Louis Lamour Western Magazine:

The Trail to Crazy Man Louis L'Amour, 1986-08-01 A WORD FROM LOUIS L AMOUR Almost forty years ago when my fiction was being published exclusively in pulp western magazines I wrote several novel length stories which my editors called magazine novels In creating them I became so involved with my characters that their lives were still as much a part of me as I was of them long after the issues in which they appeared became collector s items Pleased as I was about how I brought the characters and their adventures to life in the pages of the magazines I still wanted the reader to know more about my people and why they did what they did So over the years I revised and expanded these magazine works into fuller length novels that I published in paperback under other titles These particular early magazine versions of my books have long been a source of great speculation and curiosity among many of my readers so much so of late that I m now pleased to collect three of them in book form for the first time I hope you enjoy them **A Man Called Trent** Louis

An original, unrevised version of the classic early novel by the world's most popular Western author. Also includes an original version of the short story *The Rider of the Ruby Hills*. **The Western Story** Jon Tuska, 1999-11-01. *The Western Story: A Chronological Treasury* consists of twenty Western stories spanning the years 1892 to 1994. For that generation of American writers who saw the frontier in the last century, including Mark Twain, Bret Harte, and Owen Wister, it seemed exotic, strange, wonderful. Others such as Frederic Remington and John G. Neihardt reflected the clash between various Indian nations and pioneers. These authors prepared the way for the founders of the first Golden Age of the Western story: Willa Cather, who wrote of pioneer life in Nebraska; Zane Grey, who combined wilderness experiences with romance and the search for spiritual truth; B. M. Bower, who portrayed the cowboys and frontier women she knew growing up in Montana; Max Brand, who created dramas in which the psychological and spiritual meaning of life was more important than the physical terrain; and Ernest Haycox, who combined character and drama with historical accuracy. Another generation of writers perpetuated this first Golden Age: Peter Dawson and T. T. Flynn, who began writing Western stories in the 1930s; Walter Van Tilburg Clark, who created a masterpiece in *The Ox-Bow Incident*; Dorothy M. Johnson and Les Savage Jr., who experimented with making the Western story still more realistic; and Louis L'Amour, whose visibility and popularity won legions of new readers to the genre. Humanity, depth, and verisimilitude were already part of the Western story when Will Henry, Elmer Kelton, and T. V. Olsen came on the scene to intensify these qualities in their own stories, even as they experimented with new perspectives. And Cynthia Haseloff's story, written especially for this collection, with its symbolism and

its simplicity may be the harbinger of a second Golden Age *Louis L'Amour on Film and Television* Ed
