Love And Devotion:

Addiction and Devotion in Early Modern England Rebecca Lemon, 2018-02-02 Rebecca Lemon illuminates a previously buried conception of addiction as a form of devotion at once laudable difficult and extraordinary that has been concealed by the persistent modern link of addiction to pathology Surveying sixteenth century invocations she reveals how early moderns might consider themselves addicted to study friendship love or God However she also uncovers their understanding of addiction as a form of compulsion that resonates with modern scientific definitions Specifically early modern medical tracts legal rulings and religious polemic stressed the dangers of addiction to alcohol in terms of disease compulsion and enslavement Yet the relationship between these two understandings of addiction was not simply oppositional for what unites these discourses is a shared emphasis on addiction as the overthrow of the will Etymologically addiction is a verbal contract or a pledge and even as sixteenth century audiences actively embraced addiction to God and love writers warned against commitment to improper forms of addiction and the term became increasingly associated with disease and tyranny Examining canonical texts including Doctor Faustus Twelfth Night Henry IV and Othello alongside theological medical imaginative and legal writings Lemon traces the variety of early modern addictive attachments Although contemporary notions of addiction seem to bear little resemblance to its initial meanings Lemon argues that the early modern period's understanding of addiction is relevant to our modern conceptions of and debates about the phenomenon Songs of Faith, Hope, and Love. For Sunday Schools and Devotional Meetings Albert Junos Holden, 2025-10-04 Reprint of the original first published in 1883 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Love and Devotion* Nitya Chaitanya Yati, 1976 Love and War Tom Digby, 2014-10-28 Ideas of masculinity and femininity become sharply defined in war reliant societies resulting in a presumed enmity between men and women This so called battle of the sexes intensifies in tandem with dispositions to fight actual wars These are among the fascinating discoveries Tom Digby shares in *Love and War* which describes the making and manipulation of gender in both militaristic and nonmilitaristic societies and the consequences for men and women in their personal romantic sexual and professional lives Drawing on cross cultural comparisons and examples from popular media including sports culture the rise of gonzo and bangbus pornography and Internet trolls Digby shows how misogyny and toughness are deployed to construct masculinity in ways that undermine relations between women and men Through diverse philosophical methodologies he identifies the cultural elements that contribute to heterosexual antagonism such as an enduring faith in male force to solve problems the glorification of violent men who suppress caring emotions the devaluation of men's physical and emotional lives an imaginary gender binary male privilege premised on the subordination of women and the use of misogyny to encourage masculine behavior Digby tracks the collateral damage of this disabling misogyny in the lives of both men and women but ends on a hopeful note He ultimately

finds the link between war and gender to be dissolving in many societies war is becoming degendered and gender is becoming demilitarized

The Perennial Quest for a Psychology with a Soul Joseph Vrinte, 2002-01-01 The

subject matter of this book is so vast that it would be presumptuous to attempt to deal with comprehensively and it would be preposterous to pretend to a final solution to a set of ideas as comprehensive as these worldviews. The author is aware that the contents of this comparative study may appear offensive to the followers of Sri Aurobindo. He tries to stimulate a fruitful dialogue and evaluates this dialogue in a sympathetic manner when he refers to the intentions of both thinkers. Indian Knowledge Systems Dr. Shashikant Awasthi, 2024-12-11. The book *Various Contexts of Indian Knowledge Systems* provides an in-depth exploration of India's diverse knowledge systems and their significance in contemporary society. By connecting traditional Indian values with modern family structures and social dynamics, the book reveals how these ancient principles continue to hold relevance today. It addresses themes of philosophical pluralism and ethical governance, highlighting the foundational values that support India's moral framework. Additionally, the book explores traditional medicinal knowledge systems like Ayurveda and yoga, which are integral to India's holistic approach to health and wellness. A dedicated section discusses the contributions of Nagarjuna in chemistry, illustrating the scientific depth within India's heritage. The book also examines the concept of dharma (duty) and its relation to moral responsibility, drawing on the Ramayana to showcase Indian literature's guidance on balanced living. Moreover, it provides insights into how Indian knowledge systems have influenced and connected with diverse cultures worldwide. *Various Contexts of Indian Knowledge Systems* is not only a comprehensive guide to understanding these knowledge systems but also an inspiration for applying them to contemporary life, making it a valuable resource for appreciating the timeless wisdom of India's heritage. The Last Morning Star: Talks on the enlightened woman mystic, Daya Osho, 2024-06-20. Revealing the immense beauty of devotion and poetry, Osho speaks on the enlightened feminine mystic Daya. Osho states: "The path of devotion is the path of the heart. Only the mad succeed there; only those who can laugh and cry with their whole heart. Those who are not afraid to drink the wine of the divine because when you drink that wine you will lose all your senses, you will lose all control over your life. The last morning star symbolizes all that is ephemeral in the world. Daya reaches the truth through the intensity of her heart as she journeys on the passionate path of devotion." **Love Beyond Eternity** Rick Anthony, In a world where darkness reigns and fear is the norm, one woman sets out on a journey to find true love at any cost.
