Love And Living Together:

Living Together Michael J. McManus, Mike McManus, Harriett McManus, Harriet McManus, 2008-03-04 The authors argue that the divorce rate is actually higher among couples who live together before marriage They take a fundamental position that one can not practice permanence and unless a marriage is established as permanent a couple will not approach it the same way The authors also suggest important principles that give couples the necessary tools for a successful marriage

Living Together Ellen Dykas, 2016-03-07 Past broken relationships concerns about compatibility and finances are just some of the reasons for the growing trend of couples living together without getting married But marriage is not just a cultural institution by which people merge lives bank accounts and homes God is intimately involved in our relationships and his plan is for

Living Together Jeff VanGoethem, Offers a biblical perspective on the explosive and growing social phenomena of couples moving in together instead of marrying a common trend even among Christian couples Full of biblical practical and competent help for those who minister to and counsel unwed couples

The Good Marriage: How and Why Love Lasts Judith Wallerstein, 2019-08-09 When it first appeared in 1995 *The Good Marriage* became a best seller It offers timeless clues to the secret of happy long lasting marriages Based on a groundbreaking study of fifty couples who consider themselves happily married psychologist Judith Wallerstein presents the four basic types of marriage romantic rescue companionate and traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart But they also convey an inspirational message for almost all of them feel that their marriage is their single greatest accomplishment *The Good Marriage* explains why and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives Should be required reading for all who are interested in marriage W Walter Menninger Should prove a lifesaver for many couples Publishers Weekly Will enrich the sparse literature on happy marriages USA Today One of the nice things about *The Good Marriage* is its modesty It doesn't pretend to offer a philosophy or even a lecture on marriage It takes no position on the ideologically charged issues of women's marital roles and status Equally important it ignores the two most common ways of talking about marriage as a contract negotiated between two equal parties and as the pathway to individual fulfillment For this reason it is refreshingly free of rights talk and therapy talk Indeed Wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills Barbara Dafoe Whitehead *The Atlantic* A lagniappe to enduring couplehood The strength of this study is that Ms Wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail Susan Jacoby *The New York Times Book Review* Written in a masterful style that often reads like the best popular fiction Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages Tara Aronson *San Francisco Examiner Chronicle* Groundbreaking *Boston Globe* This is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness Judith Viorst With wisdom humor and

sympathetic understanding Judith Wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise David Blankenhorn Newsday Historically informative as well as profoundly wise psychologically Joan M Erikson For a long time as a Rabbi I've been using The Good Marriage by the late Judith Wallerstein in my pre marital counseling She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome addition to the field of literature on contemporary marriage The style is clear concise sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage Wallerstein's new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in The Good Marriage Elizabeth M Tully M D Journal of Academy of Child and Adolescent Psychiatry Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it Wall Street Journal With extraordinary skill and compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann Hewlett A very appealing book clearly written and clearly thought out Library Journal Wallerstein's major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution Readings A Journal of Reviews and Commentary in Mental Health

Love Unfolded Abdur Rahim, 2019-08-08 Where there is love there is life But what love is To understand love at the deepest level we need to know what love is and how it is explained This book attempts to share inspiring insights anecdotal experiences and perhaps incomplete yet valuable materials and viewpoints of general and notable people across the global cultures over time which is presented precisely easy to read and understand to the readers on the matter of love marriage and sexual behavior towards fulfilling the life's most intrinsic desire and happiness The book is for the general public of all sections of global society and culture The three key messages readers shall take away from this book They are a love is the essence b marriage is a bond and c sex is the ultimate supreme pleasure of life Explaining these themes attempts have been made to broadly discuss about the topics bringing together various ideas from diverse sources historical periods cultures and philosophical perspectives along with contemporary empirical work from psychology sociology anthropology and neuroscience The readers not only will enjoy the many flavors of the substance of the book but also get the facts and analysis of why we approach love marriage relationships and observed or unobserved differences between men and women and what

social historical cultural political evolutionary or biological factors might influence them Nonetheless the substance of the book tells the inner most words of every men and women that are being preserved since their young age Finally the book will be of good values and understanding with readers own journey of love marriage and relationship These are the reasons why the readers will buy the book The main objective of the book is to let the readers rethink about the changing pattern of love and relationships over time *Love, Freedom, and Aloneness* Osho,2002-12-13 Why it is that people who are happy being alone have the best chance to have good relationships with others **Empowered Love** Steven Stosny,2018-02-15 A couples therapist and relationship expert explains why conflicts between partners often result in a lack of self control and compassion This guide shows how to overcome destructive impulses and nurture loving and rational qualities
