Love In The Promised Land:

Love's Promised Land Diana Haviland,1983-01-01 **The Promise Land** Chris Oyakhilome PhD.,1997-01-09 This book is a classic exposition of the Christian life It provides Bible based answers to a lot of questions and provides explanations needed to live a constantly victorious life Joshua brought the children of Israel into a land flowing with milk and honey yet the Bible says they did not enter the rest of God **Love is...** Through the Valley,2025-10-16 A deep study devotional on 1 Corinthians 13 Understanding this passage in terms of loving God through the trials of life We can t love others if we don t understand what love is This book goes through very real and vulnerable examples on how to understand and apply these truths From Paradise to the Promised Land T. Desmond Alexander,2002-09 Get an in depth look into the first five books of the Bible with this accessible introduction to their content significance and themes Love Has a Story Quina Aragon,2024-10-01 Love has a story It s bigger than you It s bigger than me It comes from old an overflow of the beautiful love shared between the Father whose heart bursts for the Son the Son who adores His Father all wrapped in the glorious life giving love of the Spirit And this great Love knows and cherishes every secret and intimate detail of your story In fact this story is for you Author and poet Quina Aragon shares how before the foundations of the earth the great storyteller was penning a story that included you Love was thinking about you imagining ways to showcase His love for you and planning to rescue you Join Quina in entering the greatest love story ever told When you reach the end of this book you ll want to begin all over again And you ll want to share this great love story with your friends and family *Herein is Love, Vol. 1: Genesis* Nancy Ganz,2009-10-30 Herein is Love is a series of Bible commentaries for parents to read to their children They provide what children need most solid truths to grow in In these books Nancy Ganz draws out the beautiful implications of the Old Testament narrative that are foundational for Christian faith The beginning books of the Bible are essential to our understanding of God s redemptive story The Herein is Love series creatively focuses our attention on the events that bring this story to life combining the richness of literature and the depth of a commentary All You Need is Love Pete Fornatale,Bill Ayres,1998-11-12 It s Not Only Rock N Roll It s Rock Wisdom It s the insights and messages that come to us from 100 of our favorite rock songs Love and marriage family friendships self esteem spirituality and community are just some of the themes explored in these healing and uplifting meditations based on four decades of classic rock by artists like the Beatles James Taylor the Rolling Stones Bob Dylan Carole King Bruce Springsteen the Beach Boys and dozens more You ll also find background information on the songs and artists as well as suggestions for applying these nuggets of rock wisdom to your everyday life All You Need Is Love is a visit to our past and a companion for our present and future **God's Love Story** Joshua Joel Spoelstra,2020-02-20 God s Love Story A Canonical Telling traces the metaphorical theme of God s love relationship s that spans the entire Bible God lovingly pursues humankind in relationship that is robustly satisfying and salvific Like many relationships God s love story with God s people is both transcendent and tragic messy and mercy filled

raw and redemptive Not merely a series of events relegated to the past God's love story is an ongoing present phenomenon a salvation relationship into which God invites all peoples to collectively be the spouse of God *Communion of Love* William Dewberry, 2014-07-31 *Communion of Love* is an overview of the Bible focusing on God's plan of redemption from the time of the creation to the end of time The book provides a view that is written in layman terms and is a comprehensive easy to understand view of redemption and an introduction to God His Son Jesus the Holy Spirit angels Satan and the people that were directly involved in God's plan May God bless those who love God and are interested in understanding more about the great love He has always had for people **Who Will Bring Me Home?** Jan Willem Kirpestein, 2023-10-06 This book is a profound meditation on power and love and in its wake on trust and hope The author offers a new approach of these ancient biblical values If human love is fascinated by power what is power's attraction and charm Love is fascinated by a promise of rootedness in a real future life This promise is experienced as a revelation of our true home It means that human love is expecting something from the one who possesses power Is he or she able to make the promise true Power should be cute otherwise it will be experienced as a repulsive force However without the possibility to become a repulsive force power is unable to unveil its executing force But the promise needs to be unconditional Love is a movement of one's free will Therefore love can become disappointed How were love trust and hope at work in relation to God's revelation in the Torah and at work in the consciousness and life of Jesus Christ What does that mean for us
