin West, 2015-12-03 Marriage Sexuality and Gender examines contemporary debates about the meaning and value of marriage The book analyzes arguments for traditional marriage including those of neonaturalists utilitarians and communitarians or virtue theorists The volume also considers a range of feminist welfarist and liberationist arguments for ending the institution altogether It evaluates two major reform movements one focused on expanding marriage to include same sex couples and the other focused on the use of law to render marriage more internally just The book concludes with a plea to activists to redirect marriage equality movements toward the creation of an entirely secular civil union law that would respect a broader range of private life long commitments including but not limited to same and opposite sex couples without threatening the role of religious marriage in the lives of those who embrace it and without penalizing nonparticipants

Women's Rights in the USA Dorothy E. McBride, Janine A. Parry, 2016-02-05 Women s Rights in the USA is a rigorous examination of the intersection of gender roles and public policy and the implications for feminist activists The book places full information on state and federal statutes and court decisions in the context of the ebb and flow of debates that have engaged the public since the founding of the Republic This fifth edition includes updates on all topics and expanded attention to same sex marriage and lesbian issues pay equity conservative trends in courts and women in elective politics This text is a resource for the inquiry into women s rights politics and policies It is a record of the changes in the major areas affecting gender roles and the status of women constitutional law political participation reproduction family law education work and pay work and family sexuality and economic status It is more than a recital of laws statutes and court decisions The chapters focus on the development of the changes in debates over these issues and how the debates produce laws and provide the environment for their administration and interpretation It also highlights the role and impact of feminists in the debates

The Routledge Handbook of the Philosophy of Childhood and Children Anca Gheaus, Gideon Calder, Jurgen De Wispelaere, 2018-07-20 Childhood looms large in our understanding of human life as a phase through which all adults have passed Childhood is foundational to the development of selfhood the formation of interests values and skills and to the lifespan as a whole Understanding what it is like to be a child and what differences childhood makes are thus essential for

any broader understanding of the human condition The Routledge Handbook of the Philosophy of Childhood and Children is an outstanding reference source for the key topics problems and debates in this crucial and exciting field and is the first collection of its kind Comprising over thirty chapters by a team of international contributors the Handbook is divided into five parts Being a child Childhood and moral status Parents and children Children in society Children and the state Questions covered include What is a child Is childhood a uniquely valuable state and if so why Can we generalize about the goods of childhood What rights do children have and are they different from adults rights What if anything gives people a right to parent What role if any ought biology to play in determining who has the right to parent a particular child What kind of rights can parents legitimately exercise over their children What roles do relationships with siblings and friends play in the shaping of childhoods How should we think about sexuality and disability in childhood and about racialised children How should society manage the education of children How are children s lives affected by being taken into social care The Routledge Handbook of the Philosophy of Childhood and Children is essential reading for students and researchers in philosophy of childhood political philosophy and ethics as well as those in related disciplines such as education psychology sociology social policy law social work youth work neuroscience and anthropology

Analysing Social Policy Greg Marston, Catherine McDonald, 2006-01-01 This book brings together leading international researchers to discuss governmental approaches to analysing social policies Analysing Social Policy expands the scope of social policy analysis using the insights from post Foucauldian scholarship on the art of governing in liberal democracies One of the main conclusions reached is that policy researchers need to pay much greater attention to the minutiae of policy reform and to the discursive and material ways in which power operates in policy change The chapters comprising this book are purposefully written in a clear accessible and reflective manner with each of the contributions empirically grounded drawing on social policy problems and practices in many countries ranging from North America to Europe to Australasia The editors address key concerns of both policy analysts as well as academic researchers attempting to locate appropriate theoretical frameworks to make sense of welfare state restructuring in the 21st century This book will appeal to researchers and research students in political science social policy social work and sociology through its demonstration of how to apply contemporary social theory to research problems It will also be of interest to policy scholars around the world who are involved in analysing the intersections of power politics and policy

On Civic Friendship Sibyl A. Schwarzenbach, 2009-08-22 Women have performed the vast majority of often unpaid friendship labor for centuries Embodying the freedom equality and ideals of the Constitution civic friendship emerges as a necessary condition for genuine justice Through a critical examination of social and political relationships from ancient times to today Sibyl Schwarzenbach develops a truly innovative feminist theory of the democratic state Beginning with an analysis of Aristotle s notion of political friendship Schwarzenbach brings the philosopher s insights to bear on the social and political requirements of the modern state She elaborates a conception of civic friendship that with its ethical reproductive

praxis functions differently from male centered notions of fraternity and with its female participants remains fundamentally separate from generalized male inflected claims of Marxist solidarity Schwarzenbach also distinguishes civic friendship from feminist calls for public care arguing that friendship unlike care not only is reciprocal but also seeks to establish and maintain equality Schwarzenbach concludes with various public institutions economic legal and social that can promote civic friendship without sacrificing crucial liberties In fact women s entrance into the public sphere en masse makes such ideals realistic within a competitive individualistic society *Exploring Masculinities* Professor Martha Albertson

Fineman,2013-11-21 Written by leading experts in the area this volume investigates the ways in which emerging masculinities theory in law could inform feminist legal theory in particular and law in general As many of the chapters in this collection illustrate law is constantly in a dynamic interaction with masculinities it has both influenced existing masculinities and has been influenced by those masculinities The contributions focus feminist and critical theoretical attention on masculinities and consider the implications of masculinities theory for law and legal theory *Ironic Freedom* J.

Baer,2013-10-23 *Ironic Freedom* asserts that freedom from governmental interference may make people vulnerable to other sources of coercion these affects vary by gender race and class Increasing negative freedoms may reinforce existing asymmetrical power relationships within society *Reaction and Resistance* Dorothy E. Chunn,Susan Boyd,Hester

Lessard,2011-11-01 The image of backlash is pervasive in contemporary debates about the impact of second wave feminism on law and policy But does it really explain the resistance to feminist initiatives for social change in contemporary culture In this timely volume contributors from various disciplines analyze reaction and resistance to feminism in several areas of law and policy child custody child poverty sexual harassment and sexual assault and in a number of institutional sites such as courts legislatures families the mainstream media and the academy Collectively their studies paint a more complicated often contradictory picture of feminism law and social change than the popular image of backlash suggests *Reaction and Resistance* offers feminists and other activists empirically grounded knowledge that can be used to develop legal and political strategies for change

Neutered Mother The Sexual Family And Other 20th Century Tragedies Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Neutered Mother The Sexual Family And Other 20th Century Tragedies free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Neutered Mother The Sexual Family And Other 20th Century Tragedies free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Neutered Mother The Sexual Family And Other 20th Century Tragedies free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Neutered Mother The Sexual Family And Other 20th Century

Tragedies. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Neutered Mother The Sexual Family And Other 20th Century Tragedies any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Neutered Mother The Sexual Family And Other 20th Century Tragedies Books

1. Where can I buy Neutered Mother The Sexual Family And Other 20th Century Tragedies books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
