Nothing But Your Love:

Joy Osho, 2004-03-18 The Insights for a New Way of Living series aims to shine light on beliefs and attitudes that prevent individuals from being their true selves With an artful mix of compassion and humor Osho encourages his audience to confront what they would most like to avoid which in turns provides the key to true insight and power In Joy The Happiness That Comes From Within the seventh book in this series Osho posits that to be joyful is the basic nature of life Joy is the spiritual dimension of happiness in which one begins to understand one's intrinsic value and place in the universe Accepting joy is a decision to go with the flow to be grateful to be alive and for all the challenges and opportunities in life rather than setting conditions or demands for happiness Joy is a wondrous investigation into the source and importance of joyfulness in our lives
