So You've Registered, What Now? - E-Book Joleen McKee,2022-12-20 Full of real life tips and insights from practising nurses this new title gives encouragement and advice to help newly qualified registrants prepare as they start work in the ever changing world of health care So You ve Registered What Now does not cover clinical skills but rather concentrates on the practical essentials of working as a nurse in different settings from hospitals to the community and research sectors Written in an easy to follow conversational style it takes the reader through relevant regulations and provides up to date guidance on how to survive as a nurse in the real world Being a newly registered nurse can be a daunting experience New nurses will find this book an invaluable resource that will help them navigate the sometimes convoluted path to establishing their career as well as a support and guide through the highs and lows of their working life Current regulations and policies and how to navigate them Definitions of technical terms and abbreviations Tips from nurses lived experience Discussion of preceptorship nursing during the COVID 19 pandemic and reflection

Nurses' Extraordinary Experiences During the COVID-19 Pandemic Kirsten B. Smith,Paula M. Gabriel,Margaret Mullen-Fortino,James R. Ballinghoff,Pamela Z. Cacchione,2024-10-30 Nurses shared their joys sorrows and grief with compassion during the most devastating pandemic of our generation Here in their own words nurses share what it was like to take care of these very sick and often dying patients with COVID 19 Nurses were often the only clinicians going into the patients rooms going above and beyond their role to help contain the virus and efficiently manage supplies No one really understood what it was like to be a nurse during a poorly understood pandemic

Nurses worried about contracting the virus and bringing the virus home We hope that this book conveys the nurses crucial role We hope this book can help quell some of the misunderstandings of how deadly COVID 19 was and how grateful nurses were when the vaccine started rolling out to the community These nurses were strong on their own but even stronger together
