Red Chinas Cultural Revolution:

Red China's Cultural Revolution Yin Tso Hsiung, 1968 Blood Red Sunset Ma Bo, 1996-07-01 A searing first hand account of China's Cultural Revolution that joins the ranks of great memoirs such as *Life and Death in Shanghai* Wild Swans and *A Chinese Odyssey* First banned in its native land this earthy unflinching memoir has become one of the biggest bestsellers in the history of China In 1968 a fervent young Red Guard joined the army of hotheaded adolescents who trekked to Inner Mongolia to spread the Cultural Revolution After gaining a reputation as a brutal abuser of the local herd owners and nomads Ma Bo casually criticized a Party Leader Denounced as an active counterrevolutionary and betrayed by his friends the idealistic youth was brutally beaten and imprisoned Charged with passion never doctrinaire *Blood Red Sunset* is a startlingly vivid and personal narrative that opens a window on the psyche of totalitarian excess that no other work of history can provide This is a tale of ideology and disillusionment a powerful work of political and literary importance A deceptively straightforward story carried forward by deep currents of insight The Washington Post A genuine no holds barred unadorned piece of writing echoing the realities of contemporary China Liu Binyan The New York Times Book Review **China's Cultural Revolution** Gargi Dutt, Vidya Prakash Dutt, 1970 **Red Memory** Tania Branigan, 2023-05-09 Winner of the Cundill History Prize Shortlisted for the Dayton Literary Peace Prize Shortlisted for the Baillie Gifford Prize for Non Fiction Shortlisted for the Kirkus Prize in Nonfiction Shortlisted for the British Academy Book Prize for Global Cultural Understanding One of the Wall Street Journal's Ten Best Books of 2023 One of Time's 100 Must Read Books of 2023 A Kirkus Reviews Best Nonfiction Book of 2023 Masterful and crystalline It feels as if Joan Didion turned her powers of observation on China Evan Osnos National Book Award winning author of *Age of Ambition* An indelible exploration of the invisible scar that runs through the heart of Chinese society and the souls of its citizens It is impossible to understand China today without understanding the Cultural Revolution Tania Branigan writes During this decade of Maoist fanaticism between 1966 and 1976 children turned on parents students condemned teachers and as many as two million people died for their supposed political sins while tens of millions were hounded ostracized and imprisoned Yet in China this brutal and turbulent period exists for the most part as an absence official suppression and personal trauma have conspired in national amnesia *Red Memory* uncovers forty years of silence through the stories of individuals who lived through the madness Deftly exploring how this era defined a generation and continues to impact China today Branigan asks What happens to a society when you can no longer trust those closest to you What happens to the present when the past is buried exploited or redrawn And how do you live with yourself when the worst is over **Red Legacies in China** Jie Li, Enhua Zhang, 2020-10-26 What has contemporary China inherited from its revolutionary past How do the realities and memories aesthetics and practices of the Mao era still reverberate in the post Mao cultural landscape The essays in this volume propose red legacies as a new critical framework from which to examine the profusion of cultural productions and afterlives of the communist revolution in order to

understand China's continuities and transformations from socialism to postsocialism Organized into five parts red foundations red icons red classics red bodies and red shadows the book's interdisciplinary contributions focus on visual and performing arts literature and film language and thought architecture museums and memorials Mediating at once unfulfilled ideals and unmourned ghosts across generations red cultural legacies suggest both inheritance and debt and can be mobilized to support as well as to critique the status quo *The Red Mirror* Chihua Wen, 2018 [Red Flower of China](#) Zhai Zhenhua, 2003-07 The Cultural Revolution had transformed me into a devil writes Zhai In 1966 at age 15 she led a Red Guard brigade that tortured Chinese citizens branded counterrevolutionaries She beat innocent people to death and had others exiled her squad raided homes and murdered people Now a professor of engineering in British Columbia Zhai expresses remorse and guilt rather perfunctorily and her cool confession is tinged with rationalizations She blames the flourishing of her evil barbaric side on her blind faith in Chairman Mao Her fervor gave way to bitter disillusionment when she herself was banished to the countryside in 1969 to do three years of hard labor and be re-educated by peasants This is a grisly account of how political brainwashing can induce converts to commit monstrous acts **The Red Mirror** Chihua Wen, 2018-02-12 These evocative stories bring to life the tragic personal impact of the Cultural Revolution on the families of China's intellectuals Now adults survivors recall their childhood during the tumultuous years between 1965 and 1976 when Mao's death finally drew a curtain on a bitterly failed social and political experiment A series of first person narratives eloquently describes the life long influence of this seminal period on China's children Those who were teenagers in the late 1960s joined the Red Guards and the revolutionary rebel groups following Mao's directives to make revolution often to their own undoing Those who were too young to participate directly were even more vulnerable Although they had little understanding of the political firestorm that engulfed their parents they were old enough to understand and feel the terror it brought Vividly capturing the emotional intensity of the time these stories explore what it was like to be caught up in revolutionary fervor to be sent to the countryside to be separated either ideologically or physically from one's parents often forever By undermining families and family structure the Cultural Revolution created a generation of Chinese who view politics the Communist Party and life itself with deep cynicism Presenting a spectrum of individual stories of people who saw the Cultural Revolution through the eyes of a child *The Red Mirror* offers rare insights for understanding the crippling legacy of the Cultural Revolution **China During the Cultural Revolution, 1966-1976** Tony H. Chang, 1999-01-30 One of the most tumultuous periods in modern Chinese history the Cultural Revolution affected virtually all Chinese people and all aspects of Chinese life including art music and drama education factory management economic planning and medical care Studies of the Cultural Revolution in both Chinese and Western languages have burgeoned over the past three decades This comprehensive easy to use bibliography provides a guide to published English language sources on the Cultural Revolution With over a thousand entries it includes books monographs dissertations and audio visual materials on a broad range of topics from the military

education religion and economics to foreign relations population art literature and drama Including titles published through the end of 1997 and a few in 1998 the book provides a general overview of the literature on the Chinese Cultural Revolution and its impact on China Its scope and coverage make it a useful resource for any library whose readers have an interest in modern Chinese history **China's Cultural Revolution, 1966-69** Michael Schoenhals, 2015-03-04 Mao Zedong launched the Great Proletarian Cultural Revolution 30 years ago This documentary history of the event presents a selection of key primary documents dealing with the Cultural Revolution s massive and bloody assault on China s political and social systems
