Love Among the Cannibals Wright Morris, 2018-06 Speaking of this 1957 novel the author has said it ended his obsession with the reconstruction of the immediate past and moved him into the contemporary scene The narrator Earl Horter is a lyric writer who is in Hollywood with Mac his partner to write a musical With two girls they have picked up and gone to Acapulco

Missionary Life Among the Cannibals George Patterson, 1882 While our work is intended specially as a life of Dr Geddie we have thought it proper to make it at the same time a history of the New Hebrides Mission For several years his life was the history of the Mission and during the rest of the time that he labored on the field the two were so mixed that it is impossible to write the one without to some extent giving the other It will be seen that our story is told very much in Dr G s own words Preface Cain's Craft David Madden, 1985 Analyzes the master of the hard boiled novel *Twentieth Century Fiction* George Woodcock, 1983-04-01 **Haunted: the Strange and Profound Art of Wright Morris** Jackson J.

James Agee in Context Michael A. Lofaro, 2023-01-17 It s difficult to overestimate the impact of the many new works by

James Agee uncovered and published in the last twenty years These previously unknown primary works have in turn encouraged a parallel explosion of critical evaluation and reevaluation by scholars to which James Agee in Context is the latest contribution This superb collection from well known James Agee scholars features myriad approaches and contexts for understanding the author s fiction poetry journalism and screenwriting The essays bring the reader from the streets of James Agee s New York to travel with the author from Alabama to Hollywood to Havana Contributors explore overlapping and sometimes unique subjects themes and accomplishments or lack thereof in Agee s uncovered works and highlight the diversity of interest that Agee s complete body of work inspires The insightful scholarship on influence examines connections between Agee and Wright Morris Helen Levitt John Dos Passos Ernest Hemingway and Stephen Crane Such juxtapositions serve to illustrate how Agee drew on literary influences as a young man how he used his work as a journalist to craft fiction as he was about to turn thirty and his influence upon others The volume concludes with three poems and a short story by Agee all previously unknown It seems astonishing that so much remains to be discovered about this protean author his materials and his circle Yet the recovery and analysis of neglected texts and information mined from newspapers and magazines proves the extent to which Agee kept his mind and his work as he himself put it patiently concentrated upon the essential quietudes of the human soul
