NEW AGE MOVEMENT

Although the words "New Age" might cause you to assume the ideas of this movement are new, little is new about the New Age Movement.

The phrase "New Age" comes from the idea that the world will soon enter a utopian Age of Aquarius. And the mind-set of this movement has influenced almost every area of life: education, culture, medicine, religion, politics, psychology and science.

Why have so many chosen to adopt the beliefs of this movement, which emphasizes the mental and spiritual dimensions of man? Do New Age ideas agree or disagree with the Bible?

Discover the answer in this informative booklet by Harold J. Berry.
