in this book may also keep new nurses from leaving the field if they are able to develop successful mentoring relationships. It is a bargain at 25.00. Choice For those looking for a mentor, this book provides invaluable advice on what attracts mentors and makes them believe in you and be willing to support your development. This book is an excellent resource for mentors and protégés. Nurse Educator Dr. Vance's pioneering work on mentorship has provided us with the language, understanding, and strategies for building these essential professional support relationships. This book extends her work in practical and useful ways that will help us build the new generation of excellent clinical experts, advocates, and nurse leaders. From the Foreword by Diana J. Mason, PhD, RN, FAAN, Editor in Chief Emeritus, The American Journal of Nursing. This newest addition to the Fast Facts series provides insight for protégés and mentors on using mentoring to build new generations of successful nurses. It covers a quick history of why mentoring is important, how a protégé can identify and mentor, and how to develop and maintain a healthy mentor-protégé relationship. It also contains the necessary tools to help novice nurses benefit from mentor support through difficult and sometimes frightening and confusing times. Written by Connie Vance, an innovator in nursing mentorship research, this book presents new nurses with tools to identify the perfect mentor match and cultivate the mentor relationship in ways that result in valuable career-building insight. It includes guidelines to ensure a truly valuable and influential mentor relationship contributing to career success in nursing. Key Features: Contains guidelines for creating a personal mentor action plan complete with a chart for use in mentoring practice. Provides 10 tips on raising mentor intelligence and how to use it as a source for career success. Highlights resources for networking and collective mentoring to assist in career development.
