Healing Power of Gems Dr.Gopal Sharma & Pr. Sewaram Jaipuria,2006 The Century Dictionary and Cyclopedia: The Century dictionary ... prepared under the superintendence of William Dwight Whitney ... rev. & enl. under the superintendence of Benjamin E. Smith, 1911 The Healing Power of Gemstones Harish Johari,1996-09 The author describes how to use the power of gemstones using ancient Hindu disciplines to heal and increase a sense of well being

Gemlore Diane Morgan,2008-06-30 Every culture has developed its own lore of rocks From the stones of Aaron s breastplate to the foundational rocks of the New Jerusalem from the creation tales of South America to the blood stones of Burma gems have taken their place in the mythology and magic of the human race This book details the lore attached to particular gems Each chapter covers a particular stone and discusses the gem s geological historical mythical and legendary qualities A valuable resource for anyone researching symbols myth history or literature this book also helps science students understand the humanistic context of gemstones and offers social studies students a fascinating view of gems in world cultures Each chapter covers a particular gemstone such as diamonds rubies sapphires and emeralds It also covers organic gems such as pearl coral and amber The chapters discuss the natural history of the stone including where the gem is found its value and its use the role the gem has played in history especially for certain famous stones such as the Hope Diamond and the myths powers and legends that have attached to the stone over the centuries Science students will appreciate the humanistic context the book offers for gemstones while social studies students will appreciate its consideration of gems across times and places Students of literature and the arts will welcome the book s attention to gems as symbols and general readers will find it a fascinating guide to the lore and legend of precious stones *Precious Coral and the Legacy of the Coral Road* Iwasaki Nozomu,2021-06-14 Drawing on diverse perspectives this collection of 12 essays and around 150 colour illustrations explores the history and mysteries of the Coral Road from the Mediterranean to Japan From Italy with its ancient traditions of deep sea coral fishery production and trade the reader is transported to Tibet and India where coral has long been revered as a Buddhist treasure and amulet The focus then moves to Japan with the book highlighting the vivid red coral tree of folklore and festivals and the lavish use of the exotic gemstone in the magnificent accessories and craftwork of the Edo Period 1603 1868 before tracing the history of Japanese coral fishery trade and production in modern times Inspired by an urgently perceived need to preserve the legacy of precious coral for future generations this retrospective yet forward looking book will appeal to a wide readership from marine ecologists to economic social cultural and religious historians as well as scholars of fashion and design *Introduction to Vedic Astrology-Volume III* Ram Babu Sao,2025-02-19 Money is Prosperity The book Introduction to Vedic Astrology Volume III is a unique book which is very informative and also easy to understand One book is truly the equivalent of several books on astrology You can make predictions of horoscope for you or any member of your family with the help of this single book This provides some of the elementary and in depth essential

elements of complete Horoscope predictions Many of the basics of astrology are explained in detail Astrology is not knowing your future but planning your future by averting the misshapenness by action in the right Muhurta and at the right time wearing Gems wearing Yantras chanting Mantras and Prayers It is important to realize that success comes only with the right actions at the right timing The whole secret of Astrology is Right Timing This Book provides the best times for successful ventures such as starting a business buying a home or investing in the Stock Market JP Morgan made a fortune using astrology for Right Timing This knowledge is made available to you through this book By using the book your life will be more prosperous than ever before It is important to work Smartly but not hard This Book gives you the followings 1 The prospective tools to make your life more rewarding 2 Career and love life at its ultimate zenith 3 Guidelines to ever dream of becoming a Star 4 Discovering your financial fortune in life 5 Secrets of looking at the Best you can be every day 6 Start a professional practice and setting your fees 7 Horoscope Predictions of any Person Enormous books are available in the market each one covering one or two topics on Astrology In the developed countries like America France Japan Germany and Britain plenty of books on Astrology are available covering one or two topics but it cost much more than our buying capacity One has to read many books to master Astrology and also to predict the individual Horoscope Chart Our life is speedy It is ever active and is changing every moment Each one of us is facing difficulty at every step This book will facilitate to reach your destination by moving ahead with ease even in the storming situation This is so much strife and struggles in the present time as it was never before This is a time of ready made food and fast food Nobody has time to cook the food and then eat Only this feeling motivated me and necessitated making this book This is easily approachable and compact It is full of all information in one place to be referred easily and quickly by anybody whether busy in any profession I have tried to make clear what the correct astrology works is These are all correct facts figures collected from various books and incorporated here in a single book for the first time for use by the common men Behind all this there is my exhaustive study and collections More than the study is the presentation of the subject matter and even much more than the presentation of the subject matter is long years of experience and association with the astrology work all over India and abroad This gives authenticity to the book This book is a tool for the Jyotish Students the Beginners and the somewhat advanced Students and the Professionals too Many psychic services charge you as much as 50 75 or even 200 for a single reading of your life prediction but this book offers you a single instrument for reading as many as you want and that too at the cheapest rate The technically advanced matters allow you to deliver your reading to you accurately quickly and effectively Not only will your reading be incredibly accurate but also you will have it available to read and analyses at your own pace Besides this book offers you an opportunity to record your readings and readings of your family members by yourself Just realize that how much you are going to save on account of Horoscope readings for you and your family The Cnidaria, Past, Present and Future Stefano Goffredo,Zvy Dubinsky,2016-09-07 This volume presents a broad panorama of the current status of research

of invertebrate animals considered belonging to the phylum Cnidaria such as hydra jellyfish sea anemone and coral In this book the Cnidarians are traced from the Earth s primordial oceans to their response to the warming and acidifying oceans Due to the role of corals in the carbon and calcium cycles various aspects of cnidarian calcification are discussed The relation of the Cnidaria with Mankind is approached in accordance with the Editors philosophy of bridging the artificial schism between science arts and Humanities Cnidarians encounters with humans result in a broad spectrum of medical emergencies that are reviewed The final section of the volume is devoted to the role of Hydra and Medusa in mythology and art **Global**
