Red Moon Rising Terrorists On The River:

TERRORISTS ON THE RIVER Allan Ishmael Young, 2015-09-23 My name is Jake Tama Well Captain Jacob Ezekiel Tama if you want to get formal I m a riverboat captain and I have been around rivers all my life Oh I did spend some time on the ocean in the Navy Then sixteen years as a policeman homicide mostly But even then I drove boats Then I bought my own excursion boat and the business was good And that is where my problem started crime murders mostly Everywhere I go something happens to get me drawn into resolving a mystery even worse than when I was a cop I was even accused of committing murder Then I was almost a victim And yes I ve had a few romances along the way But I m getting ahead of myself Just read the book **Red Shadows of the Blood Moon** John Wesley Contway MSW-LCSW, 2016-01-15 Red Shadows of the Blood Moon is a history lesson a memoir and a slap in the face wakeup call for a country whose first people have been relegated to the basement of our national consciousness John Contway writes like he lives with a mix of irreverent humor and biting candor His version of the native oral tradition ranges from the abduction of his Lakota great grandmother by a Civil War veteran to the genesis of his rock and roll career on the Montana Hi Line He reveals a heart too tender for its environment contrasted by wit and rage sharpened in a world that will never know how to embrace those who refuse to fit a convenient mold Red Shadows is a great read and an important piece of American literature Moonlight Origins Rae Stonehouse, 2025-01-23 In this latest paranormal thriller Detective Ethan Reeves must navigate a world turned upside down after a fateful encounter leaves him changed into a werewolf As he struggles to control his newfound abilities he finds himself caught between the worlds of human law and supernatural chaos A rash of mysterious crimes hit the streets of Daybridge with signs pointing to something more sinister lurking beneath the surface Ethan must embrace his dual nature as both detective and werewolf to uncover the truth behind the mounting bodies and a shadowy conspiracy threatening to shatter the delicate balance between realms Aided by a colorful cast of supernatural allies and his stalwart human partner Ethan begins to discover his larger destiny as protector of both worlds Cop by day and wolf by night he s the only one who can untangle these cases and stop the ancient grudges spilling onto city streets But Ethan s greatest challenge lies ahead against new breeds of scientifically enhanced foes and their enigmatic leader with designs to change all of supernatural society To crack these cases and unleash his inner wolf Ethan will have to not just walk the line between his two lives but learn to bridge them into a new identity all his own in this roller coaster mix of crime horror and action with a supernatural twist that will keep you turning pages until the end The Experiment at Philadelphia: Kurt B. Bakley, 2015-04-21 The Philadelphia Experiment was Einsteins experiment in which he had not only discovered in 1943 the way to make things invisible and transport them at great speeds but also positively proven scientifically physically and spiritually that God Almighty exists He had literally discovered God That question Is there a God thats been going through peoples minds for so long discussed on the street corner talked about on the porch on a hot summers night is now a proven fact *And Into the*

Kassera, 2010-10-20 Simplicity is a secret place located in another dimension which is parallel to our own world Its just one of many places that exist in the spirit world Its known only to the select few who have been tricked and abducted from this world and taken there Thats in the belief that they had just won a free shopping trip to the Mall in Minnesota Unknown to them it is far more than that The Mall is really not in Minnesota but somewhere else in that other dimension Both very good and bad people are taken there Some of the really bad ones are imprisoned in that strange mall They are finally brought to justice in some very creative and appropriate ways Most are transported from there to a strangely quaint little river town called Simplicity Those people have all been taken there for very specific reasons Some find a little piece of heaven there A few others find themselves trapped in what for them is their own personal hell There is no escape and no plea bargaining Train visitors are recruited there to serve a vital cause once they return home That is the cause of freedom and liberty back in America That can only be achieved through well organized civil disobedience and perhaps armed rebellion A very creative new way has been found to actually make that work Its a way that big government control freaks are not prepared to deal with Simplicity is actually the planning and control center for that operation Its permanent residents are all freedom lovers eager to serve in that cause All have lived out their previous lives in America They had earned their reward here in Simplicity where they live on However they are all deceased back in America They can never go back They can though have a tremendous impact and influence on those who are abducted from America to their spirit world Thats where the abducted train visitors are actually shown that there really is a spirit world They can actually meet their dead friends relatives and acquaintances They learn that life really does go on They also learn that America is forever doomed unless the new plan can be made to work Thats when they get recruited They are all promised that their next life will be lived in Simplicity as a reward for their efforts back home What greater proof and incentive could there ever be Those residents of Simplicity have

all passed their final exams and have been promoted to a higher level of existence If you cant believe them who can you believe Now educated and informed the train visitors return back home with newfound courage and a tremendous desire to do the right thing That is because seeing is believing Those chosen ones had been granted a rare privilege They actually enter into the spirit world while they are still living in this world There they get a real shock their proof of immortality They actually meet the dead who had summoned them That must be done in a very careful way so as not to cause heart attacks or fainting spells Before they are sent back they are all given two special gifts completely unattainable in their world If they ever doubt the experience those two items will convince them otherwise One is a large medallion made of a strange material unknown on earth It says simply I was there The second mystery item is an unbreakable pocket mirror in a leather case Removed from the case the mirror emits an eerie glow Printed below the mirror are the words I cannot do everything but I can do something That which I can do I ought to do I will not fail Most importantly the train visitors are recruited into the most secret of all organizations Its purpose is to restore freedom to America by any means necessary That is the real secret of Simplicity Among them is a young man named Joe Quin He has been tricked into going there like all the others but for a different purpose Joe is a person of spec
