And now he was demanding that she provide him with an heir. What more could go wrong with her world? Harrison had to marry and produce an heir or he'd lose his title. And he had a very short period of time in which to accomplish that miracle. Unfortunately the only woman who had ever affected him wouldn't give him the time of day until he discovered her brother stealing priceless artifacts out of his home. Now he could manipulate the situation to his benefit. The woman who had evaded him for so many years would finally be his.

A delightfully improper romp between a buttoned up blacksmith and a spinster who loves racy novels from a New York Times bestselling author. Meg Church adores two things: life in a village of perennial Yuletide and the freedom of being a spinster with no reputation to protect. Oh very well, three things. She's harbored a secret tendre for Christmas curmudgeon Lucien le Duc since the moment she first glimpsed him. But the sexy blacksmith won't give her the time of day, much less a night of torrid passion. Ever since Lucien le Duc was forced to flee his beloved France during the revolution, his all-consuming goal has been to recover not only his lost land and fortune but also his rightful place among the French aristocracy. He would never be distracted by an English dairy maid's sultry glances or her soul-consuming kisses or the temptation to turn one night into forever.

The 12 Dukes of Christmas is a series of heartwarming Regency romps nestled in a picturesque snow-covered village. Twelve delightful romances and plenty of delicious dukes.
